

## **BASILDON BOROUGH LOCALLY SPECIFIC LIST OF NON-STATUTORY CONSULTEES FOR PLANNING APPLICATIONS OCTOBER 2020**

The Planning Practice Guidance (PPG) encourages local planning authorities to produce and publish a locally specific list of non-statutory consultees that would be notified of planning applications. Consequently, the Council has identified a number of non-statutory interest groups and stakeholders that it may consult for certain applications, taking into account their interests and skills and the subject of the relevant planning application.

The list below is in addition to those statutory consultees that the Council is obliged to notify for certain planning applications, and is intended to assist applicants in developing their proposals. Please note that this list is not exhaustive, and each planning application will be determined on a case-by-case basis by the case officer.
