Employment Development Potential	
Suitable: No	Available: No
Suitability Summary	
The site is not within or adjacent to an existing employment area or town centre. However it is within the settlement and larger than 0.25ha in size and therefore could be suitable for B1 use. However it is in a residential area and is not considered to be suitable for other employment uses.	
Availability Summary	
Landowner unknown, therefore site unavailable.	

Site ref: SS0004 **Site address:** Rear gardens of 286-294 Mountnessing Road and 3-5 Brightside, Billericay.

Site description **Site Area (h):** 0.24

Site comprises the rear gardens of 7 properties, but surrounded by 17 dwellings isolating the site from any road frontage. The area is residential, with detached and semi-detached dwellings.

Housing Development Potential

Suitable: Yes **Available:** No **Achievable:** NA

Suitability Summary

The site is within an existing settlement area and considered to be suitable.

Availability Summary

Landowner unknown and no access, therefore site unavailable.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

There is no access to the site therefore it is not considered suitable.

Availability Summary

Landowner unknown, therefore site unavailable.

Site ref: SS0005 **Site address:** Land North of Mayflower House, Heath Close, Billericay

Site description **Site Area (h):** 0.19

Rectangular shaped site, between Mayflower House and Heath Close road. It is currently unused grassland/scrubland.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within an existing settlement area and considered to be suitable.

Availability Summary

This site has been carried forward as an expired permission which established the principle for development. The landowners consent was obtained for the previous permissions.

Employment Development Potential

Suitable: No **Available:** Yes

Suitability Summary

The site is less than 0.25ha in size and is located within a residential area away from existing employment areas and the town centre. As such it is not considered to be suitable for employment use.

Availability Summary

Yes, this site has been carried forward as an expired permission which established the principle for development. The landowners consent was obtained for the previous permissions.

Site ref: SS0007 **Site address:** Land south of Bluebell Wood, north of railway line, Billericay

Site description **Site Area (h):** 14.28

Predominantly rectangular shaped site located to the south of Bluebell Wood, Billericay. The site is bordered to the north and east by residential areas (Bluebell Wood; Pleasant Drive; Langley Place; Mountnessing Road), to the south by the London Liverpool Street Rail line and to the west by farmland. The site is mainly open in nature comprising farmland, some areas of woodland and a local park. The site is divided by a brook running through it and it contains a 20 metre telecommunications monopole as well as a small area of woodland. A Swale exists on land to the south along with an electricity sub-station and pump equipment. The site area has been amended to remove a small washland area in the south east corner of the site.

Housing Development Potential

Suitable: Yes **Available:** No **Achievable:** NA

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. The site includes land allocated as open space and therefore should be subject to an open space assessment. It is considered suitable at this time.

Availability Summary

The site was submitted as part of the HELAA process but not by the landowner. Landowner unknown, therefore site unavailable.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Whilst not within an existing employment area or town centre the site is within suitable proximity of a settlement and the size of the site could allow for B1 uses to act as a buffer between residential properties and B2 uses. The site is not considered to be suitable for B8 uses due to highways access.

Availability Summary

The site was submitted as part of the HELAA process but not by the landowner. Landowner unknown, therefore site unavailable.

Site ref: SS0012 **Site address:** Land East of Greens Farm Lane, West of Outwood Common Road, North of Outwood Farm Road, Billericay

Site description **Site Area (h):** 28.39

A large parcel of land to the east of Mill Meadows Local Nature Reserve. The site is adjacent to residential areas in the north and south and open farmland to the east. It is bounded by Outwood Common Road and Greens Farm Lane. The site consists of a number of irregular shaped fields bounded by hedgerows.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

Site submitted on behalf of landowner for HELAA.

Employment Development Potential

Suitable: Yes **Available:** Yes

Suitability Summary

Whilst not within an existing employment area or town centre the site is within suitable proximity of a settlement and could be suitable for B1 uses. However due to highways access and its close proximity to residential properties other employment uses would not be suitable.

Availability Summary

Site submitted on behalf of landowner for HELAA.

Site ref: SS0015 **Site address:** 11 Church Street and land rear of 11 Church Street, Great Burstead
CM11 2SY

Site description **Site Area (h):** 0.45

Irregular parcel of land adjacent to the settlement of Billericay. The site mainly consists of Green Belt land but is connected to the settlement via the curtilage of the dwellinghouse which would be used for access. The site is bounded by a stream to the west and a public footpath to the east. The site is surrounded by residential properties, agricultural land and Grange Farm.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. Development on this site would however constitute backland development which would not comply with local policy. The site is therefore unsuitable.

Availability Summary

Site submitted by the landowner for HELAA.

Employment Development Potential

Suitable: Yes **Available:** Yes

Suitability Summary

Whilst not within an existing employment area or town centre the site is within suitable proximity of a settlement and could be suitable for B1 uses. However due to highways access and its close proximity to residential properties other employment uses would not be suitable.

Availability Summary

Site submitted by the landowner for HELAA.

Site ref: SS0016 **Site address:** Buckwyns Chase, Billericay

Site description **Site Area (h):** 2.88

Rectangular shaped site located in an isolated rural position. It is within the Green Belt and located in the North west of the borough at the eastern end of Buckwyns Chase. The site comprises five isolated residential properties on large plots set amongst woodland. Farmland and woodland are the predominant land uses in the vicinity.

Housing Development Potential

Suitable: No **Available:** No **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

Landowner unknown, therefore site unavailable.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is not adjacent to or within an existing employment area or town centre and it is outside the settlement boundary. The site does not provide access to the adopted highway. The site is not considered to be suitable for employment use at this time.

Availability Summary

Landowner unknown, therefore site unavailable.

Site ref: SS0017 **Site address:** Hannikins Farm, Linda Gardens, Billericay CM12 0EZ

Site description **Site Area (h):** 5.84

Large, approximately rectangular site located to the west of Billericay, comprising a farm building and four fields in series. The site is separated from the urban part of Billericay by the Hannikins Farm Recreation Ground.

To the west and north is farmland, to the east and south is open space and, beyond that, an urban area which is predominantly residential.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

Site submitted by landowner.

Employment Development Potential

Suitable: Yes **Available:** Yes

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time. The site could be considered for B1 uses, however it is not considered to be suitable for B2 or B8 uses due to highways access and its close proximity to residential properties.

Availability Summary

Site submitted by landowner.

Site ref: SS0020 **Site address:** Land adjacent to 26 The Mount, Billericay

Site description **Site Area (h):** 0.63

This site is located adjacent to the Billericay settlement area with potential access to the site from Break Egg Hill or by extending The Mount cul-de-sac. The site is rectangular in shape and consists of farmland bounded by trees/ hedges.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

Site submitted by the landowner for HELAA.

Employment Development Potential

Suitable: Yes **Available:** Yes

Suitability Summary

Whilst not within an existing employment area or town centre the site is within suitable proximity of a settlement and could be suitable for B1 uses. The site is not considered to be suitable for B2 and B8 uses due to highways access.

Availability Summary

Site submitted by the landowner for HELAA.

Site ref: SS0022 **Site address:** Land West of Grange Farm, Great Burstead

Site description **Site Area (h):** 7.78

The site is located in the Green Belt in Great Burstead with Grange Farm to the east. Housing is situated in the Billericay defined settlement to the north and a cemetery to the west. The site was originally 8.84ha, however following the Stage 2 consultation the site has been amended to exclude the north east area which appears to be owned by a different party.

Housing Development Potential

Suitable: Yes **Available:** No **Achievable:** NA

Suitability Summary

The site is within the Green Belt, however the majority of it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

Landowner known, however there is no potential access to the site other than a private access road to Grange Farm and is therefore considered to be unsuitable at this time.

Employment Development Potential

Suitable: No **Available:** Yes

Suitability Summary

Whilst the site is of a sufficient size to be considered for employment use there is no potential access to the site from the highway network.

Availability Summary

Landowner known

Site ref: SS0023 **Site address:** Lyndhurst, Broomhills Chase, Little Burstead CM12 9TG

Site description **Site Area (h):** 0.15

Small rectangular parcel of land within Broomhill Chase Plotland Area. The site is within the curtilage of an existing residential property and is adjacent to the dwellinghouse. The site is surrounded by residential properties beyond which is agricultural land.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

Landowner known.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is less than 0.25ha in size, it is not adjacent to or within an existing employment area or town centre. It is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0024 **Site address:** Oaklands, Broomhills Chase, Little Burstead CM12 9TH

Site description **Site Area (h):** 0.18

Small rectangular parcel of land within the Green Belt and on the edge of Broomshill Chase Plotland Area. Site currently consists of scrubland and is accessed via a track. The surrounding uses are residential properties to the east and west, agricultural land to the south and Little Burstead Wood LoWS to the north.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

Site submitted by landowner for HELAA

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is less than 0.25ha in size, it is not adjacent to or within an existing employment area or town centre. The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable for employment use.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0025 **Site address:** Hazelhurst, Broomhills Chase, Little Burstead

Site description **Site Area (h):** 0.96

Parcel of land predominantly within Broomshill Chase Plotland Area. The site consists of a dwellinghouse and curtilage and is surrounded by residential properties and Great Burstead Common.

Housing Development Potential

Suitable: No **Available:** No **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is less than 0.25ha in size and it is not within an existing employment area, town centre or suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0029 **Site address:** Land north east of 'The Reddings', south west of Burstead Cottage, Laindon Common Road, Little Burstead

Site description **Site Area (h):** 0.09

Small parcel of land within the Green Belt consisting of access to an existing dwellinghouse and its curtilage. The site is surrounded by residential properties and outbuildings and is accessed via Laindon Common Road.

Housing Development Potential

Suitable: No **Available:** No **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. Development on this site would also lead to backland development which would not comply with local policy. The site is not considered to be suitable.

Availability Summary

There has been no contact with the landowner in the last 5 years therefore the site is not available.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is less than 0.25ha in size and it is not within an existing employment area, town centre or suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0030 **Site address:** Land Opposite Roseleigh, The Chase, Little Burstead

Site description **Site Area (h):** 0.59

Rectangular parcel of land within the Green Lane Plotland Area which consists of scrubland. The site is opposite residential properties in the north, scrubland to the west, open fields to the west and a stream forms the southern boundary.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement as the site is separated from the main settlement by an A road which is considered to be a significant barrier. The site is not considered to be suitable.

Availability Summary

Landowner known.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement as the site is separated from the main settlement by an A road which is considered to be a significant barrier. The site is not considered to be suitable.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0031 **Site address:** Land north of Harold Wood House, Green Lane, Little Burstead

Site description **Site Area (h):** 0.10

Small rectangular parcel of land within the Green Lane Plotland Area which consists of a building. The site is surrounded by residential properties in the north, south and west with scrubland to the east.

Housing Development Potential

Suitable: No **Available:** No **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

There has been no contact with the landowner in the last 5 years therefore the site is not available. There is also no clear access to The Chase.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is less than 0.25ha in size, it is not adjacent to or within an existing employment area or town centre and it is not within suitable proximity of a settlement. Therefore site is not considered to be suitable for employment use.

Availability Summary

Whilst the landowner owner of the site is known the site does not include clear access to The Chase.

Site ref: SS0032 **Site address:** Land South of MaeVal, Green Lane, Little Burstead

Site description **Site Area (h):** 0.63

An irregular shaped field to the south west of Green Lane located within sporadic development to the south of Little Burstead.

Housing Development Potential

Suitable: No **Available:** No **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

Site ref: SS0046 **Site address:** Land at Shot Farm, Southend Road, Wickford SS11 8RZ

Site description **Site Area (h):** 23.20

Large area of predominantly open rural land located to the northeast of the settlement of Wickford, west of the A130 dual carriageway and adjacent to the borough boundary with Chelmsford Borough Council and Rochford District Council. The site comprises predominantly farmland/grassland, recent woodland planting and an established haulage yard and other commercial activities around a Grade II listed farmstead. Several electricity cables and pylons transect the site. A sewerage works and the River Crouch lie to the north and the Wickford to Southminster branch railway line is to the west. The main residential areas lie to the west and southwest. Part of the original site is located outside the borough and has therefore been discounted.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is also within the 400m Sewage Works buffer and therefore unsuitable for housing as recommended by Anglian Water.

Availability Summary

Site was submitted in 2015 on behalf of the landowner.

Employment Development Potential

Suitable: No **Available:** Yes

Suitability Summary

The site is not within an existing employment area or town centre and is not within the suitable proximity of a settlement. The site is not considered to be suitable for employment use at this time.

Availability Summary

Site was submitted in 2015 on behalf of the landowner.

Site ref: SS0047 **Site address:** Land east of Oak Avenue, south of Templar Lodge, Wickford

Site description **Site Area (h):** 0.05

Small area of plotland, located to the east of Oak Avenue and south of Templar Lodge The site is to the northeast of the settlement of Wickford, west of the A130 dual carriageway, north of London Road and adjacent to the borough boundary with Chelmsford City Council and Rochford District Council. The site comprises of scrubland. The main residential areas lie to the west and southwest.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

The site was put forward as part of the Call for Sites process. Following receipt of the site, the landownership details could be established.

Employment Development Potential

Suitable: No **Available:** Yes

Suitability Summary

The site is less than 0.25ha in size, it is not adjacent to or within an existing employment area or town centre. It is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

The site was put forward as part of the Call for Sites process. Following receipt of the site, the landownership details could be established.

Site ref: SS0049 **Site address:** Land adjacent to Holly Lodge, Oak Avenue, Wickford SS11

Site description **Site Area (h):** 0.15

Small plot of land located in the plotlands to the north east of the settlement of Wickford, west of the A130 dual carriageway and adjacent to the borough boundary with Chelmsford Citu Council and Rochford District Council. The site comprises of woodland/scrubland.

Housing Development Potential

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

The site was put forward as part of the Call for Sites process. Following receipt of the site, the landownership details could be established.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is less than 0.25ha in size, it is not adjacent to or within an existing employment area or town centre. It is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0050 **Site address:** Land east of Sunnyside, Enfield Road, Wickford SS11 8SD

Site description **Site Area (h):** 0.06

Small area of grassland with a few trees situated between Sunnyside and Leasway on Enfield Road in the plotland area to the west of Wickford. The site is west of the A130 dual carriageway and adjacent to the borough boundary with Chelmsford Borough Council and Rochford District Council. Land is currently used as part of the domestic garden to Sunnyside and includes outbuildings.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

The site was put forward as part of the Call for Sites process. Following receipt of the site, the landownership details could be established.

Employment Development Potential

Suitable: No **Available:** Yes

Suitability Summary

The site is less than 0.25ha in size, it is not adjacent to or within an existing employment area or town centre. It is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0051 **Site address:** Land at Claygate, Enfield Road, Wickford

Site description **Site Area (h):** 0.05

Small site, formerly comprising a residential property, situated within the plotlands to the north east of Wickford. The site abuts Enfield Road and is to the west of the A130 dual carriageway. The main residential areas lie to the west and south west.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

Site submitted by landowner for HELAA.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is less than 0.25ha in size and it is not within an existing employment area, town centre or suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0052 **Site address:** Willow Farm, Orchard Avenue, Ramsden Bellhouse CM11 1RL

Site description **Site Area (h):** 17.82

The site is located in the Green Belt. It is a large site located to the east of the Ramsden Bellhouse settlement and is largely an agricultural field with an additional piece of land with outbuildings linking it to Orchard Avenue.

Housing Development Potential

Suitable: No **Available:** No **Achievable:** NA

Suitability Summary

The site is within the Green Belt and only a small part of the site is within suitable proximity of a settlement. It is therefore considered unsuitable at this time.

Availability Summary

Site submitted by landowner for HELAA, however access to site is not currently considered suitable for housing.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is not within an existing employment area or town centre and the existing highways access is not considered suitable. The site is not considered to be suitable.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0053 **Site address:** Land south and north of Barn Hall, Wickford

Site description **Site Area (h):** 20.95

Expansive area of hedge enclosed arable farmland located on the northwest outskirts of the town of Wickford. The London to Southend Victoria railway line forms the southern boundary of the site, with further farmland to the north and west, the district boundary to the north and established residential areas to the east. Several mature trees exist within the field boundaries. The south east part of the site has now been granted planning permission for 152 units and has therefore been deducted from the original HELAA site. The original HELAA site was 24.20ha in area.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

Landowner known.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Whilst not within an existing employment area or town centre the site is within suitable proximity of a settlement and could be suitable for B1 uses. However due to highways access and its close proximity to residential properties other employment uses would not be suitable.

Availability Summary

Landowner is known and they do not want the site considered for employment uses

Site ref: SS0054 **Site address:** Land north and east of Station Avenue, Barn Hall, Wickford

Site description **Site Area (h):** 5.23

Fairly level grassland field including open space adjoining open countryside in the Green Belt to the west and housing to the east. New housing building built on land to the south.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site includes land allocated as open space and therefore should be subject to an open space assessment. The site is considered to be suitable at this time.

Availability Summary

Landowner known.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Whilst not within an existing employment area or town centre the site is within suitable proximity of a settlement and could be suitable for B1 uses. However due to highways access other employment uses would not be suitable.

Availability Summary

Landowner is known and they do not want the site considered for employment uses

Site ref: SS0056 **Site address:** Land east and west of Lower Dunton Road, Dunton, Basildon

Site description **Site Area (h):** 28.00

Large parcel of agricultural land extending south of the A127 and west of Lower Dunton Road, not including Friern Manor and dwellings on the east of Dunton Road. Consists of several arable fields, a single large barn and several individual trees, particularly in the field boundaries.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within the Green Belt, however some of it lies within suitable proximity of a settlement. The site is being promoted as part of a larger group including sites SS0647, SS0664, SS0665, SS0666 and SS0548 and could be considered to form a large urban extension. It is therefore considered suitable at this time.

Availability Summary

The site was submitted by the landowner through the HELAA process.

Employment Development Potential

Suitable: Yes **Available:** Yes

Suitability Summary

The site is within the Green Belt, however some of it lies within suitable proximity of a settlement. The site is being promoted as part of a larger group including sites SS0647, SS0664, SS0665, SS0666 and SS0548 and could be considered to form a large urban extension and could incorporate some employment uses. It is therefore considered suitable at this time.

Availability Summary

The site was submitted by the landowner through the HELAA process.

Site ref: SS0057 **Site address:** Land at Hereford House, Lower Dunton Road, Dunton, Basildon

Site description **Site Area (h):** 4.41

The site is an irregular parcel of land in Laindon, to the west of the Southfields Business Park. The site is within the Green Belt and has been in agricultural use, containing a large barn. The site is a large field stretching between Lower Dunton Road and West Mayne, extending around and behind a small collection of properties known as The Old School House. The site fronts onto lower Dunton Road, which is a long road with a few dwellings and other developments but predominantly of rural character.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

The site was put forward as part of the Call for Sites process by the landowner.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Whilst not within an existing employment area or town centre the site is within suitable proximity of a settlement and could be suitable for B1 and B2 uses. The site is not considered to be suitable for B8 uses due to highways access.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0058 **Site address:** Land at Ford Dunton Technical Centre, Dunton, Laindon, Basildon

Site description **Site Area (h):** 81.14

Oval shaped site predominantly brownfield, comprising of the Ford Technical Centre and test track along with some greenfield land and an access road to Dunton Fields residential development from Dunton Junction on A127

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within an existing employment area and serves an ongoing employment function. Therefore it is not considered suitable for housing at this time.

Availability Summary

The site was put forward for the HELAA.

Employment Development Potential

Suitable: Yes **Available:** Yes

Suitability Summary

The site is within an existing employment area and could be considered for B1, B2 and B8 uses.

Availability Summary

The site was put forward for the HELAA.

Site ref: SS0059 **Site address:** Land at Ford Dunton Technical Centre, and Former Laindon School Playing field, Laindon, Basildon

Site description **Site Area (h):** 16.34

Irregular shaped site partially Greenfield (former Laindon Playing field) to the east but mainly residential development under construction. Surrounded by Ford Dunton Technical Centre to the West, and industrial area to the east and residential areas to the South. The northern boundary is the A127.

Housing Development Potential

Suitable: Yes **Available:** No **Achievable:** NA

Suitability Summary

Site is within the settlement area and is considered suitable.

Availability Summary

Landowner unknown. Construction of residential development is currently underway.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

The site is within the settlement area and could be considered for B1 uses. Whilst adjacent to a residential area the size of the site could also allow for B1 uses to act as a buffer between residential properties and B2. It is not suitable for B8 uses due to highways access.

Availability Summary

Site submitted by landowner however they are currently developing the site for residential use. The site is therefore not available for employment use.

Site ref: SS0060 **Site address:** Land at corner of Nevendon Road and Courtauld Road, Basildon

Site description **Site Area (h):** 1.55

Large vacant greenfield site/scrubland. Site is bordered by residential gardens to the west, flats to the north, a garden centre to the south and further open scrubland to the east. A drainage ditch surrounds the site on three sides. The site area has been amended to exclude land to the south which was within flood zone 3b.

Housing Development Potential

Suitable: No **Available:** No **Achievable:** NA

Suitability Summary

The site is located within the cordon sanitaire of a waste water treatment works and therefore in accordance with the HELAA methodology, this site is not considered to be suitable.

Availability Summary

Landowner unknown.

Employment Development Potential

Suitable: Yes **Available:** Yes

Suitability Summary

The site is within the settlement and may be suitable for B1 and B2 uses. The site is not considered to be suitable for B8 uses due to highways access.

Availability Summary

Site submitted by landowner for HELAA.

Site ref: SS0063 **Site address:** Land on corner of Pound Lane and Arterial Road, Laindon

Site description **Site Area (h):** 0.19

Square site located at the northern end of Pound Lane fronting onto the Arterial Road A127 dual carriageway. Site is predominantly covered in scrub and trees.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** No

Suitability Summary

The site is within an existing settlement area and considered to be suitable. It is therefore considered suitable at this time. Based on the size and location of the site it is considered the site could be redeveloped to provide 2 additional dwellings.

Availability Summary

Site submitted by landowner for HELAA.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is less than 0.25ha in size and it is not within an existing employment area or town centre. The site is not considered to be suitable.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0067 **Site address:** Land at Laindon Link, South West of Roundacre

Site description **Site Area (h):** 0.67

Irregular shaped site located on the southern side of Laindon Link, bounded by the C2C railway line to the south and a car park to the east. Mixed woodland and grassland. Site area amended to exclude narrow western part of site covered by a Woodland TPO. Now 0.69ha (originally 0.99ha).

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site includes land allocated as open space and therefore should be subject to an open space assessment. The site is considered to be suitable at this time.

Availability Summary

Landowner known.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Subject to an open space assessment the site could be considered for employment uses. The site is within a settlement and could be considered suitable for B1 and B2 uses, however due to close proximity to residential properties the site would not be suitable for B8 uses.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0068 **Site address:** Car park 14, Laindon Link, South West of Roundacre SS15 5UN

Site description **Site Area (h):** 1.34

Medium size parcel of land, previously operated as a car park for the town centre, between the Laindon Link, Roundacre and the C2C rail line. The site is accessed from the Laindon Link at the junction with Great knightleys. It contains a number of mature trees along its boundaries. It has links into the footpath network, with an underpass to cross Roundacre into the Town Centre at the north eastern boundary.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** No

Suitability Summary

The site is within the settlement boundary, close to most amenities, facilities and services. None of the constraints would make the site unsuitable.

Availability Summary

Site submitted by landowner for HELAA 2016.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

The site is within the urban area and accessed via a B road. It could therefore be considered for B1, B2 and B8 uses. Whilst adjacent to a residential area the size of the site could also allow for B1 uses to act as a buffer between residential properties and B2 and B8 uses.

Availability Summary

Landowner is known and they do not want the site considered for employment uses.

Site ref: SS0069 **Site address:** Open Space and garages at rear of 1-53 Paprills, 318-334 Great Gregorie and 156-184 The Knares, Lee Chapel South

Site description **Site Area (h):** 0.59

Irregular shaped site located on the west side of Great Gregorie, largely surrounded by residential properties whose private rear gardens back onto the site. The western half is laid out as a parking and garage court area, whilst the eastern half is largely laid out as grass and comprises a number of trees/shrubs and some children's play equipment.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site includes land allocated as open space and therefore should be subject to an open space assessment. The site is considered to be suitable at this time.

Availability Summary

Landowner known.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Whilst not within an existing employment area or town centre the site is within the settlement and could be suitable for B1 uses. However the site is close to residential properties and therefore other employment uses would not be suitable.

Availability Summary

Landowner is known and they do not want the site considered for employment uses.

Site ref: SS0070 **Site address:** Land south of Basildon College, north of Basildon Hospital

Site description **Site Area (h):** 13.42

Site is comprised of grassland, enclosed by a field hedge to the south and east, beyond which lies Basildon Hospital. The land to the north east is identified as a playing field associated with Basildon College.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within an existing settlement area and considered to be suitable.

Availability Summary

Landowner is known and the site is undergoing comprehensive redevelopment with adjoining sites which provides access.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

Whilst not within an existing employment area or town centre the site is within the settlement. However the site is not suitable due to there being no access to the site.

Availability Summary

The site is within the settlement area however it is currently being developed for residential use by the landowner. Therefore the site is not available for employment use.

Site ref: SS0071 **Site address:** Land north of Dry Street (Area of Special Reserve – Saved Policy BAS S3)

Site description **Site Area (h):** 19.03

Large area of principally grazing land to the west of Basildon college campus and Basildon Hospital. The site also comprises a small riding school to the south. Woodland lies to the west and residential properties occupy the land to the north.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within an existing settlement area and considered to be suitable.

Availability Summary

Landowner is known and the site is undergoing comprehensive redevelopment with adjoining sites.

Employment Development Potential

Suitable: Yes **Available:** Yes

Suitability Summary

Whilst not within an existing employment area or town centre the site is within the settlement and could be suitable for B1 and B2 uses. The site is not considered to be suitable for B8 uses due to highways access.

Availability Summary

The site is within the settlement area however it is currently being developed for residential use by the landowner. Therefore the site is not available for employment use.

Site ref: SS0072 **Site address:** Thurrock and Basildon College Nethermayne Campus

Site description **Site Area (h):** 8.28

Entire site currently occupied by the South Essex College (Basildon Campus). The site includes several 1 to 4 storey linked campus blocks, with ancillary surface car parking areas, landscaping and adjoining sports field, located on the west side of Nethermayne, Basildon. The site is within the settlement boundary, to the south and east of residential housing around Basildon Town Centre. To the south is Basildon Hospital, which occupies a large site and to the east is St. Luke's Hospice and the roundabout from which the college is accessed. To the west are open fields which are an Area of Special Reserve. Development Plan: Site is highlighted as a School, although the BDLP does not provide any policy designation, while the sports field is allocated as 'School Playing Fields and Other Open Space' and land in the north east corner of the site is allocated as 'Existing Open Space'.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within an existing settlement area and considered to be suitable.

Availability Summary

Landowner is known and the site is undergoing comprehensive redevelopment with adjoining sites.

Employment Development Potential

Suitable: Yes **Available:** Yes

Suitability Summary

Whilst not within an existing employment area or town centre the site is within the settlement and the size could mean it is suitable for B1, B2 and B8 uses. The site is accessed from an A road.

Availability Summary

The site is within the settlement area however it is currently being developed for residential use by the landowner. Therefore the site is not available for employment use.

Site ref: SS0073 **Site address:** Rear of 6-38 Eastley, Basildon

Site description **Site Area (h):** 0.70

Irregular shaped parcel of land to the west of Nethermayne, within a residential area. The site is designated as a Village Green. It is a landscaped area currently used as open space for the surrounding dwellings and apartment building. The site is predominantly laid to grass with several trees within the site and along the southern boundary. It contains a playground and a strip of an adjoining parking court yard (to the rear of 6-26 Eastley). Residential terraces adjoin the site to the north and the west, with South Essex College (Basildon Campus) occupies the site to the south.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site lies within a Village Green, and is therefore not considered suitable for development.

Availability Summary

Landowner known.

Employment Development Potential

Suitable: No **Available:** Yes

Suitability Summary

The site lies within a Village Green, and is therefore not considered suitable for development.

Availability Summary

Landowner known.

Site ref: SS0076 **Site address:** Land North of Nethermayne, South of 35 Toucan Way, including car park and outbuildings at Basildon Golf Course

Site description **Site Area (h):** 2.02

Irregular shaped site located on the east side of Nethermayne. Largely covered in woodland and scrub, with a small area of hard standing. Basildon Golf course lies to the east, residential properties to the north and agricultural land to the south and west.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within an existing settlement area and considered to be suitable.

Availability Summary

Site submitted by landowner for HELAA.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Whilst not within an existing employment area or town centre the site is within the settlement and could be considered for B1 uses. The site is not considered to be suitable for B2 or B8 uses due to highways access and its close proximity to residential properties.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0077 **Site address:** Church Walk House, Church Walk, Basildon SS14 1EH

Site description **Site Area (h):** 0.11

Four storey 1960's constructed commercial office block, located within Basildon Town Centre on the south side of Great Oaks. The site lies to the west of a large multi storey car park, east of St. Martins Church, south of the Magistrates Court and to the north of a Marks and Spencer store. It has an access road to the rear.

Housing Development Potential

Whilst the site is within the settlement area it is less than 0.25ha in size and it is not adjacent to or within an existing employment area or town centre. Therefore the site is not considered to be suitable for employment use.

Availability Summary

Landowner is known and they do not want the site considered for employment uses

Site ref: SS0089 **Site address:** Open Space rear of 2-28 Wynters and rear of 1-17 Codenham Straight, Kingswood

Site description **Site Area (h):** 0.25

Largely square piece of amenity land with ancillary parking area located off of Codenham Straight in Basildon. The site contains children play equipment, largely laid to grass and is surrounded by residential terraces whose private rear gardens back directly onto the land. A few trees and shrubs are positioned along the peripheral boundaries of the site.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site includes land allocated as open space and therefore should be subject to an open space assessment. The site is considered to be suitable at this time.

Availability Summary

Landowner known.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Whilst not within an existing employment area or town centre the site is within the settlement and could be suitable for B1 uses. However the site is close to residential properties and therefore other employment uses would not be suitable.

Availability Summary

Landowner is known and they do not want the site considered for employment uses

Site ref: SS0090 **Site address:** Basildon Integrated Support Service (Lincewood County Infants School Annexe) High Road, Langdon Hills

Site description **Site Area (h):** 0.36

Single storey school buildings cover 50% of the site area, with the majority of the remainder of the site given over to hard surfacing. A row of mature trees screens the site from High Road.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within an existing settlement area and considered to be suitable.

Availability Summary

Landowner known.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Whilst not within an existing employment area or town centre the site is within the settlement and could be suitable for B1 uses. However the site is close to residential properties and therefore other employment uses would not be suitable.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0092 **Site address:** Land west of High Road and South of The Grove, Langdon Hills

Site description **Site Area (h):** 1.69

Irregular parcel of land comprising a building and scrubland. The site is bounded to the south by a public right of way, High Road to the east and the borough boundary to the west.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site includes land allocated as a SSSI therefore it is considered unsuitable at this time.

Availability Summary

Landowner known.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Whilst not within an existing employment area or town centre the site is within the settlement and could be suitable for B1 uses. Whilst adjacent to a residential area the size of the site could also allow for B1 uses to act as a buffer between residential properties and B2 and B8 uses. Highways access is from a B road.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0093 **Site address:** Land adjacent to 6 Lee Chapel Lane, Langdon Hills

Site description **Site Area (h):** 0.46

Rectangular parcel of land adjacent to the settlement boundary of Basildon. The site fronts Lee Chapel Lane and consists of scrubland. It is surrounded by fields and woodland to the south and east and residential properties to the west.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

Landowner known.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Whilst not within an existing employment area or town centre the site is within suitable proximity of a settlement and could be suitable for B1 uses. However due to highways access other employment uses would not be suitable.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0094 **Site address:** Superstore and Car Park, Mandeville Way, Laindon

Site description **Site Area (h):** 3.00

Largely square piece of land occupied by a Tesco supermarket, surface level car park and petrol filling station. The site is located on the west side of Highview Avenue, Laindon. Open green belt land lies to the west, modern residential properties to the south and east and a small strip of vacant scrubland to the north adjacent to the C2C railway line beyond this.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

There are no constraints that could not be overcome at present on the site and it is considered suitable at this time.

Availability Summary

Site submitted by landowner.

Employment Development Potential

Suitable: Yes **Available:** Yes

Suitability Summary

Whilst not within an existing employment area or town centre the site is within the settlement and could be suitable for B1 uses. Whilst adjacent to a residential area the size of the site could also allow for B1 uses to act as a buffer between residential properties and B2 and B8 uses. Highways access is from a B road.

Availability Summary

Site submitted by landowner.

Site ref: SS0096 **Site address:** Land at corner of Mandeville Way and West Mayne/North of 75-92 Menzies Avenue, Laindon

Site description **Site Area (h):** 0.59

Generally triangular shaped site predominantly covered in mature trees and shrubs except for a 15 metre deep strip of mowed grassland fronting Durham Road. The site performs an attractive natural buffer at the crossroads between housing to the southeast, light industry to the north and countryside to the west.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site includes land allocated as open space and therefore should be subject to an open space assessment. The site is considered to be suitable at this time.

Availability Summary

Yes. The site was submitted through the Call for Sites process by, or on behalf of, the landowner and they have confirmed their commitment to the site.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Whilst not within an existing employment area or town centre the site is within the settlement and could be suitable for B1 uses. Constraints on the site means that the only the section closest to residential properties could be suitable and therefore the site is not being considered for B2 and B8 uses.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0098 **Site address:** Land at Presidents Court, Hoover Drive, Laindon

Site description **Site Area (h):** 0.08

Small car park serving Presidents Court (mixed use development). The site is contains many mature trees along its boundaries. The area is predominately residential, with a community centre and neighbourhood shops to the west and east respectively.

Housing Development Potential

Suitable: Yes **Available:** No **Achievable:** NA

Suitability Summary

The site is within an existing settlement area and considered to be suitable.

Availability Summary

Landowner unknown, therefore site unavailable.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

Whilst the site is within the settlement area it is less than 0.25ha in size and it is not within an existing employment area or town centre. Therefore the site is not considered to be suitable for employment use.

Availability Summary

Landowner unknown, therefore site unavailable.

Employment Development Potential		
Suitable: Yes	Available: No	
Suitability Summary		
Whilst not within an existing employment area or town centre the site is within suitable proximity of a settlement and could be suitable for B1 uses. However due to highways access other employment uses would not be suitable.		
Availability Summary		
The landowners preference for the land does not include employment uses.		

Site ref: SS0131 **Site address:** Festival Leisure Retail Park, Cranes Farm Road

Site description **Site Area (h):** 13.39

Large site located on the north side of Cranes Farm Road, Basildon comprising a leisure complex, restaurants, hotels, bowling alley, fitness centre and cinema. The site lies to the east of a large lake in an established employment corridor area to the south of the A127 dual carriageway.

Housing Development Potential

Suitable: No **Available:** No **Achievable:** NA

Suitability Summary

The site is within an existing settlement area however it is identified as being in recreational and commercial use and would therefore not be suitable for housing.

Availability Summary

There has been no contact with the landowner in the last 5 years therefore the site is not available.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Part of the site is within an existing employment area. The site could be considered suitable for B1, B2 and B8 uses as it is accessed via an A road, however sequential and impact assessments would be required as the current use is recreational and leisure.

Availability Summary

There has been no contact with the landowner in the last 5 years therefore the site is not available.

Site ref: SS0133 **Site address:** 44 Yardley Business Park, Land bounded by Luckyn Lane and Miles Gray Road, Pippis Hill Industrial

Site description **Site Area (h):** 2.18

Housing Development Potential

Suitable: No **Available:** No **Achievable:** NA

Suitability Summary

The site is within an existing employment area and serves an ongoing employment function. Therefore it is not considered suitable for housing at this time

Availability Summary

Landowner preference for the land does not include residential uses.

Employment Development Potential

Suitable: Yes **Available:** Yes

Suitability Summary

The site is within an existing employment area and could be considered suitable for B1, B2 and B8 uses.

Availability Summary

Site submitted on behalf of landowner for HELAA 2019.

Site ref: SS0134 **Site address:** Land at north of Gloucester Park between, Basildon

Site description **Site Area (h):** 5.55

Large rectangular parcel of open space in the northwest corner of Gloucester Park, bounded by Upper Mayne (to the west) and Cranes farm Road (to the north). The site is a part of Gloucester Park and fronts the Sporting Village complex to the east. The site is predominantly laid to grass (previously used as a cricket pitch) but has a large number of trees around the boundary, together with a footpath. To the northwest corner is an access to a pedestrian underpass.

Housing Development Potential

Suitable: Yes **Available:** No **Achievable:** NA

Suitability Summary

The site includes land allocated as open space and therefore should be subject to an open space assessment. The site is considered to be suitable at this time.

Availability Summary

The site is occupied by existing uses and is not the intention of the landowner to develop the site for housing.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Subject to an open space assessment the site could be considered for employment uses. It is within the settlement area and accessed by an A road.

Availability Summary

The site is occupied by existing uses and is not the intention of the landowner to develop the site.

Site ref: SS0135 **Site address:** Gloucester Park, north of fishing lake and south of Sporting Village

Site description **Site Area (h):** 10.87

Large rectangular section of open space, laid to grass with boundary trees. Part of the northern section of the site has been incorporated into the Sporting Village, accommodating netball courts.

Housing Development Potential

Suitable: Yes **Available:** No **Achievable:** NA

Suitability Summary

The site is within the urban area and within good distance to most facilities, amenities and services. However, the site is an allocated, local authority owned open space which is occupied by utilised facilities which serve recreation and support the Sporting Village development. Therefore a PPG17 assessment to check its status before considering it further for allocation needs to be carried out.

Availability Summary

The site is occupied by existing uses and is not the intention of the landowner to develop the site.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Subject to an open space assessment the site could be considered for employment uses. It is within the settlement area and accessed by an A road.

Availability Summary

The site is occupied by existing uses and is not the intention of the landowner to develop the site.

Site ref: SS0136 **Site address:** Pipp's Hill Retail Park, Basildon

Site description **Site Area (h):** 7.29

Roughly rectangular shaped site running from north to south. The site lies on the east side of Upper Mayne, west of Miles Gray Road, north of Cranes Farm Road and south of Burches. The site comprises a large food superstore and around a dozen large retail warehouse units and stand alone restaurants around a surface level car park. There is some landscaping around the edge of the site.

Housing Development Potential

Suitable: No **Available:** No **Achievable:** NA

Suitability Summary

The site is located in an existing employment area and therefore it is considered unsuitable for housing.

Availability Summary

Landowner unknown, therefore site unavailable.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

The site is within an existing employment area and is within the settlement area. It could be considered suitable for employment use.

Availability Summary

Landowner unknown, therefore site unavailable.

Site ref: SS0137 **Site address:** 1-31 Runwell Road, Wickford

Site description **Site Area (h):** 0.44

Former Garage and car showroom site located northwest side of Runwell Road at its junction with Swan Lane. Construction underway for 84 apartments with commercial units at ground floor level, vehicular access and multi storey car parking to rear. The site backs onto Tennis Courts and Wickford Cricket Club to the north, with a three storey shopping parade with flats over to the south and other mixed commercial and residential uses to the west.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** No

Suitability Summary

The site is within an existing settlement area and considered to be suitable.

Availability Summary

Landowner known.

Employment Development Potential

Suitable: Yes **Available:** Yes

Suitability Summary

The site is within the town centre and could be considered for B1 and B2 uses. The site is not considered to be suitable for B8 uses due to highways access.

Availability Summary

Landowner known.

Site ref: SS0138 **Site address:** 1-15 London Road and Frasier's PH

Site description **Site Area (h):** 0.42

On the edge of Wickford Town Centre, this square site fronts London Road, close to the junction with Wickford High Street. The road frontage comprises a number of business units, with a mixed development to the rear of the site.

Housing Development Potential

Suitable: Yes **Available:** No **Achievable:** NA

Suitability Summary

The site is within an existing settlement area and considered to be suitable.

Availability Summary

Landowner unknown, therefore site unavailable.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

The site is within the town centre and could be considered for B1 and B2 uses. The site is also accessed via an A road and could be considered for B8 uses too.

Availability Summary

Landowner unknown, therefore site unavailable.

Site ref: SS0139 **Site address:** Open Space to the rear of 22-30 The Fold and opposite 24-30 Honeypot Lane, Fryerns

Site description **Site Area (h):** 0.19

Largely square shaped site area of open space located on the west side of Honeypot Lane, Basildon. Residential development surrounds the site on all sides, with a garage court to the south. The site comprises a number of trees and several low grass mounds.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site includes land allocated as open space and therefore should be subject to an open space assessment. The site is considered to be suitable at this time.

Availability Summary

Landowner known.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

Whilst the site is within the settlement boundary, it is less than 0.25ha in size and is not within an existing employment area or town centre. Therefore the site is not considered to be suitable for employment use.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0140 **Site address:** Open Space, East of Abbots Court and Chaplin Close, West of South Wash Road, Noak Bridge, Basildon

Site description **Site Area (h):** 0.84

Irregular shaped piece of open land located on the west side of South Wash Road, almost entirely laid to grass with hedgerow boundaries. Modern residential developments to both east and west side of the site. Open green belt land to the north beyond the remainder of the open space and a major roundabout traffic intersection of the A127 and Noak Hill Road to the south. A pair of goal posts exist on the site

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site includes land allocated as open space and therefore should be subject to an open space assessment. The site is considered to be suitable at this time.

Availability Summary

Landowner known.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is not considered to be suitable for employment uses due to highways access.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0141 **Site address:** Land at the junction of Fore Street and Bridge Street, Noak Bridge, Basildon

Site description **Site Area (h):** 0.10

Open piece of grassland located at the junction of Fore Street and Bridge Street, located centrally within the Noak Bridge Conservation Area. The site also comprises a single tree to its southern end. The site is surrounded by residential properties and forms part of the small urban village.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** No

Suitability Summary

The site is within an existing settlement area and considered to be suitable.

Availability Summary

Landowner known.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

Whilst the site is within the settlement area it is less than 0.25ha in size and it is not within an existing employment area or town centre. Therefore the site is not considered to be suitable for employment use.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0142 **Site address:** Pipp's Hill Farm, Land West of Pipp's Hill Road North, North of Southend Arterial road, Basildon

Site description	Site Area (h): 0.32
A small farmstead, West of Pipp's Hill Road and North of Southend Arterial Road. The site comprises a dwelling house, kennel block and a mobile home. A bus depot/commercial business exists on land to north of the site and grassland to the South. A couple of large trees exist along the front boundary.	

Housing Development Potential

Suitable: No	Available: Yes	Achievable: NA
---------------------	-----------------------	-----------------------

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

The site was put forward as part of the Call for Sites process. Following receipt of the site, the landownership details could be established.

Employment Development Potential

Suitable: No	Available: Yes
---------------------	-----------------------

Suitability Summary

The site is not within an existing employment area or town centre and is not within the suitable proximity of a settlement. The site is not considered to be suitable for employment use at this time.

Availability Summary

The site was put forward as part of the Call for Sites process. Following receipt of the site, the landownership details could be established.

Site ref: SS0143 **Site address:** Land adjacent to Courtauld Road

Site description	Site Area (h): 1.48
-------------------------	----------------------------

The site is bounded by the A127 in the north and adjoins a large sewerage works to the west and general industrial uses to the south and an integrated waste management facility to the east. Permission has been granted to develop the site for an indoor and outdoor shooting range.

Housing Development Potential

Suitable: No	Available: No	Achievable: NA
---------------------	----------------------	-----------------------

Suitability Summary

There are too many constraints to overcome therefore the site is unsuitable for housing.

Availability Summary

There has been no contact with the landowner within the last 5 years so the site is not considered available. The site is also within the 400m waste water treatment works buffer and therefore unsuitable for housing as recommended by Anglian Water.

Employment Development Potential

Suitable: Yes	Available: Yes
----------------------	-----------------------

Suitability Summary

The site is within the settlement and adjacent to existing employment areas and could be considered for B1 and B2 uses. The site is not considered to be suitable for B8 uses due to highways access.

Availability Summary

Landowner known.

Site ref: SS0144 **Site address:** Land adjacent Lympstone, Burnt Mills Road, Basildon

Site description **Site Area (h):** 0.43

Irregular shaped former garden centre site located on the north side of Burnt Mills Road, Basildon. Industrial estate surrounds the site on the north, east and west sides. A residential area lies to the south of site. The site is predominantly car parking.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

Part of the site is within an existing employment area and would therefore not be considered suitable for housing

Availability Summary

Planning application for residential development has been made on this site, permission expires Dec 2023 if works not started before then.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Part of the site is within an existing employment area and could be considered for B1 and B2 uses. The site is not considered to be suitable for B8 uses due to highways access and nearby residential properties.

Availability Summary

Planning application for residential development has been made on this site. Landowner has not put site forward in the HELAA for employment use.

Site ref: SS0145 **Site address:** Land adjacent to the Watermill, Burnt Mills Road, Pitsea

Site description **Site Area (h):** 0.72

Rectangular piece of land situated on the west side of Burnt Mills Road at its junction with Felmores. The site is predominantly open, largely laid to grass with some car parking in the northwest corner serving a Public house and hotel. Half a dozen trees are located on the land. A residential terrace occupies land to the east, The Watermill public house and a hotel on land to the west, Northlands Park to the south and further car parking and grassland/woodland to the north.

Housing Development Potential

Suitable: Yes **Available:** No **Achievable:** NA

Suitability Summary

The site includes land allocated as open space and therefore should be subject to an open space assessment. The site is considered to be suitable at this time.

Availability Summary

Landowner unknown, therefore site unavailable.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Subject to an open space assessment the site could be considered for employment uses. Whilst not within an existing employment area or town centre the site is within the settlement and could be suitable for B1 and B2 uses. The size of the site could allow for B1 uses to act as a buffer between residential properties and B2 uses. The site is not considered to be suitable for B8 uses due to highways access.

Availability Summary

Landowner unknown, therefore site unavailable.

Site ref: SS0147 **Site address:** Land at Parklands, rear of 5-29 Parkside, Northlands, Basildon

Site description **Site Area (h):** 0.35

Largely square piece of land on north side of Park Side. The land is grassed with some scrubland, and trees to periphery. Largely surrounded by residential terraces with open parkland to the southwest and a large electricity sub-station to the south. A small sub-station appears to exist in the north east corner of the site.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within the existing settlement. It includes land allocated as open space and therefore should be subject to an open space assessment. The site is considered to be suitable at this time.

Availability Summary

Landowner known.

Employment Development Potential

Suitable: Yes **Available:** Yes

Suitability Summary

The site is within the settlement area and subject to an open space assessment could be considered for B1 uses. However the site is close to residential properties and therefore other employment uses would not be suitable.

Availability Summary

Landowner known.

Site ref: SS0148 **Site address:** Open Space at junction of Ashlyns and Cheshunts, adjacent to/to the rear of 1-5 Cheshunts and 133 Cheshunts, Felmores, Basildon

Site description **Site Area (h):** 1.88

Largely wooded parcel of public open space located on the south side of Ashlyns, Basildon. Although the entire open space extends between Chestnuts and Mill Green and south to the Chalvedon Community Centre, the area submitted for the HELAA extends from Chestnuts to Ashlyns, with the eastern boundary following the line of a footpath south where it becomes level with existing dwellings, rather than extending to the Community Centre. The site is surrounded by residential properties to the west, south and east, with Northlands Park to the north.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within the existing settlement. It includes land allocated as open space and therefore should be subject to an open space assessment. The site is considered to be suitable at this time.

Availability Summary

Landowner known.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

The site is within the settlement and subject to an open space assessment could be suitable for B1 and B2 uses. The site is not considered to be suitable for B8 uses due to highways access.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0149 **Site address:** Open space adjacent to Great Chalvedon Hall opposite 31-57 Tyefields, Basildon

Site description **Site Area (h):** 1.06

Large square piece of public open space located on the south side of Ashlyns, Basildon. Residential properties surround the site to the north, south and east, with Great Chalvedon Hall and further parkland to the west. The site is largely woodland/shrubland with some grassland and comprises the confluence of five footpaths that cross the site.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within the existing settlement. It includes land allocated as open space and therefore should be subject to an open space assessment. The site is considered to be suitable at this time.

Availability Summary

Landowner known

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

The site is within the settlement area and subject to an open space assessment could be considered for B1 uses. However the site is close to residential properties and therefore other employment uses would not be suitable.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0150 **Site address:** Land at North of 36 Popes Crescent, Pitsea

Site description **Site Area (h):** 0.33

The site is part of a larger open space located within a residential area, close to Pitsea TC and North East of Pitsea Junior School. It has a narrow trapezoid shape. It contains a footpath lined with semi-mature trees

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site includes land allocated as open space and therefore should be subject to an open space assessment. The site is considered to be suitable at this time.

Availability Summary

Landowner known.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Subject to an open space assessment the site could be considered for employment B1 uses however the site is close to residential properties and therefore other employment uses would not be suitable

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0152 **Site address:** Land to the south of Wickford Avenue, east of Medical Centre

Site description **Site Area (h):** 0.36

Irregular shaped site on the south side of Wickford Avenue, Pitsea, containing the Dipple Medical Centre (three linked buildings) on the edge of Pitsea Town Centre. Basildon Upper Academy is directly to the north, with residential to the east and west.

Housing Development Potential

Suitable: Yes **Available:** No **Achievable:** NA

Suitability Summary

The site includes land allocated as open space and therefore should be subject to an open space assessment. The site is considered to be suitable at this time.

Availability Summary

There has been no contact with the landowner in the last 5 years therefore the site is not available.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Subject to an open space assessment the site could be considered for B1 uses. The site is not considered to be suitable for B2 or B8 uses due to highways access and proximity to residential properties.

Availability Summary

There has been no contact with the landowner in the last 5 years therefore the site is not available.

Site ref: SS0154 **Site address:** 1-12 Broadway North, Pitsea, Basildon

Site description **Site Area (h):** 0.40

The site is a parcel of land on the north side of High Road, in the centre of Pitsea. Broadway North comprises a parking bay and bus stop fronting a medium size building of functional design, with retail units beneath office/ storage rooms. There is a garage court area to the rear of the building, with access from Rectory Park Drive.

Housing Development Potential

Suitable: Yes **Available:** No **Achievable:** NA

Suitability Summary

The site is within an existing settlement area and within a town centre and considered to be suitable.

The site was put forward as part of the Call for Sites process. Following receipt of the site, the landownership details could be established.

Employment Development Potential

Suitable: Yes **Available:** Yes

Suitability Summary

The site is within an existing employment area and could be considered for B1, B2 and B8 uses.

Availability Summary

The site was put forward as part of the Call for Sites process. Following receipt of the site, the landownership details could be established.

Site ref: SS0168 **Site address:** Open Space, Community Hall and garages, r/o 3-83 Langham Crescent, Great Burstead

Site description **Site Area (h):** 0.65

Site is public open space within a residential area in Great Burstead. It comprises an access road flanked by garages, opening out into a car park adjacent to the community hall, a children's playing area, and open space large enough for a football pitch. The main playing field area is triangular in shape. The site is bounded by residential development. Much of the site's boundary is delineated by mature trees. Pedestrian access can be gained via a footpath adj. to No. 17 Langham Crescent. Development Plan: Allocated as Existing Open Space in the BDLP 1998

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within the settlement but includes land allocated as open space and therefore should be subject to an open space assessment. The site is considered to be suitable at this time.

Availability Summary

Landowner known.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Subject to an open space assessment. Whilst not within an existing employment area or town centre the site is within the settlement and could be suitable for B1 uses. However the site is close to residential properties and therefore other employment uses would not be suitable.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0169 **Site address:** Open space at Passingham Close, to the rear of 40-58 Passingham Avenue and r/o 20-24 Froden Brook, South Green

Site description **Site Area (h):** 0.32

Southern third of an area of open space between Froden Brook and Passingham Avenue. Adjacent open space area is the playing field for South Green J&I Schools. The area is predominantly laid to grass, with children's play equipment to the northeast and southeast, and footpaths connecting to surrounding residential. The boundaries are formed by hedges and trees, with TPOs on 4 trees to the western edge. There is a large mature tree at the northern most corner of the site (not subject of TPO).

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within the settlement but includes land allocated as open space and therefore should be subject to an open space assessment. The site is considered to be suitable at this time.

Availability Summary

The site was put forward as part of the Call for Sites process. Following receipt of the site, the landownership details could be established.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Subject to an open space assessment. Whilst not within an existing employment area or town centre the site is within the settlement and could be suitable for B1 uses. However the site is close to residential properties and therefore other employment uses would not be suitable.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0171 **Site address:** Open Space opposite 40-68 Wickhay, Lee Chapel North

Site description **Site Area (h):** 0.25

Rectilinear parcel of open space predominantly laid to grass, containing several mature trees, play equipment and a pathway. The site is within a residential area, fronted by dwellings along the east boundary, providing a buffer between the dwellings and the playing fields of the Anne Line RC Primary School.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within the settlement but includes land allocated as open space and therefore should be subject to an open space assessment. The site is considered to be suitable at this time.

Availability Summary

The site was submitted by the landowner through the Call for Sites process.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Whilst not within an existing employment area or town centre the site is within the settlement and could be suitable for B1 uses, subject to an open space assessment. However the site is close to residential properties and therefore other employment uses would not be suitable.

Availability Summary

Landowner is known and they do not want the site considered for employment uses

Site ref: SS0172 **Site address:** Open space at r/o 19-39 Cunningham Drive, 2-10 Logan Link, 5-6 Brodie Walk and 10-12 Nicholson Grove

Site description **Site Area (h):** 0.41

Square area of open space. One of the last areas of open space in The Wick.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site includes land allocated as open space and therefore should be subject to an open space assessment. The site is considered to be suitable at this time.

Availability Summary

The site was submitted by the landowner through the Call for Sites process.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Whilst not within an existing employment area or town centre the site is within the settlement and could be suitable for B1 uses. However due to highways access and its close proximity to residential properties other employment uses would not be suitable.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0173 **Site address:** Open space between Maitland Rd, Scott drive and The Broadway, the Wick Wickford

Site description **Site Area (h):** 0.97

Woodland area next to Oakfield County primary School. This attractive, mixed broadleaved woodland has a number of laid paths running through it enabling community access. It is one of the last remaining open spaces within The Wick development.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site includes land allocated as open space and therefore should be subject to an open space assessment. The site is considered to be suitable at this time.

Availability Summary

This site was submitted through the Call For Sites process by the landowner.

Employment Development Potential

Suitable: Yes **Available:** Yes

Suitability Summary

Whilst not within an existing employment area or town centre the site is within the settlement and, subject to an open space assessment, could be suitable for B1 uses. However due to highways access and its close proximity to residential properties other employment uses would not be suitable.

Availability Summary

This site was submitted through the Call For Sites process by the landowner.

Site ref: SS0174 **Site address:** Open space at Apple Tree Way between Pippin Court & St Catherine's Court, Wickford

Site description **Site Area (h):** 0.16

Irregular shaped amenity open space and parking bay at the end of Apple Tree Way, approx 28m wide by 65m long. Predominantly grassed, with paths crossing the area. Leads to a pedestrian access onto Southend Rd.

15+ properties face onto the open space.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site includes land allocated as open space and therefore should be subject to an open space assessment. The site is considered to be suitable at this time.

Availability Summary

This site was submitted through the Call For Sites process by the landowner.

Employment Development Potential

Suitable: No **Available:** Yes

Suitability Summary

Whilst the site is within the settlement area it is less than 0.25ha in size and it is not adjacent to or within an existing employment area or town centre. Therefore the site is not considered to be suitable for employment use.

Availability Summary

This site was submitted through the Call For Sites process by the landowner.

Site ref: SS0176 **Site address:** Open Space adjacent to 63 Hollyford, 13 Longtail & 5 Dunfane, Billericay

Site description **Site Area (h):** 0.15

Irregular shaped amenity open space at the junction of Hollyford and Longtail. The area is grassed and has a mature tree in the centre. A path crosses the area and cuts through from Longtail to Stock Road. The area is predominantly residential and a large playing field and school are located to the south.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site includes land allocated as open space and therefore should be subject to an open space assessment. The site is considered to be suitable at this time.

Availability Summary

This site was submitted through the Call For Sites process by the landowner.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

Whilst the site is within the settlement area it is less than 0.25ha in size and it is not within an existing employment area or town centre. Therefore the site is not considered to be suitable for employment use.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0177 **Site address:** Land at 157-167 Nevendon Road, Wickford

Site description **Site Area (h):** 0.53

Single storey flat roofed Shopping parade of 6 units set back from, but fronting onto, Nevendon Road with small car park in front comprising 26 vehicle spaces. To the rear of this lies the hammerhead of Kershaw Close, comprising further car parking, and a single storey flat roofed community hall building adjacent to this.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

Site has been through planning process and found suitable for a housing development.

Availability Summary

The site was submitted through the Call for Sites process.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Whilst not within an existing employment area or town centre the site is within the settlement and could be suitable for B1 uses. However due to highways access and its close proximity to residential properties other employment uses would not be suitable.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0178 **Site address:** Land rear of 13 and 13a Valley Road, Billericay CM11 2BS

Site description **Site Area (h):** 0.02

Small site comprising part of two no. back gardens in a residential area. Two no. owners. Rear of the gardens is an access drive to a garage court. Identified in UCS 2004.
Development Plan: Allocated as an area of no notation in the BDLP 1998

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within the settlement boundary, it is therefore considered suitable.

Availability Summary

Site submitted by landowner.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

Whilst the site is within the settlement area it is less than 0.25ha in size and it is not within an existing employment area or town centre. Therefore the site is not considered to be suitable for employment use.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0179 **Site address:** Land at rear of 215 Pound Lane, North Benfleet

Site description **Site Area (h):** 0.04

Square shaped site forming the rear garden of 215 Pound Lane comprising a parking area with a street frontage to Katherine Road.

Housing Development Potential

Suitable: Yes **Available:** No **Achievable:** NA

Suitability Summary

The site is within an existing settlement area and considered to be suitable.

Availability Summary

Landowner unknown, therefore site unavailable.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is less than 0.25ha in size, it is not adjacent to or within an existing employment area or town centre. Therefore the site is not considered to be suitable for employment use.

Availability Summary

Landowner unknown, therefore site unavailable.

Site ref: SS0181 **Site address:** Laindon Town Centre/shopping centre, Laindon High Road

Site description **Site Area (h):** 4.72

Town centre site comprising the Laindon Centre (shopping centre), with car parks to the east and south with significant landscaping around the site. The site also contains a three/four storey office block towards the south. Redevelopment of the site for mixed use including residential, food store, retail, employment, leisure and open space has been granted.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within an existing settlement area and within a town centre and considered to be suitable.

Availability Summary

Planning permission for residential development has been granted.

Employment Development Potential

Suitable: Yes **Available:** Yes

Suitability Summary

The site is within the town centre and could be considered for B1 uses. Whilst adjacent to a residential area the size of the site could allow for B1 uses to act as a buffer between residential properties and B2 uses. The site is not considered to be suitable for B8 uses due to highways access.

Availability Summary

Planning permission for mixed use including employment, leisure and retail has been granted.

Site ref: SS0182 **Site address:** Land adjacent to the south side of Cranes Farm Road, Basildon, from Ghyllgrove to the field of Pendle Drive/ Pendle Close

Site description **Site Area (h):** 0.96

Linear site located on the south side of Cranes Farm Road. Residential properties occupy the area to the south along with further public open space to the west. The site is predominantly laid to grass but also comprises several groups of trees and hedges. To the north of the site lies an established employment corridor comprising numerous industrial/commercial enterprises, a comprehensive development area and the Festival Leisure Park, comprising hotels, restaurants and a cinema.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site includes land allocated as open space and therefore should be subject to an open space assessment. The site is considered to be suitable at this time.

Availability Summary

Site submitted by landowner and amended for HELAA 2016.

Employment Development Potential

Suitable: Yes **Available:** Yes

Suitability Summary

Whilst not within an existing employment area or town centre the site is within the settlement and could be considered for B1, B2 and B8 uses providing B1 uses act as a buffer between residential properties and B2 and B8 uses. The site could be accessed from an A road via an existing junction.

Availability Summary

Site submitted by landowner and amended for HELAA 2016.

Site ref: SS0183 **Site address:** Mayflower Retail Park, including Tesco store and adjoining restaurants

Site description **Site Area (h):** 7.30

Rectangular site located on the south side of the A127 Arterial Road comprising a Tesco superstore at its western end and several retail warehouses and stand alone restaurants. Various employment generating commercial and industrial uses on surrounding hinterland to east and west. Rural green belt land to the north beyond the dual carriageway. Leisure, commercial and residential development to the south.

Housing Development Potential

Suitable: No **Available:** No **Achievable:** NA

Suitability Summary

The site is within an existing settlement area and considered to be suitable.

Availability Summary

Landowner unknown, therefore site unavailable.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Site is adjacent to an existing employment area and could be considered suitable for B1, B2 and B8 uses.

Availability Summary

Landowner unknown, therefore site unavailable.

Site ref: SS0186 **Site address:** Sainsbury's, Cricketers Way, Nevendon

Site description **Site Area (h):** 3.88

Large parcel of land within the urban area of Basildon at the junction of the A127 and East Mayne. The site is currently occupied by a Sainsbury's store and refilling station.

Housing Development Potential

Suitable: No **Available:** No **Achievable:** NA

Suitability Summary

The site is located within the cordon sanitaire of a waste water treatment works and therefore in accordance with the HELAA methodology, this site is not considered to be suitable.

Availability Summary

Landowner unknown, therefore site unavailable.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Whilst not within an existing employment area or town centre the site is within suitable proximity of a settlement and could be considered for B1, B2 and B8 uses. The site is accessed via an unclassified road directly on to an A road.

Availability Summary

Landowner unknown, therefore site unavailable.

Site ref: SS0188 **Site address:** Land adj 15 New Century Road, Laindon

Site description **Site Area (h):** 0.13

Largely square shaped site located on the south side of New Century Road, Laindon. The site lies just within the town centre, adjacent to Laindon Library, in an otherwise residential street comprising chalets and bungalows. The site is presently covered in trees and scrub.

Housing Development Potential

Suitable: Yes **Available:** No **Achievable:** NA

Suitability Summary

The site is within an existing settlement area and considered to be suitable.

Availability Summary

Landowner unknown, therefore site unavailable.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Whilst the site is less than 0.25ha it is located within the town centre and could be considered for B1 uses. The site is not considered to be suitable for B2 and B8 uses due to its size and proximity to residential areas and highways access.

Availability Summary

Landowner unknown, therefore site unavailable.

Site ref: SS0189 **Site address:** Maitland Lodge, Southend Road, Great Burstead

Site description **Site Area (h):** 1.48

The site is located to the rear of the properties facing Mill Road to the north and contains an existing residential property part of a small ribbon of development adjacent to Southend Road within the Green Belt. To the south and west are open fields.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

Landowner known.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

The site is within proximity to a settlement and could be considered for B1 uses. Whilst adjacent to a residential area the size of the site could also allow for B1 uses to act as a buffer between residential properties and B2 and B8 uses.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0190 **Site address:** Roseview, Burnt Mills Road, and land to rear of Rose View, Basildon SS13 1DY

Site description **Site Area (h):** 0.66

Site consists of a dwelling house fronting Burnt Mills Road and a storage area (description taken from CFS submission) behind the dwelling, which has access via a thin track alongside a neighbouring dwelling (Rivendell). The site is therefore mostly rectangular, but with a gap at the road frontage where it wraps around Rivendell.

The land contains a number of buildings and structures, although with the exception of the dwelling house it is uncertain how substantial these are. The site is surrounded by open space and a small run of residential dwellings to the west. To the northwest is the Burnt Mills industrial estate.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** No

Suitability Summary

The site is within the Green Belt, but it lies within suitable proximity of a settlement. Based on the size and location of the site it is considered the site could be redeveloped to provide 1 additional dwelling, otherwise it would conflict with local policy and constitute backland development.

Availability Summary

Landowner known.

Employment Development Potential

Suitable: Yes **Available:** Yes

Suitability Summary

Whilst not within an existing employment area or town centre the site within suitable proximity of a settlement. It is therefore considered suitable at this time and could be suitable for B1 uses. However due to highways access and its close proximity to residential properties other employment uses would not be suitable.

Availability Summary

Landowner known.

Site ref: SS0191 **Site address:** Land north of Vange Primary School and Basildon zoo

Site description **Site Area (h):** 15.02

The site comprises three rectangular fields laid to grass, separated by hedgerows which also contain a number of trees. Basildon Golf Course is to the north and east and former Basildon Zoo site and Vange Primary School and to the south. The area is on the green belt boundary with Vange, close to the A13/Nethermayne junction.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

Site submitted by landowner for HELAA.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is not within an existing employment area or town centre and the existing highways access is not considered suitable. The site is not considered to be suitable.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0192 **Site address:** Land rear of, and including, Ravenscroft and Saremma, Gardiners Lane North, Crays Hill, Billericay

Site description **Site Area (h):** 0.97

An irregular shaped parcel of land situated to the east of Gardiners Lane North. The site comprises the dwellinghouse, Saremma and associated outbuildings.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. Development on this site would however constitute backland development which would not comply with local policy. The site is therefore unsuitable.

Availability Summary

This site was submitted through the Call For Sites process by the landowner.

Employment Development Potential

Suitable: Yes **Available:** Yes

Suitability Summary

Whilst not within an existing employment area or town centre the site is adjacent to the settlement and could be suitable for B1 uses. Adjacent to a residential area the size of the site could also allow for B1 uses to act as a buffer between residential properties and B2 uses. The site is not considered to be suitable for B8 uses due to highways access.

Availability Summary

This site was submitted through the Call For Sites process by the landowner.

Site ref: SS0193 **Site address:** 3 Kenilworth Close, South of the railway line, Billericay

Site description **Site Area (h):** 0.34

Small irregular shaped plot of land off the Kenilworth Close Cul-de-sac roundabout. The site has a few existing built developments towards the front and back of the site (chalet at front, stable at rear). The site is the dwelling and garden of 3 Kenilworth Close and is predominantly grassland with a few trees. The site is located to the east of Billericay, and the railway to the London Liverpool Street Railway line is to the north.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

More than half of the site is within the Green Belt, however it lies within suitable proximity of a settlement. Development on this site would however constitute backland development which would not comply with local policy. The site is therefore unsuitable.

Availability Summary

Site submitted by landowner for HELAA.

Employment Development Potential

Suitable: Yes **Available:** Yes

Suitability Summary

Whilst not within an existing employment area or town centre the site is within proximity to the settlement and could be suitable for B1 uses. However the site is close to residential properties and therefore other employment uses would not be suitable.

Availability Summary

Site submitted by landowner for HELAA.

Site ref: SS0194 **Site address:** Noak Hill Golf Course, 187 Noak Hill Road

Site description **Site Area (h):** 6.24

The site is an irregular parcel of land which is currently a Golf Course, including associated buildings, located to the east of the properties facing Noak Hill Road. Apart from this ribbon of development the site is surrounded by open fields outside the settlement boundary.

Housing Development Potential

Suitable: No **Available:** No **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is therefore unsuitable.

Availability Summary

Access to site is not suitable for housing development. There has also been no contact with the landowner in the last 5 years therefore the site is not available.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is not within an existing employment area or town centre and the existing highways access is not considered suitable. The site is not considered to be suitable.

Availability Summary

There has been no contact with the landowner in the last 5 years therefore the site is not available.

Site ref: SS0195 **Site address:** Downham View Farm, 47 Castledon Road, to rear of Studland Avenue and Southbourne Grove, Wickford

Site description **Site Area (h):** 2.24

Site is located to the north of Wickford, positioned between Castledon Road and plotland properties. The site is accessed via a small track and contains several light industrial units around a yard area. The site is predominantly grazing land and some scrubland. The river Crouch runs through the western part of the site. It is bounded by many substantial trees. The land falls away gradually to the river by between 2 and 4 metres. The site area has been amended to reflect the western part of the site located in Flood Zone 3b.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

Landowner known.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Whilst not within an existing employment area or town centre the site is in proximity to the settlement and could be suitable for B1 uses. Whilst adjacent to a residential area the size of the site could also allow for B1 uses to act as a buffer between residential properties and B2 uses. The site is not considered to be suitable for B8 uses due to highways access.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0196 **Site address:** Land at The Briars, Church Road, Ramsden Bellhouse, Billericay CM11 1R

Site description **Site Area (h):** 1.18

Rectangular parcel of land situated to the rear of 11 residential properties and is accessible via 'The Briars' which has also been included as part of another site. The majority of the land appears to be used for amenity purposes in relation to the dwellinghouse. The northern and western boundaries of the site are made up of agricultural fields whilst the eastern and southern boundaries are lined with residential properties.

Housing Development Potential

Suitable: No **Available:** No **Achievable:** NA

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. Development on this site would however constitute backland development which would not comply with local policy. The site is therefore unsuitable.

Availability Summary

This site was submitted through the Call For Sites process by the landowner however there is no highways access. Therefore it is unavailable.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

Whilst not within an existing employment area or town centre the site is within suitable proximity of a settlement. However there is no highways access to the site and therefore it is not suitable for employment use.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0197 **Site address:** Alpha Garden Centre, London Road, Wickford

Site description **Site Area (h):** 3.03

The site is an irregular shaped piece of land within a plotland enclave to the west of Wickford. The site comprises mainly of a garden centre with ample parking and fields to the north. To the north of the site is the River Crouch which has led to some potential flood zone implications and the site area has been amended accordingly to exclude flood zone 3b.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

Site submitted by landowner for HELAA.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Whilst not within an existing employment area or town centre the site is within suitable proximity of a settlement and could be considered for B1, B2 and B8 uses. The site is accessed via an A road.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0198 **Site address:** Thatched Cottage and Land to the rear of Thatched Cottage, Southend Road, South Green

Site description **Site Area (h):** 2.55

Single residential dwelling house located on a large rectangular shaped plot on the east side of Southend Road, Billericay with a further square shaped grassland field located to the east of this, separated by a drainage ditch. The plot is located to the south east of the main settlement of South Green and is open and rural in character. The residential property comprises a detached garage at its south side and is located on a plot comprising several mature trees. To the north and west are established residential areas and a listed farm house, whilst to the east the land is open countryside, with sporadic dwellings, a primary school and further countryside to the south.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

Site submitted by landowner for HELAA.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Whilst not within an existing employment area or town centre the site is within proximity to a settlement and could be considered for B1, B2 and B8 uses. The site is accessed via an A road.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0199 **Site address:** Land rear of 31 and 33 Mountnessing Road, Billericay CM12 9EX

Site description **Site Area (h):** 0.50

Two narrow linear plots of land forming the extended rear gardens to properties 31 and 33 Mountnessing Road, Billericay. The land projects beyond the urban limits of Billericay into the adjoining rural Green Belt. The site comprises mostly grassland with intervening hedges and trees, comprising oak, field maple and lombardy poplar amongst others. Several small domestic sheds/summerhouses also exist in both gardens.

Housing Development Potential

Suitable: Yes **Available:** No **Achievable:** NA

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

This site was submitted through the Call For Sites process by the landowner. However no access to site, therefore site is unavailable.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is not suitable as there is no access to the site.

Availability Summary

This site was submitted through the Call For Sites process by the landowner. However no access to site, therefore site is unavailable.

Site ref: SS0200 **Site address:** 27 Mountnessing Road, Billericay, inclusive of land at rear

Site description **Site Area (h):** 0.26

Narrow linear site located on the west side of Mountnessing Road, Billericay. The site comprises a chalet fronting the road within in residential street, but backing onto rural land and fields. The rear garden projects beyond the urban limits of Billericay into the adjoining rural Green Belt, and is largely composed of grassland and several trees.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is mainly within the Green Belt, however it lies within suitable proximity of a settlement. Development on this site would however constitute backland development which would not comply with local policy. The site is therefore unsuitable.

Availability Summary

This site was submitted by the landowner.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

Whilst the site is partly within a settlement area it is too narrow to be considered suitable for employment use.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0201 **Site address:** Land rear of 5 Kenilworth Close and no. 6 Kenilworth Close, Billericay

Site description **Site Area (h):** 0.44

The site comprises two irregular shaped plots of land in residential garden usage. Both plots are significantly larger than is typical in Billericay and both comprise predominantly grassland and several trees, mostly fruiting or other semi-mature type. A large pond exists on the land to the rear of no. 5, whilst no. 6 also comprises the dwelling house and garage fronting onto Kenilworth Close cul-de-sac. The rear gardens mainly project beyond the urban limits of Billericay into the adjoining rural Green Belt.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. Development on this site would however constitute backland development which would not comply with policy. The site is therefore unsuitable.

Availability Summary

Yes. This site was submitted through the Call For Sites process by the landowner.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Whilst not within an existing employment area or town centre the site is within suitable proximity of a settlement and could be suitable for B1 uses. However due to highways access and its close proximity to residential properties other employment uses would not be suitable.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0202 **Site address:** No 53 Castledon Road and Land from rear of No 53 to rear of No 81, Castledon Road, Wickford

Site description **Site Area (h):** 2.29

Large irregular shaped site located on the west side of Castledon Road, Wickford, bordered by the River Crouch to the north and west, further grazing land to the south and a ribbon development of residential properties to the east. A small light industrial yard lies on land to the south. The site comprises predominantly grassland, several trees and hedgerows, a stable block and hay store, along with a chalet fronting Castledon Road. The land falls gradually down to the river by 2 to 4 metres. The site area has been amended to exclude land within flood zone 3B.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

Landowner known.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Whilst not within an existing employment area or town centre the site is within proximity to a settlement and could be suitable for B1 uses. However due to highways access and its close proximity to residential properties other employment uses would not be suitable.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0203 **Site address:** Bluebell Lodge, Mountnessing Road, Billericay

Site description **Site Area (h):** 0.06

Largely square shaped site located at the western end of the settlement of Billericay, adjoining farmland to the west. The site comprises a detached dwelling house, garage block and stables. Part of site is located within the Green Belt.

Housing Development Potential

Suitable: Yes **Available:** No **Achievable:** NA

Suitability Summary

Part of the site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

Landowner unknown, therefore site unavailable.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is within a suitable proximity of a settlement, however the site is not larger than 0.25ha and therefore is not suitable for employment use.

Availability Summary

Landowner unknown, therefore site unavailable.

Site ref: SS0205 **Site address:** Pine Cottage, Church Road, Ramsden Bellhouse

Site description **Site Area (h):** 0.15

The site is a small rectangular plot of land which is currently home to a residential property which sits approximately 62m back from Church Road within the Green Belt.

Housing Development Potential

Suitable: No **Available:** No **Achievable:** NA

Suitability Summary

Part of the site is within the Green Belt. Development on this site would also constitute backland development which would not comply with local policy. The site is therefore unsuitable.

Availability Summary

Landowner unknown, therefore site unavailable.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is less than 0.25ha in size and it is not within an existing employment area, town centre or suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

Landowner unknown, therefore site unavailable.

Site ref: SS0206 **Site address:** Wickford Memorial Park Community Hall and Car Park, Rettendon View

Site description	Site Area (h): 0.22	
Part of Wickford Memorial Park. Site is currently a community hall, with associated car park, and a garage court. In addition, part of the open space to the west, allocated Green Belt, is included in the site. Mature trees on south & north boundaries of site. Definitive footpath runs along southern boundary of site, across the vehicular access point and in front of southern row of garages, and then along eastern boundary.		
Housing Development Potential		
Suitable: Yes	Available: Yes	Achievable: Yes
Suitability Summary		
The site includes land allocated as open space and therefore should be subject to an open space assessment. The site is largely within the settlement and is considered to be suitable at this time.		
Availability Summary		
Landowner known.		
Employment Development Potential		
Suitable: No	Available: No	
Suitability Summary		
Whilst the site is largely within the settlement area it is less than 0.25ha in size and it is not adjacent to or within an existing employment area or town centre. Therefore the site is not considered to be suitable for employment use.		
Availability Summary		
Landowner is known and they do not want the site considered for employment uses.		

Site ref: SS0207 **Site address:** Farm land east of Pound Lane, North Benfleet

Site description	Site Area (h): 121.23	
Large fairly flat area of farmland located on the east side of Pound Lane, North Benfleet which is primarily located within flood zone 1. The land is composed of several hedge enclosed arable fields and several farm buildings, barns etc around a central farmhouse and associated cottages set on slightly raised ground. The farm is very open in character, within a countryside comprising setting, surrounded by sporadic residential related uses and other farmland. An NHS institution also lies on land to the north and the old parish church of North Benfleet is located within the farmstead. Some 35.7ha of the land along the west side of the farm fronting Pound Lane had originally been submitted for housing in the HELAA process. The site boundaries have been amended to incorporate the remainder of the farm, including an 'L' shaped field to the north, and to exclude the area in the east now comprising the A130/Sadlers Farm junction bypass.		
Housing Development Potential		
Suitable: Yes	Available: Yes	Achievable: Yes
Suitability Summary		
The site is within the Green Belt, however part of the site lies within suitable proximity of a settlement. It is therefore considered suitable at this time. The two smaller areas of land to the west that lie within suitable proximity of the settlement could form an urban extension to the existing development and provide 84 dwellings.		
Availability Summary		
This site was submitted through the Call For Sites process by the landowner.		
Employment Development Potential		
Suitable: Yes	Available: No	
Suitability Summary		
Whilst not within an existing employment area or town centre the site is within suitable proximity of a settlement and could be considered for B1 and B2 uses. The site is not considered to be suitable for B8 uses due to highways access.		
Availability Summary		
Landowner is known and they do not want the site considered for employment uses		

Site ref: SS0208 **Site address:** Hovefields on Southern Arterial Road, North Benfleet

Site description **Site Area (h):** 7.28

The site is predominantly given over to dairy and arable farming and is a green field with hedgerows at the boundaries. The A127 Southend Arterial Road is adjacent (to the north); a 16 plot gypsy site comprising a number of permanent and temporary structures is immediately to the east; substantial business development to the west (part of the A127 corridor); immediately to the south are a few open fields. The land is flat.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

This site was submitted by the landowner.

Employment Development Potential

Suitable: Yes **Available:** Yes

Suitability Summary

The site is within proximity to a settlement and adjacent to an employment area. Access to the site would be through SS0504 as part of a larger development area. Therefore it is suitable for development.

Availability Summary

This site was submitted by the landowner.

Site ref: SS0209 **Site address:** Novem Kennels, Southend Arterial Rd, North Benfleet SS12 9JG

Site description **Site Area (h):** 0.34

Small rectangular shaped site located in a semi-rural setting to the south of the A127 Arterial Road in North Benfleet. The wider area comprises several sporadic residential properties, a large garden centre, a modern mental health unit accessed from Pound Lane to the west, a small gypsy site and some small scale commercial businesses. There are also two small copses and drainage ditches.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

This site was submitted by the landowner.

Employment Development Potential

Suitable: No **Available:** Yes

Suitability Summary

The site is not within an existing employment area or town centre and it is not within suitable proximity of a settlement. The site is not considered to be suitable for employment use at this time.

Availability Summary

This site was submitted by the landowner.

Site ref: SS0210 **Site address:** Land east of Tyefields, south of Burnt Mills Road, Basildon

Site description **Site Area (h):** 51.04

Large irregular area of agricultural land located immediately to the east of the Basildon settlement, south west of the plotlands. The land consists of arable fields, with a number of ponds dotting the landscape. There are five properties included within the site, including Little Chalvedon Hall. Little Chalvedon Hall is part of the farm facilities in the east of the site, which is surrounded by a number of large farm facilities / structures clustered around the hall. The land is reasonably flat. There are a number of boundary ditches and trees within the site.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** No

Suitability Summary

The site is within the Green Belt, however some of it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

Landowner known.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

•Whilst the site is within suitable proximity of a settlement it is not within an employment area or a town centre and access is via a private road. It is considered to be unsuitable for employment use due to highways access.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0211 **Site address:** Land south of Burnt Mills Road, North of Rushley Park, Basildon

Site description **Site Area (h):** 0.75

Small rectangular site southeast of Rushley Park. The site is an open field that can be accessed through Rushley Park and from a neighbouring field to the east. The site is grassed, with dense boundary hedges. To the east of the site are fields. To the south is an area of scrubland. To the immediate west is a small parcel of woodland and beyond is a part of Rushley Park, then the urban area of Basildon. There is no easy access to the site.

Housing Development Potential

Suitable: Yes **Available:** No **Achievable:** NA

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

The site was put forward as part of the Call for Sites process. Following receipt of the site, the landownership details could be established. However there is no access to site, therefore site is unavailable.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

There is no access to the site, therefore it would not be suitable for B1, B2 or B8 uses.

Availability Summary

Landowner preference for the land does not include employment uses. There is also no access to site, therefore site is unavailable.

Site ref: SS0212 **Site address:** Ravensbourne, Land east of Tyefields, south of Burnt Mills Road, north of Trenham Avenue, Basildon SS13 1AB

Site description **Site Area (h):** 0.45

Small square of grassland, woodland and one residential property. To the south is a parcel of land filled with woodland, with farmland to the east (and two rural dwellings) and the urban area to the east. There are a number of mature trees within the site.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** No

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time. Based on the size and location of the site it is considered the site could be redeveloped to provide 1 additional dwelling.

Availability Summary

The site was put forward as part of the Call for Sites process. Following receipt of the site, the landownership details could be established.

Employment Development Potential

Suitable: No **Available:** Yes

Suitability Summary

The site is within a suitable proximity of a settlement, however the existing access is not suitable for employment use.

Availability Summary

The site was put forward as part of the Call for Sites process. Following receipt of the site, the landownership details could be established.

Site ref: SS0213 **Site address:** Land east of Tyefields, south of Burnt Mills Road, Basildon

Site description **Site Area (h):** 2.57

Medium sized, approximately square shaped area of grassland, which curves around an amenity green space that includes play equipment, which it is separated from by a ditch. There are mature trees along the boundaries.

Tyefields Road separates the site from residential properties, which are located immediately to the west.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

Site submitted on behalf of landowner, access over unowned grass verge may be required.

Employment Development Potential

Suitable: Yes **Available:** Yes

Suitability Summary

Whilst not within an existing employment area or town centre the site is within suitable proximity of a settlement and could be suitable for B1 uses. However due to highways access and its close proximity to residential properties other employment uses would not be suitable.

Availability Summary

Site submitted on behalf of landowner.

Site ref: SS0214 **Site address:** Land east of Rushley, south of Burnt Mills Road, Basildon

Site description **Site Area (h):** 0.36

The site is a small square parcel of woodland, bordering Rushley Park to the north and west (Rushley Park is 'L' shaped). The site is dense woodland and heavily overgrown. The site is land-locked and only accessible through Rushley Park or through the adjacent fields to the east and south.

Housing Development Potential

Suitable: Yes **Available:** No **Achievable:** NA

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

Whilst this site was submitted by the landowner through the Call For Sites process, it has no access. It is therefore unavailable.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is within a suitable proximity of a settlement boundary, however due to there being no access to the site it is not suitable for employment use.

Availability Summary

Whilst this site was submitted by the landowner through the Call For Sites process, it has no access. It is therefore unavailable.

Site ref: SS0215 **Site address:** Land east of Rushley, south of Burnt Mills Road, Basildon

Site description **Site Area (h):** 0.19

Small square site, part of a wider woodland setting but the site itself has been cleared of substantial trees. Surrounded by dense woodland to the north and east, a single property to the south and the urban area of Basildon to the west. Beyond the immediate setting is woodland and grassland. There is no existing vehicular access to the site.

Housing Development Potential

Suitable: Yes **Available:** No **Achievable:** NA

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

Whilst this site was submitted by the landowner through the Call For Sites process, it has no access. It is therefore unavailable.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is within a suitable proximity of a settlement boundary, however due to there being no access to the site it is not suitable for employment use.

Availability Summary

Whilst this site was submitted by the landowner through the Call For Sites process, it has no access. It is therefore unavailable.

Site ref: SS0216 **Site address:** Land adjacent Ashburton, east of Trenham Avenue, Basildon SS13 1AB

Site description	Site Area (h): 0.38	
Small rectangular parcel of land located immediately to the east of the Basildon settlement, west of the plotlands. The land comprises an arable field left to grass, surrounded by farmland and adjacent to two dwellings. The immediate neighbouring property to the west appears to be used for the storage of building material, although change of use has not been applied for. The site is located at the end of Trenham Avenue.		
Housing Development Potential

Suitable: No **Available:** No

Suitability Summary

Whilst not within an existing employment area or town centre the site is within suitable proximity of a settlement and could be suitable for B1 and B2 uses. The site is not considered to be suitable for B8 uses due to highways access.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0237 **Site address:** Brooklands, Hardings Elms Road, Billericay CM11 2UH

Site description **Site Area (h):** 0.99

An irregular shaped piece of land occupied by one residential chalet to the south side, with detached outbuilding alongside. Farmland exists to the rear (west) beyond a stream. There are kennels located to the south side and there is a public house/function building to the south east. Sporadic residential properties and a garden nurse exist to the east, beyond a further drainage ditch/stream. Land adjacent to the streams has been raised by earth bund levee's to reduce the risk of flooding from the adjoining streams. A large pond was being dug to the rear of the house at the time of the site visit.
Designated Green Belt in the Development Plan.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

Site is within Flood Zone 3b. The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

This site was submitted through the Call For Sites process by the landowner.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

Site is within Flood Zone 3b. The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0240 **Site address:** Land north of Jostan, Coxes Farm Road, Great Burstead, Billericay.

Site description **Site Area (h):** 5.37

Large square parcel of agricultural grassland to the south east of Billericay, within the Green Belt. Coxes Farm Road contains a number of residential properties, including a number on the opposite side of the road facing the site and to the north and south, in what is a semi-rural area. The land falls gently to the southwest.

Housing Development Potential

Suitable: No **Available:** No **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

There has been no contact with the landowner in the last 5 years therefore the site is not available.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is not within an existing employment area or town centre and is not within the suitable proximity of a settlement. The site is not considered to be suitable for employment use at this time.

Availability Summary

There has been no contact with the landowner in the last 5 years therefore the site is not available.

Site ref: SS0242 **Site address:** Cranfield Kennels, Cranfield Park Road, Wickford SS12 9LG

Site description **Site Area (h):** 1.45

Large irregular shaped site located on the west side of Cranfield Park Road, Wickford, south of the Fairway. The site lies within a plotlands area close to sporadic residential development in a semi-rural setting to the south of the settlement of Wickford. The site comprises a detached house and several outbuildings used for boarding kennels. A long barn towards the rear of the site is also used for storage.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

Yes. This site was submitted through the Call For Sites process by the landowner.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0243 **Site address:** Land between St Germain and Barstable House, Cranfield Park Road, Wickford SS12 9EP

Site description	Site Area (h): 0.92	
Irregular shaped hedge enclosed field located on the southwest side of Cranfield Park Road at its junction with Salcott Crescent. The site is located immediately to the south of the residential Wick Estate, with sporadic residential development to the south and west and fields to the east. The area has a semi-rural character.		
Housing Development Potential		
Suitable: Yes	Available: Yes	Achievable: Yes
Suitability Summary		
The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.		
Availability Summary		
This site was submitted through the Call For Sites process by the landowner.		
Employment Development Potential		
Suitable: Yes	Available: No	
Suitability Summary		
Whilst not within an existing employment area or town centre the site is within suitable proximity of a settlement and could be suitable for B1 uses. However due to highways access and its close proximity to residential properties other employment uses would not be suitable.		
Availability Summary		
The landowners preference for the land does not include employment uses.		

Site ref: SS0244 **Site address:** Land at Alberta, South of Buena Vista, Southbourne Grove

Site description	Site Area (h): 0.15	
Small irregular shaped site with several trees located in a plotland area outside the Wickford settlement. The site fronts Southbourne Grove.		
Housing Development Potential		
Suitable: No	Available: No	Achievable: NA
Suitability Summary		
The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.		
Availability Summary		
Landowner unknown, therefore site unavailable.		
Employment Development Potential		
Suitable: No	Available: No	
Suitability Summary		
The site is less than 0.25ha in size and it is not within an existing employment area, town centre or suitable proximity of a settlement. The site is not considered to be suitable.		
Availability Summary		
Landowner unknown, therefore site unavailable.		

Site ref: SS0245 **Site address:** Land north of 144 Castledon Road, Wickford (Plot of 146)

Site description **Site Area (h):** 0.09

Small triangular parcel of land bounded by the railway line to the north, Castledon Road to the west and residential properties to the southeast. The site consists of woodland and scrub and does not contain any buildings.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

This site was submitted by the landowner.

Employment Development Potential

Suitable: No **Available:** Yes

Suitability Summary

The site is less than 0.25 hectares, not within an existing employment area or town centre and is not within the suitable proximity of a settlement. The site is not considered to be suitable for employment use at this time.

Availability Summary

This site was submitted by the landowner.

Site ref: SS0246 **Site address:** Land at Greenacres Farm, Castledon Road

Site description **Site Area (h):** 16.19

A large agricultural field located on the eastern edge of the Ramsden Bellhouse settlement with Wickford further to the east and plotland development to the south.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** No

Suitability Summary

The site is within the Green Belt, however part of the site which has road access lies within suitable proximity of a settlement. It is therefore considered suitable at this time. Based on the size and location of the site part of it could provide 6 additional dwellings.

Availability Summary

Landowner known.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Whilst not within an existing employment area or town centre the site is within suitable proximity of a settlement and could be suitable for B1 uses. However due to highways access other employment uses would not be suitable.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0247 **Site address:** Land adjacent to Honiley, Honiley Avenue, Wickford

Site description **Site Area (h):** 0.44

Irregular shaped site located on the west side of Honiley Avenue, north side of the A127 Arterial Road, in a semi-rural plotlands setting. The site has a complex history including industrial units but is currently vacant and is being returned to a grassed, unused field following an enforcement appeal. The land is flat. Surrounding the site are a few residential properties to the north and east, haulage yard and café to the east, countryside and fields to the south and west.

Housing Development Potential

Suitable: No **Available:** No **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement as the site is separated from the main settlement by an A road which is considered to be a significant barrier. The site is not considered to be suitable.

Availability Summary

The site was submitted by the landowner however there is no suitable highways access therefore the site is not available.

Employment Development Potential

Suitable: No **Available:** Yes

Suitability Summary

The site is separated from the main settlement by an A road which is considered to be a significant barrier. As such the site is not adjacent to or within an existing employment area or town centre and it is outside the proximity of a settlement. The site is not considered to be suitable for employment use at this time.

Availability Summary

The site was submitted by the landowner.

Site ref: SS0248 **Site address:** Land at Faircroft, Hovefields Drive, Wickford

Site description **Site Area (h):** 0.60

Irregular shaped site located on the south side of Hovefields Drive, in a semi-rural plotlands setting. The site comprises a detached chalet bungalow, several outbuildings, trees and hedgerows. The land backs onto the A127 Arterial Road, to the south.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement as the site is separated from the main settlement by an A road which is considered to be a significant barrier. The site is not considered to be suitable.

Availability Summary

The site was submitted by the landowner.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is not within an existing employment area or town centre and the existing highways access is not considered suitable. The site is not considered to be suitable.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0249 **Site address:** Land west of Mandeville Way, Laindon, Basildon

Site description **Site Area (h):** 15.51

Irregular shaped site located on the west side of Mandeville Way, Laindon, Baidon, north of the C2C railway line, south of Southfields Industrial Estate. The land lies immediately to the west of the main settlement of Laindon, north and east of Dunton Park caravan site, in a semi-rural setting. The site is partly overgrown / scrubland in the south, with the majority of the site being grass fields with boundary hedgerows. The extent of the land ownership also extends to the south of the access road into the caravan site and these two parcels were submitted as one site, however for the purposes of the HELAA, as the sites are physically detached from one another by the access road to the caravan site, these sites could not be considered as one. The southern parcel is site SS0527.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

Yes. The site was submitted through the Call for Sites process.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Whilst not within an existing employment area or town centre the site is within suitable proximity of a settlement and could be suitable for B1 and B2 uses. The site is not considered to be suitable for B8 uses due to highways access.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0250 **Site address:** Grangehurst, Honiley Avenue

Site description **Site Area (h):** 0.28

Rectangular shaped site to the west of Honiley Avenue (just north of the A127), accessed by a track. The site contains an extended dwelling, outbuildings, gardens and a swimming pool. Hovefields Avenue meets the plot on the northwest boundary, where both Grangehurst and Inglenook appear to have severed the link between Hovefields Drive and Honiley Avenue. The area has a semi-rural plotland setting with a small number of residential properties, a haulage yard and café in the immediate area. To the north are fields.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement as the site is separated from the main settlement by an A road which is considered to be a significant barrier. The site is not considered to be suitable.

Availability Summary

Site submitted by landowner and amended for HELAA 2018.

Employment Development Potential

Suitable: No **Available:** Yes

Suitability Summary

The site is not within an existing employment area or town centre and the existing highways access is not considered suitable. The site is not considered to be suitable.

Availability Summary

Site submitted by landowner and amended for HELAA 2018.

Site ref: SS0251 **Site address:** Land East of New House Avenue, (Opposite The Gables), Wickford

Site description **Site Area (h):** 0.37

The site is a square parcel of land within a plotland enclave to the east of Wickford, north of London Road. The site is largely scrub land/grazing land and sits east of Alpha Garden Centre, outside of the settlement area of Wickford.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

This site was submitted through the Call For Sites process by the landowner.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

Whilst the site is within suitable proximity of a settlement it is not within an employment area or a town centre and access is via a private road. It is considered to be unsuitable for employment use due to highways access.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0252 **Site address:** Land at Winton Avenue, New House Farm Estate

Site description **Site Area (h):** 0.07

It is a small narrow site covered with trees located in a plotland area to the east of Wickford outside the settlement area.

Housing Development Potential

Suitable: Yes **Available:** No **Achievable:** Yes

Suitability Summary

The site is within the Green Belt and only part of the site is within suitable proximity of a settlement. This would limited the volume of development to 1 additional dwelling however the site is considered to be suitable

Availability Summary

There has been no contact with the landowner in the last 5 years therefore the site is not available.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is not within an existing employment area or town centre and the existing highways access is not considered suitable. The site is not considered to be suitable.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0253 **Site address:** Land at Boscombe Avenue

Site description **Site Area (h):** 0.06

The rectangular plot of land is situated within the New House plotland area north of the River Crouch. The land is surrounded by other plots that are home to many mature trees and sporadic development usually associated with plotland areas.

Housing Development Potential

Suitable: No **Available:** No **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Suitable: No **Available:** No

Suitability Summary

The site is less than 0.25ha in size, it is not adjacent to or within an existing employment area or town centre. It is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0271 **Site address:** Land between Nevendon Road and Borwick Lane incorporating The Gables, Wickford

Site description **Site Area (h):** 2.72

An irregular shaped parcel of land to the west of Nevendon Road. The site consists of a dwellinghouse, woodland, boarding kennels as well as scrub land. North of the site sits the Wickford Settlement with residential properties. The majority of the site is within flood zone 3B.

Housing Development Potential

Suitable: No **Available:** No **Achievable:** NA

Suitability Summary

The majority of the site is situated within flood zone 3b and therefore in accordance with the HELAA methodology, this site has been made unsuitable.

Availability Summary

Landowner unknown, therefore site unavailable

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The majority of the site is within flood zone 3b, therefore the site is considered to be unsuitable for employment use.

Availability Summary

Landowner unknown, therefore site unavailable

Site ref: SS0272 **Site address:** Land at Bromfords Villa, Borwick Lane, Wickford SS12 0QA

Site description **Site Area (h):** 0.48

Parcel of land which consists of a dwellinghouse, outbuildings, garden and scrubland. Residential properties are situated either side of the site with a field to the north. The southern part of the site has been removed from the site area because it is within flood zone 3b.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. Development on this site would however constitute backland development which would not comply with local policy. The site is therefore unsuitable.

Availability Summary

The site was put forward during the call for sites.

Employment Development Potential

Suitable: Yes **Available:** Yes

Suitability Summary

Whilst not within an existing employment area or town centre the site is within suitable proximity of a settlement and could be suitable for B1 uses. However due to highways access other employment uses would not be suitable. Any development would also need to be located outside of flood zone 3b which covers a portion of the site.

Availability Summary

The site was put forward during the call for sites however the site has no access.

Site ref: SS0273 **Site address:** Burton Lodge and Kennels, Borwick Lane, Wickford

Site description **Site Area (h):** 1.56

Large strip of land which consists of a dwellinghouse, outbuildings, kennels and scrubland. The site fronts Borwick Avenue and is surrounded by fields and residential properties.

Housing Development Potential

Suitable: No **Available:** No **Achievable:** NA

Suitability Summary

The site is not within or adjacent to the settlement boundary or adjacent to a site, which if combined, would be adjacent to the settlement boundary. As such this site is not considered to be suitable for development at this time.

Availability Summary

There has been no contact with the landowner in the last 5 years therefore the site is not available.

Employment Development Potential

Suitable: No **Available:** Yes

Suitability Summary

The site is not adjacent to or within an existing employment area or town centre and it is outside the settlement boundary. The site is not considered to be suitable for employment use at this time.

Availability Summary

This site was submitted through the Call For Sites process by the landowner.

Site ref: SS0274 **Site address:** The Retreat, Corner of Studland Avenue and Christchurch Avenue

Site description **Site Area (h):** 0.06

The site is a rectangular shaped site located on the corner of Christchurch Avenue and Studland Avenue in a plotland area outside the Wickford settlement.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

Landowner known.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is less than 0.25ha in size and it is not within an existing employment area, town centre or suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0275 **Site address:** Land North of Sarjon at junction of Southbourne Grove and Studland Avenue,

Site description **Site Area (h):** 0.09

It is a rectangular shaped site located on the corner of Studland Avenue and Southbourne Grove in a plotland area outside the Wickford settlement.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** No

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

Landowner known.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is less than 0.25ha in size and it is not within an existing employment area or town centre. The site is not considered to be suitable for employment use.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0276 **Site address:** Thonycroft, Meadow Way, Wickford

Site description **Site Area (h):** 0.44

Mainly rectangular shaped site located on the south side of Meadow Way, comprising a residential structure and several outbuildings, including an old mobile home. The site adjoins residential plots to the north, east and west. A green field and a pond exist to the south of the site.

Housing Development Potential

Suitable: No **Available:** No **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

Landowner unknown, therefore site unavailable.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is not within an existing employment area or town centre and is not within the suitable proximity of a settlement. The site is not considered to be suitable for employment use at this time.

Availability Summary

Landowner unknown, therefore site unavailable.

Site ref: SS0277 **Site address:** Lyndale, Hovefields Drive, Wickford SS12 9JD

Site description **Site Area (h):** 0.75

Large site in two rectangular parcels, one containing the dwelling and garden, the other being a large open field. The field has a row of power lines running through it, which may be removed in the near future. A dense hedgerow lies to the north of the plots. Surrounding uses are residential and open fields.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement as the site is separated from the main settlement by an A road which is considered to be a significant barrier. The site is not considered to be suitable.

Availability Summary

This site was submitted through the Call For Sites process by the landowner.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement as the site is separated from the main settlement by an A road which is considered to be a significant barrier. The site is not considered to be suitable.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0278 **Site address:** Redlands, Hovefields Drive, Wickford SS12 9JD

Site description **Site Area (h):** 2.29

Western part comprises a house and garden. Eastern part is open grass land. Site has high fencing and gates which prevent access to the property and prevent access to Hovefields Drive. Hedgerows separate the sites from surroundings, and also split the site into 2. Trees are present on the western part. The site is surrounded by housing and open fields.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement as the site is separated from the main settlement by an A road which is considered to be a significant barrier. The site is not considered to be suitable.

Availability Summary

This site was submitted through the Call For Sites process by the landowner.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is separated from the main settlement by an A road which is considered to be a significant barrier. As such the site is not adjacent to or within an existing employment area or town centre and it is outside the proximity of a settlement. The site is not considered to be suitable for employment use at this time.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0279 **Site address:** Auckland, Hovefields Avenue, Wickford SS12 9JA

Site description **Site Area (h):** 0.39

Square shape site containing one house, outbuildings and garden. Contains a few substantial trees and hedgerows separate the sites from surroundings. The site is surrounded by houses at North and South, gypsy site opposite, and open land at east.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement as the site is separated from the main settlement by an A road which is considered to be a significant barrier. The site is not considered to be suitable.

Availability Summary

This site was submitted through the Call For Sites process by the landowner

Employment Development Potential

Suitable: No **Available:** Yes

Suitability Summary

The site is separated from the main settlement by an A road which is considered to be a significant barrier. As such the site is not adjacent to or within an existing employment area or town centre and it is outside the proximity of a settlement. The site is not considered to be suitable for employment use at this time.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0280 **Site address:** Sunnysdene Farm, Hovefields Avenue, Wickford

Site description **Site Area (h):** 1.91

Site combines a narrow site containing a dwelling (Sunnysdene Farm), garden and outbuildings (including stables), with a large open field to the east. Hedgerows separate the site from surroundings. Opposite the site are former gypsy sites to the north and east, with dwellings to the west and a garden centre to the south (beyond which is the A127). The area is generally rural in character.

Housing Development Potential

Suitable: No **Available:** No **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement as the site is separated from the main settlement by an A road which is considered to be a significant barrier. The site is not considered to be suitable.

Availability Summary

This site was submitted through the Call For Sites process by the landowner, however there is no access to the site. It is therefore considered unavailable.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is not adjacent to or within an existing employment area or town centre and it is outside the settlement boundary. The site is not considered to be suitable for employment use at this time.

Availability Summary

Site ref: SS0302 **Site address:** 14 Bromfelde Road and land to the rear, Crays Hill, Billericay

Site description **Site Area (h):** 0.92

A grassland site including a residential property which is adjacent to Bromfelde Road within the settlement boundary of Crays Hill. There are a few trees in the centre and along the south, east and west edges along with recently planted conifer hedges. There are residential houses to the north, more isolated residential properties to the south and some farmland to the east beyond a public footpath. A small woodland lies to the west.

Housing Development Potential

Suitable: No **Available:** No **Achievable:** NA

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. Development on this site would however constitute backland development which would not comply with local policy. The site is therefore unsuitable.

Availability Summary

There has been no contact with the landowner in the last 5 years therefore the site is not available.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Whilst not within an existing employment area or town centre the site is within suitable proximity of a settlement and could be suitable for B1 uses. However the site is close to residential properties and therefore other employment uses would not be suitable.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0303 **Site address:** Land to east of Allotment Gardens, Queens Road, Crays Hill

Site description **Site Area (h):** 0.36

Square shaped woodland comprising a small pond to the east of the site. There are residential houses to the north and to the east and allotments to the west. There is also an area of grassland to the south.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time. Based on the size and location of the site it is considered the site could be redeveloped to provide 5 additional dwellings.

Availability Summary

The site was put forward as part of the Call for Sites process by the landowner.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is not within an existing employment area or town centre and the existing highways access is not considered suitable. The site is not considered to be suitable.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0305 **Site address:** Land between 4 and 5 Elm Cottages, Coxes Farm Road, Billericay

Site description **Site Area (h):** 2.39

A large area of grassland to the south east of Billericay, largely bordered by established hedgerows. The surrounding area is characterised by farmland, grazing land and sporadic residential development. A small area in the south corner of the site is used as a parking court. A ditch runs along the western boundary.

Housing Development Potential

Suitable: No **Available:** No **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

There has been no contact with the landowner in the last 5 years therefore the site is not available.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is not within an existing employment area or town centre and is not within the suitable proximity of a settlement. The site is not considered to be suitable for employment use at this time.

Availability Summary

There has been no contact with the landowner in the last 5 years therefore the site is not available.

Site ref: SS0306 **Site address:** Willoughby Coachworks, Coxes Farm Road, Billericay

Site description **Site Area (h):** 0.83

Rectangular parcel of land which is Willoughby Coachworks. It is currently being used for light commercial uses and has a number of buildings on site. The site fronts Coxes Farm Road and is surrounded by other premises/residential dwellings and agricultural land.

Housing Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Whilst not within an existing employment area or town centre the site is within suitable proximity of a settlement and could be suitable for B1 uses. However due to highways access other employment uses would not be suitable.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0334 **Site address:** Buttsbury Lodge Farm and adjacent land, Billericay

Site description **Site Area (h):** 2.40

Irregular shaped site located on the west side of Stock Road at the northern extent of the Basildon borough. The site comprises a former farm yard, now agricultural equipment store fronting the road, with open grassland covering the majority of the remainder of the land. Stockbrook Manor Golf Course, Great Blunts Farm and Buttsbury Lodge lie to the south west, fields to the north and residential properties to the east. The land is situated in a semi-rural setting beyond the defined Billericay settlement boundary formed by Queens Park Avenue/Stock Road.

Housing Development Potential

Suitable: Yes **Available:** No **Achievable:** NA

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

There has been no contact with the landowner in the last 5 years therefore the site is not available.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Whilst not within an existing employment area or town centre the site is within suitable proximity of a settlement and could be considered for B1, B2 and B8 uses. The site is accessed via an B road.

Availability Summary

There has been no contact with the landowner in the last 5 years therefore the site is not available.

Site ref: SS0335 **Site address:** Land at Stock Brook Manor Golf Course, Queens Park Avenue, opposite No 4 to No 8 Princes Mews; No 5 and No 6 Princes Court; No 2 to No 51 Arundel Way, Billericay

Site description **Site Area (h):** 8.30

Irregular shaped former field, now part of Stock Brook Manor Golf Course located to the north of Queens Park Avenue. The site comprises several trees, two ponds, sand bunkers and grassland associated with the golf course. The rest of the golf course lies to the north and west, Great Blunts Farm and cottages to the east and the modern Queens Park residential estate to the south. The land is situated in a rural setting beyond the well defined settlement boundary formed by Queens Park Avenue.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

This site was submitted through the Call For Sites process by the landowner.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

The site is within suitable proximity to a settlement and could be considered for B1 uses. The site is not considered to be suitable for other employment uses due to highways access.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0336 **Site address:** Great Wasketts Farm, Gardiners Lane, Billericay and Gardiners View

Site description **Site Area (h):** 7.03

Rectangular shaped site located on the west side of Gardiners Lane North. The site comprises the historic farmstead of Great Wasketts, several farm buildings, tanks, hardstandings of former silo's, hard surfaced areas and other outbuildings. A couple of large ponds exist on the site, along with a dwelling in the southeast corner and several trees along the eastern boundary. The remainder of the site (the majority) is laid to grass, some horses/ponies are grazed. The site lies in a semi-rural setting, to the north of an industrial/commercial area in Basildon, beyond the A127 dual carriageway. Sporadic residential properties, garden nurseries and a petrol station also border the site.

Housing Development Potential

Suitable: No **Available:** No **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement as the site is separated from the main settlement by an A road which is considered to be a significant barrier. The site is not considered to be suitable.

Availability Summary

Landowner unknown, therefore site unavailable.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is separated from the main settlement by an A road which is considered to be a significant barrier. As such the site is not adjacent to or within an existing employment area or town centre and it is outside the proximity of a settlement. The site is not considered to be suitable for employment use at this time.

Availability Summary

Landowner unknown, therefore site unavailable.

Site ref: SS0337 **Site address:** 8 Noak Hill Close and land to the rear of 8 Noak Hill Close

Site description **Site Area (h):** 0.73

Small parcel of land including a residential property, it is bounded by residential gardens to the northeast and a stream to the southwest. Part of the site forms the Little Burstead Wood Local Wildlife Site and it consists of scrubland.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

Site submitted by landowner and amended for HELAA 2016.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is not within an existing employment area or town centre and is not within the suitable proximity of a settlement. The site is not considered to be suitable for employment use at this time.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0338 **Site address:** Highfield, Potash Road, Billericay

Site description **Site Area (h):** 0.33

Largely rectangular shaped site located on the north side of Potash Road. The property lies to the north of the established urban settlement of Billericay in a semi-rural setting. The site comprises a single bungalow, set well back from the road on a good sized plot. A further bungalow lies on adjoining land to the west, woodland to the east and grassland to the north.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** No

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time. Based on the size and location of the site it is considered the site could be redeveloped to provide 1 additional dwellings, otherwise it would conflict with local policy and constitute backland development.

Availability Summary

Landowner is known

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Whilst not within an existing employment area or town centre the site is within suitable proximity of a settlement and could be suitable for B1 uses. However due to highways access and its close proximity to residential properties other employment uses would not be suitable.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0339 **Site address:** Land Rear of 23-41 Potash Road, Billericay

Site description **Site Area (h):** 7.63

Largely rectangular shaped field located on the north side of Potash Road, adjacent the boundary with Chelmsford City Council. The property lies to the north of the established urban settlement of Billericay in a semi-rural setting. Residential properties lie to the south and west, whilst open countryside lies to the north and east. The land comprises a large pond in the northeast corner, remnants of former barns and is enclosed by well established hedgerows and trees. The channelled Stock Brook runs through the west side of the land. The land is mainly former grazing land now scrub with several mature trees along the site boundaries. Development Plan: Allocated as Green Belt in the Basildon Local Plan 1998.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

The site was submitted through the Call For Sites process by the landowner. Access would need to be sought from existing access points on Potash road in conjunction with site SS0580.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

Whilst the site is within suitable proximity of a settlement, access is via a private track, therefore it is considered to be unsuitable for employment use due to highways access.

Availability Summary

Landowner preference for the land does not include employment uses.

Suitable: No **Available:** No

Suitability Summary

The site is not within an existing employment area or town centre and the existing highways access is not considered suitable. The site is not considered to be suitable

Availability Summary

Landowner unknown, therefore site unavailable.

Site ref: SS0365 **Site address:** Land at North of Carlton Road and Lower Avenue, Basildon

Site description **Site Area (h):** 1.70

Large site bordering both Lower Avenue and Carlton Road. The site contains two dwellings and their gardens, several outbuildings (some of which are dilapidated), two mobile homes, a large ornamental pond and a large amount number of trees and boundary hedgerows. There is a possibility that a small electric substation will be applied for in the near future, within the north of the site close to the entrance onto Carlton Road. The wider area contains residential dwellings, a few business uses and areas of open space.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

This site was submitted by the landowner.

Employment Development Potential

Suitable: No **Available:** Yes

Suitability Summary

The site is not within an existing employment area or town centre and is not within the suitable proximity of a settlement. The site is not considered to be suitable for employment use at this time.

Availability Summary

This site was submitted by the landowner.

Site ref: SS0366 **Site address:** Land at The Nook, Acacia Road, North Benfleet

Site description **Site Area (h):** 0.19

The site is the residential garden for The Nook, a dwelling in the plotlands area of North Benfleet. The submission does not include the dwelling itself but comprises a 'yard' to the east of the dwelling, the garden, the original bungalow (used as an outbuilding following construction of a new dwelling) and the gardens. The land is flat. The wider area contains scattered residential dwellings and area of gardens and open space.

Housing Development Potential

Suitable: No **Available:** No **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

There has been no contact with the landowner in the last 5 years therefore the site is not available.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is not within an existing employment area or town centre and is not within the suitable proximity of a settlement. The site is not considered to be suitable for employment use at this time.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0367 **Site address:** Land North of Linda Gardens and Cherry Gardens, Billericay

Site description **Site Area (h):** 1.42

Area of grass/scrubland located to the west of Billericay. A recreation ground comprising a cricket pitch; all weather football pitch; and pavilion lies to the north, whilst residential areas border the site to the south and east. Woodland/scrubland lies to the west. The land is generally flat in nature. A brook leading to the River Wyd runs through the rear gardens of properties to the east. A tree belt surrounds much of the site, protected by a Tree Preservation Order.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. The site includes allocated open space and therefore should be subject to an open space assessment. The site is considered to be suitable at this time.

Availability Summary

The site was put forward by the landowner.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Whilst not within an existing employment area or town centre the site is within suitable proximity of a settlement and could be suitable for B1 uses, subject to an open space assessment. However due to highways access and its close proximity to residential properties other employment uses would not be suitable.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0368 **Site address:** Land adjacent (former) Empire House, Brickfield Road, Vange, Basildon

Site description **Site Area (h):** 0.41

A rectangular shaped site filled with trees and hedges abutting Brickfield Road, aligning to the edge of the built up area of Basildon to the east. Although the site is within the Green Belt, Brickfield Road is split between urban development on the east side, with a more rural character on the west side (containing this site). The A13 runs close to the south of the site and a large grassland area currently used for boot fairs is to the north and west.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

The site was put forward as part of the Call for Sites process by the landowner.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

Whilst not within an existing employment area or town centre the site is within suitable proximity of a settlement. However it is considered to be unsuitable for employment use due to highways access.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0369 **Site address:** Empire House, Brickfield Road, Vange, Basildon

Site description **Site Area (h):** 0.17

A rectangular shaped site accommodating a residential property, associated outbuildings and garden. The site abuts Brickfield Road aligning the edge of the built up area of Basildon to the east. The A13 runs close to the south of the site and two residential properties lay to the west, with a large grassland area beyond.

Housing Development Potential

Suitable: Yes **Available:** No **Achievable:** NA

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

Landowner unknown, therefore site unavailable.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is within a suitable proximity of a settlement, however the site is not larger than 0.25ha and the access is not suitable for employment use.

Availability Summary

Landowner unknown, therefore site unavailable.

Site ref: SS0370 **Site address:** Land at junction of London Road and Brickfield Road, Vange, Basildon

Site description **Site Area (h):** 2.33

A large area of open grassland on the edge of Basildon urban area. There are residential properties to the east and to the south. The A13 lies further south and All Saints Church, a Local Wildlife Site lies to the west. Vange Primary School and associated grounds are to the north. Site has an incline to the west with an estimated rise of approx. 4m across the site. It is laid to grass with many substantial mature boundary trees and hedging. The western boundary is very close to All Saints Church (listed building), which is clearly visible from within the site.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

Landowner known.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Whilst not within an existing employment area or town centre the site is within suitable proximity to a settlement and could be considered for B1, B2 and B8 uses. The site is accessed via a B road.

Availability Summary

Landowner is known and they do not want the site considered for B class employment uses

Site ref: SS0371 **Site address:** Land West of Noak Hill Road and North of Wash & Dunton Road, Basildon

Site description **Site Area (h):** 4.48

The site is an agricultural field located adjacent to Wash Road and Noak Hill Road with a ribbon of housing and nurseries to the north and the Basildon Urban Area to the south.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

Landowner is known.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Whilst not within an existing employment area or town centre the site is adjacent to the settlement and could be considered for B1, B2 and B8 uses. The site is accessed via an A road.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0372 **Site address:** Land at Watch House Farm, Wash Road, Basildon

Site description **Site Area (h):** 7.95

The site is located to the North of Basildon, adjacent to the settlement boundary albeit largely separated by Wash Road with Watch House Farm situated to the south. The site area has been amended to 7.95ha from 4.15 at the request of the owner, omitting the area which was within flood zone 3b.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

The site was put forward as part of the Call for Sites process. Following receipt of the site, the landownership details could be established.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Whilst not within an existing employment area or town centre the site is adjacent to the settlement and could be considered for B1, B2 and B8 uses. The site is accessed via an A road.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0374 **Site address:** Land South of London Road, and Old School, Basildon

Site description **Site Area (h):** 2.48

A large irregular shaped area of open land. The site is to the south of a number of residential properties that front London Road. The A13 lies to the south of the site and a public house and associated grounds are located to the east, on the other side of Church Road. The site is grassland, sloping down to the south, with a number of trees along boundaries.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

The site was put forward as part of the Call for Sites process. Following receipt of the site, the landownership details could be established.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Whilst not within an existing employment area or town centre the site is within suitable proximity to a settlement and could be considered for B1, B2 and B8 uses. The site is accessed via a B road.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0375 **Site address:** Land South of London Road, east of Old Church Road, Basildon

Site description **Site Area (h):** 1.41

The site sits between London Road and the A13, to the south of the settlement of Bowers Gifford. There are several fields divided by hedgerows that form the site and to the north there is a residential property with some outbuildings adjacent. The site is currently partly used for half of the Bowers Gifford Allotments; partly to enable improvements to the A13 / Sadlers Farms Junction; and partly a paddock associated with the dwelling, Lyndhurst. Following the works to the Saddlers Farm Junction and a Compulsory Purchase Order, the site is now 1.41ha rather than the original 2.2ha.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** No

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

The site was put forward as part of the Call for Sites process. Following receipt of the site, the landownership details could be established.

Employment Development Potential

Suitable: Yes **Available:** Yes

Suitability Summary

Whilst not within an existing employment area or town centre the site is within suitable proximity of a settlement and could be considered for B1, B2 and B8 uses. The site is accessed via an B road.

Availability Summary

The site was put forward as part of the Call for Sites process. Following receipt of the site, the landownership details could be established.

Site ref: SS0376 **Site address:** Land off Burnt Mills Road between Tarr Hall Cottage and Ohio, Basildon SS12 9JX

Site description **Site Area (h):** 0.74

Sited off Burnt Mills Road, the site is a rectangular area of grassland that is currently used for grazing. The site is flat with no outstanding features. The land to the west is occupied by a play centre, to the east are a row of dwellings. To the north is open space.
Designated as Green Belt and plotland in BDLP 1998

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** No

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time. Based on the size and location of the site it is considered the site could be redeveloped to provide 3 dwellings, otherwise it would conflict with local policy and constitute backland development.

Availability Summary

This site was submitted through the Call For Sites process by the landowner.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

Whilst not within an existing employment area or town centre the site is within suitable proximity of a settlement and could be suitable for B1 uses. However due to highways access and its close proximity to residential properties other employment uses would not be suitable.

Availability Summary

Landowner is known and they do not want the site considered for employment uses

The site is an irregular shaped site on the corner of Dry Street and Southway and is scattered with various trees.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

Landowner known.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is not within an existing employment area or town centre and is not within the suitable proximity of a settlement. The site is not considered to be suitable for employment use at this time.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0384 **Site address:** Land at 216 Pound Lane, Bowers Gifford

Site description **Site Area (h):** 0.04

The site forms part of the rear gardens of two properties, No.214 and 216 Pound Lane. Part of the site is overgrown/scrub and contains an outbuilding, the other is laid to grass. The site is within a residential area that is generally rural in character, although at this point in Pound Lane there is a cluster of more dense development. The area is rural in character and the site is surrounded by residential properties.

Housing Development Potential

Suitable: Yes **Available:** No **Achievable:** No

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time. Based on the size and location of the site it is considered the site could be redeveloped to provide 1 additional dwelling.

Availability Summary

There has been no contact with the landowner in the last 5 years therefore the site is not available.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is less than 0.25ha in size and it is not within an existing employment area or town centre and highways access is not suitable. The site is not considered to be suitable.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0385 **Site address:** Pleasant View, Dunton Road, Basildon CM12 9TZ

Site description **Site Area (h):** 0.85

Site is on the south side of Dunton Road, between Dunton Road and the A127. The area is rural in character, with a number of dwellings, farmland and unspecified commercial uses on the neighbouring land. The site has a number of natural features including substantial trees within it (particularly in the south and along boundaries) and a stream runs diagonally through the site from southwest to northeast. Surrounding the site is the A127 dual carriageway to the south and the Dunton Technical Centre beyond the A127.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is separated from the main settlement by an A road which is considered to be a significant barrier, therefore the site is considered unsuitable. Site is also transected by functional flood zone 3B.

Availability Summary

This site was submitted through the Call For Sites process by the landowner.

Employment Development Potential

Suitable: No **Available:** Yes

Suitability Summary

The site is separated from the main settlement by an A road which is considered to be a significant barrier. As such the site is not within an existing employment area or town centre and it does not lie within suitable proximity to a settlement. The site is not considered to be suitable for employment use at this time.

Availability Summary

This site was submitted through the Call For Sites process by the landowner.

Site ref: SS0386 **Site address:** Land east of Frithwood Lane, Billericay

Site description **Site Area (h):** 42.95

This is a relatively large site located adjacent to the south of the Billericay settlement boundary with various dwellings to the north and west of site.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within the Green Belt, however a large proportion of the site lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

Landowner submitted site.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

A large proportion of the site is located within suitable proximity of a settlement and could be considered for B1, B2 and B8 uses. The site is accessed via an A road.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0387 **Site address:** Land south of 115 Laindon Road, Billericay

Site description **Site Area (h):** 0.77

Rectangular site mostly left to grassland and scrub, with hedgerows and trees along the boundaries and a number of trees within the site. The site is to the south of a row of dwellings and faces 'Brays', a single dwelling on a large plot. To the east and south are the playing fields for the Billericay School. The land is fairly flat in topography.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

This site was submitted through the Call For Sites process by the landowner.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Whilst not within an existing employment area or town centre the site is within suitable proximity of a settlement and could be suitable for B1 uses. However the site is close to residential properties and therefore other employment uses would not be suitable.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0388 **Site address:** Land south of London Road, Billericay

Site description **Site Area (h):** 1.19

Irregular shaped parcel of land on the urban boundary of Billericay. The site is mostly vacant, with a stable building in the southeast of the site, which appears to have been previously used in relation to a neighbouring site, Shepperds Tye now been developed into a small residential estate. The site is mainly grass/scrub, with a few substantial trees particularly in the west of the site and is bounded by trees and hedgerows. To the north and east are residential properties, to the south is the Billericay Tennis Association, to the west is a single residential dwelling and further scrub land.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

This site was submitted through the Call For Sites process by the landowner.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Whilst not within an existing employment area or town centre the site is adjacent to the settlement and could be considered for B1, B2 and B8 uses. The site is accessed from an A road.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0389 **Site address:** Land west of Heath Close, Billericay.

Site description **Site Area (h):** 2.40

Irregular shaped parcel of grassland on the urban boundary of Billericay. The site is mostly vacant, with a small row of structures in the northeast corner of the site. The site is essentially split into two fields by a stream and a row of trees running between them. The site is mainly grass/scrubland, with substantial trees/hedgerows along the boundaries. To the north and east are residential properties, to the south are sports grounds and to the west is the Billericay Tennis Association.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

This site was submitted through the Call For Sites process by the landowner.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is not within an existing employment area or town centre and the existing highways access is not considered suitable. The site is not considered to be suitable.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0390 **Site address:** Land west of Steeple View, Dunton Road, Basildon

Site description **Site Area (h):** 9.89

Large site on the south side of Dunton Road, between Dunton Road, the A127 and Kings Road, Laindon. The site includes the farmland south of Dunton Road and west of Steeple View. The area is rural in character, at the edge of the urban extent of Basildon. The site includes a cluster of trees in the centre of the site, hedgerows along the northern, southern and eastern boundaries and a pond adjacent to the farmhouse. Surrounding the site is agricultural land to the north and west, residential properties to the east and the A127 dual carriageway to the south.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

Yes. The site was submitted through the Call For Sites process by the landowner.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Whilst not within an existing employment area or town centre the site is within suitable proximity of a settlement and could be considered for B1 uses. Whilst adjacent to a residential area the size of the site could also allow for B1 uses to act as a buffer between residential properties and B2 uses. The site is not considered to be suitable for B8 uses due to highways access.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0392 **Site address:** Land North of Carlton Road, between Glenwood and Sunnyview, North Benfleet

Site description

Site Area (h): 0.04

Rectangular shaped site located on the north side of Carlton Road, North Benfleet. The land is composed of grassland and is flat. It is situated within an area of sporadic residential development interspersed with vacant plots, in a semi-rural setting. Residential properties exist on adjoining sites to the north, east and west. Woodland/scrubland exists opposite the site on the land to the south.

Housing Development Potential

Suitable: No **Available:** No **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

There has been no contact with the landowner in the last 5 years therefore the site is not available.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is within a suitable proximity of a settlement, however the site is not larger than 0.25ha and the access is not suitable for employment use.

Availability Summary

There has been no contact with the landowner in the last 5 years therefore the site is not available.

Site ref: SS0393 **Site address:** Land west of Rosendale, Elm Road, North Benfleet SS13 2LY

Site description

Site Area (h): 0.25

Rectangular shaped site located on the north side of Elm Road, North Benfleet. The land is composed of grassland and scrubland and is situated within an area of sporadic residential development interspersed with vacant plots, in a semi-rural setting. Open countryside lies to the north and west, a residential property to the east and further grazing land to the south. A drainage ditch runs along the north and west boundaries

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** No

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time. Based on the size and location of the site it is considered the site could be redeveloped to provide 2 additional dwellings.

Availability Summary

This site was submitted through the Call For Sites process by the landowner.

Employment Development Potential

Suitable: No **Available:** Yes

Suitability Summary

The site is not within an existing employment area or town centre and the existing access is not considered suitable. The site is not considered to be suitable.

Availability Summary

This site was submitted through the Call For Sites process by the landowner.

Site ref: SS0396 **Site address:** Land at Murray's Farm, Acacia Road, North Benfleet

Site description **Site Area (h):** 0.71

Largely rectangular shaped site located on the north side of Acacia Road, south side of Barclay Road, North Benfleet. The land comprises a bungalow and a number of mobile homes and outbuildings, with the remainder grassland. The site appears to be linked to site SS0397 due to the 'closure' of Barclay Road (uncertain what happened but Barclay Road has been shortened). A telegraph line runs through the site, possibly as it once followed Barclay Road. The site is flat. The land is situated within an area of sporadic residential development interspersed with vacant plots, in a semi-rural setting.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** No

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time. Based on the size and location of the site it could be redeveloped to provide 3 additional dwellings.

Availability Summary

This site was submitted through the Call For Sites process by the landowner.

Employment Development Potential

Suitable: No **Available:** Yes

Suitability Summary

The site is within a suitable proximity of a settlement, however access is not suitable for employment use.

Availability Summary

This site was submitted through the Call For Sites process by the landowner.

Site ref: SS0397 **Site address:** Land east of Rosemary, Elm Road, North Benfleet

Site description **Site Area (h):** 0.65

A rectangular shaped site located on the south side of Elm Road, north side of Barclay Road, North Benfleet. The land is composed of grassland and scrubland. Barclay Road has been shortened and this parcel has been incorporated into (or at least used by the occupiers of) a site to the south (SS396), but is a separate submission. The site contains a large number of trees around the boundaries but no exceptional examples. The land is essentially flat. It is situated within an area of sporadic residential development interspersed with vacant plots, in a semi-rural setting.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** No

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time. Based on the size and location of the site it could be redeveloped to provide 4 additional dwellings.

Availability Summary

This site was submitted through the Call For Sites process by the landowner.

Employment Development Potential

Suitable: No **Available:** Yes

Suitability Summary

The site is within a suitable proximity of a settlement, however access is not suitable for employment use.

Availability Summary

This site was submitted through the Call For Sites process by the landowner.

Site ref: SS0398 **Site address:** Land on the corner of Northlands approach and Dry Street, Langdon Hills, Basildon SS16 5LT

Site description **Site Area (h):** 0.27

Vacant corner plot of land within the Northlands Plotland area which is in the south of the Borough. The site is bounded by Dry Street, Northlands Approach and Coombe Drive.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Landowner preference for the land does not include employment uses.

Site ref: SS0401 **Site address:** Land adjacent to Beony, Osborne Road, Basildon

Site description **Site Area (h):** 0.05

A plotland site consisting of hard standing, currently containing mobile homes, outbuildings and vehicles associated with a neighbouring plot, Beony. The site contains a number of trees and hedging. The land is flat.

The neighbouring uses are residential and the area is rural plotland in character, with various uses including a mixture of residential and vacant plotlands, bordered by hedges and trees.

Housing Development Potential

Suitable: No **Available:** No **Achievable:** NA

Suitability Summary

The site is not adjacent to the settlement boundary and could not be combined with another site to bring it adjacent to the settlement boundary. In addition, the site is relatively remote from most services and facilities.

Availability Summary

See landowner notes.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is less than 0.25ha in size, it is not adjacent to or within an existing employment area or town centre and it is outside the settlement boundary. Therefore the site is not considered to be suitable for employment use.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0402 **Site address:** Land between The Willows / The Homestead and Sunnyside, North Benfleet

Site description **Site Area (h):** 0.84

The site is rectangular, approximately 180m long and 40m wide, within a rural setting in North Benfleet. The site is predominantly scrub and grassland, with a number of substantial boundary trees to the west. The site is within the plotland area and the parcels of land around the site are mostly single dwellings in large plots or vacant sites. To the west is a heavily wooded area. The site is within the Green Belt and a Plotland area in the BDLP 1998

Housing Development Potential

Suitable: No **Available:** No **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Landowner preference for the land does not include employment uses.

Site ref: SS0417 **Site address:** Land at Basildon Rose Gardens Ltd, Burnt Mills Road, Basildon SS13 1DY

Site description **Site Area (h):** 2.85

Large site to the south of Burnt Mills Road. Site is predominantly laid to grass with a large car park fronting Burnt Mills Road, together with a number of structures, currently accommodating the Children's Play Centre. There is a separate single storey building within the site. The site separates the urban area from the North Benfleet plotlands. Around the site are open fields and residential dwellings. Neighbouring the site to the west, behind Rivendell, appear to be a number of commercial uses, although there is no planning history. There is an employment area to the northwest. The land is flat.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** No

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time. Based on the size and location of the site it is considered the site could be redeveloped to provide 6 additional dwellings, otherwise it would conflict with local policy and constitute backland development.

Availability Summary

Landowner known.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Whilst not within an existing employment area or town centre the site is within suitable proximity of a settlement and could be suitable for B1 uses. However due to highways access and its close proximity to residential properties other employment uses would not be suitable.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0418 **Site address:** Land between Briar Walk and Tudor, Windsor Road, north Benfleet

Site description **Site Area (h):** 0.05

Site ref: SS0424 **Site address:** Land between Sunnyview and Cranbrook, Osborne Road, North Benfleet

Site description **Site Area (h):** 0.09

Rectangular plot fronting Osborne Road. The site is wooded / overgrown and impenetrable. It is a vacant plot between residential properties to the north, east and west. The site is flat with no evidence of any previous development. The area is rural in character, containing mainly residential properties and a number of business / storage uses.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

This site was submitted through the Call For Sites process by the landowner.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is less than 0.25ha in size and it is not within an existing employment area, town centre or suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0425 **Site address:** Land at junction of Hawkesbury Bush Lane and Bells Hill Road, Langdon Hills, Basildon

Site description **Site Area (h):** 0.16

Site forms part of the Bells Hill Plotland area which is located in the southern part of the Borough. The site is a rectangular corner plot which is bound by two roads and residential properties.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** No

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time. Based on the size and location of the site it is considered the site could be redeveloped to provide 1 additional dwelling.

Availability Summary

This site was submitted through the Call For Sites process by the landowner.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is less than 0.25ha in size, it is not adjacent to or within an existing employment area or town centre. It is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0426 **Site address:** Land North and West of Blunts Wall Farm, Blunts Wall Road

Site description **Site Area (h):** 27.85

Large parcel of land to the west of Billericay. The site consists of two agricultural fields and is surrounded by fields, a farmstead, woodland and a cricketground.

Housing Development Potential

Suitable: No **Available:** No **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

There has been no contact with the landowner in the last 5 years therefore the site is not available.

Employment Development Potential

Suitable: No **Available:** Yes

Suitability Summary

The site is not within an existing employment area or town centre and the existing highways access is not considered suitable. The site is not considered to be suitable.

Availability Summary

Landowner known.

Site ref: SS0427 **Site address:** Charlesville and Land East of Charlesville, Acacia Road, North Benfleet, Basildon SS13 2LU

Site description **Site Area (h):** 0.55

An irregular shaped parcel of land incorporating a dwelling and an associated builders yard, which contains a number of insubstantial, dilapidated outbuildings, vehicles and some hardstanding. The reasonably extensive grounds are largely clear, with the dwelling and yard occupying the front of the site. There are a number of substantial trees along the northern, eastern and southern boundaries, a ditch along the eastern boundary and a hedgerow along the southern boundary. The area is rural in character and the site is surrounded by a mix of scrubland / woodland / vacant sites, residential properties and small businesses.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** No

Suitability Summary

The site is within the Green Belt, however it partially lies within suitable proximity of a settlement. It is therefore considered suitable at this time. Based on the size and location of the site it is considered the site could be redeveloped to provide 2 additional dwellings, otherwise it would conflict with local policy and constitute backland development.

Availability Summary

This site was submitted through the Call For Sites process by the landowner.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is not within an existing employment area or town centre and the existing highways access is not considered suitable. The site is not considered to be suitable.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0428 **Site address:** Land at The Shades, Acacia Road, North Benfleet, Basildon SS13 2LU

Site description **Site Area (h):** 0.09

Rectangular plot currently used as the extended garden for 'The Shades', being approximately half the entire site. The site is described as a paddock and contains one large outbuilding on the southern boundary. It is partly converted to a driveway for The Shades. The site is mainly laid to grass with a number of trees on the boundaries. The area is rural in character and the site is surrounded by a mix of woodland / vacant sites, residential properties and small businesses.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

This site was submitted through the Call For Sites process by the landowner.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is less than 0.25ha in size and it is not within an existing employment area or town centre. The site is not considered to be suitable.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0429 **Site address:** Land west of Woodstock, Upper Avenue, North Benfleet, Basildon

Site description **Site Area (h):** 0.13

A rectangular plotland site containing a number of outbuildings. It appears to be used as a building yard rather than for stables and grazing but has no formal use. The site is bordered by trees and hedges to the north, south and west sides and there are a number of trees within the site. The area is rural in character, with farmland and natural space within the plotland area, and residential and business uses making up a number of nearby sites.

Housing Development Potential

Suitable: No **Available:** No **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

Landowner unknown, therefore site unavailable.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is less than 0.25ha in size and it is not within an existing employment area, town centre or suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

Landowner unknown, therefore site unavailable.

Site ref: SS0430 **Site address:** Land at junction of Cross Road and Clarence Road, Basildon SS13 2JP

Site description **Site Area (h):** 0.12

The site fronts onto Cross Road and Clarence Road within the area of Bowers Gifford/North Benfleet. A rectangular shaped site filled with trees and hedgerows that is located in the midst of sporadic and scattered residential development.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

This site was submitted through the Call For Sites process by the landowner.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is less than 0.25ha in size and it is not adjacent to or within a town centre. Therefore the site is not considered to be suitable for employment use.

Availability Summary

Landowner is known and they do not want the site considered for employment uses.

Site ref: SS0431 **Site address:** The Croft, Blackheath Chase, Langdon Hills, Basildon

Site description **Site Area (h):** 4.02

Parcel of land in the south of the Borough. Part of the site which consists of a dwellinghouse is within the Northlands Plotland area. The remainder of the site consists of fields bounded by hedgerows. The site is surrounded by woodland and fields.

Housing Development Potential

Suitable: No **Available:** No **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

There has been no contact with the landowner in the last 5 years therefore the site is not available.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is not adjacent to or within an existing employment area or town centre and it is outside the settlement boundary. The site is not considered to be suitable for employment use at this time.

Availability Summary

There has been no contact with the landowner in the last 5 years therefore the site is not available.

Site ref: SS0433 **Site address:** The Lodge, land North Crooked Brook, Woodside, The Rest, Magnolia and East of Magnolia, Moores Avenue, Fobbing

Site description **Site Area (h):** 0.86

Site forms part of the Crooked Brook Plotland area which is located along the Boroughs southern boundary. The railway line runs along the northwest boundary of the site and residential dwellings within the plotland area are to the south of the site. The site comprises of a residential dwelling and outbuildings.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

Landowner known.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is not within an existing employment area or town centre and is not within the suitable proximity of a settlement. The site is not considered to be suitable for employment use at this time.

Availability Summary

Landowner is known and they do not want the site considered for employment uses

Site ref: SS0434 **Site address:** Land at junction of Stormonts Way and Southway, North of Pauldon Southway, Langdon Hills

Site description **Site Area (h):** 0.18

Small parcel of land within the Green Belt to the south of Basildon. The site is on the corner of Stormonts Way and Southway and is made up of scrubland and trees.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

Landowner known.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is less than 0.25ha in size, it is not adjacent to or within an existing employment area or town centre. It is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0435 **Site address:** Land at Annwood Lodge Business Park, Southend Arterial Road

Site description **Site Area (h):** 9.15

Irregular shaped site located on the north side of the A127 Arterial Road at its junction with the A1245, to the east of the A130 and bordering the Rochford District to the north east. The land within the Rochford District directly adjacent the site is allocated as employment land and the most south east corner of their land is allocated for a Gypsy and Traveller site. The London Liverpool Street railway line borders the site to the north. The land is situated in a rural area but dominated by road infrastructure, particularly the new A130 to the west and its supporting embankment. The land is partly in agricultural use and partly occupied by a commercial yard where several businesses operate from small units. The land is open in character.

Housing Development Potential

Suitable: No **Available:** No **Achievable:** NA

Suitability Summary

The site is not within proximity to a settlement and is heavily constrained by the surrounding dual carriageway network and railway line.

Availability Summary

This site was submitted through the Call For Sites process by the landowner however access to the site via the A127 is not suitable.

Employment Development Potential

Suitable: No **Available:** Yes

Suitability Summary

The site is not within an existing employment area or town centre and is not within the suitable proximity of a settlement. The site is not considered to be suitable for employment use at this time.

Availability Summary

This site was submitted through the Call For Sites process by the landowner.

Site ref: SS0436 **Site address:** Land North of Summerhill Nursery, Pipp's Hill Road North, Basildon

Site description **Site Area (h):** 5.14

The site relates to the land immediately to the rear of the existing Summerhill Nursery, containing ancillary nursery structures, glass houses, storage areas, storage containers and arable land. There is a large lake east of the site and the A127 is to the far south. Three ponds also exist on the site.

Housing Development Potential

Suitable: No **Available:** No **Achievable:** NA

Suitability Summary

Whilst the site is within proximity to a settlement the site is separated from the main settlement by an A road which is considered to be a significant barrier. As such the site is not considered to be suitable for housing at this time.

Availability Summary

Landowner unknown, therefore site unavailable.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

Whilst the site is within proximity to a settlement the site is separated from the main settlement by an A road which is considered to be a significant barrier. As such the site is not considered to be suitable for employment use at this time.

Availability Summary

Landowner unknown, therefore site unavailable.

Site ref: SS0437 **Site address:** Land at Junction of Meadow Way and Hovefield Avenue, Basildon SS12 9JA

Site description **Site Area (h):** 0.92

Grazing land situated within the Nevendon plotlands, south of Wickford and north of Basildon, located at the western end of Meadow Way at the northern end of Hovefield Avenue. A bungalow exists on a deep plot to the east, a further bungalow on a deep plot exists to the south, whilst open open countryside lies to the north and west, in the form of public open space and grassland fields respectively.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

This site was submitted through the Call For Sites process by the landowner.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is not within an existing employment area or town centre and is not within the suitable proximity of a settlement. The site is not considered to be suitable for employment use at this time.

Availability Summary

Landowner preference for the land does not include residential uses.

Site ref: SS0438 **Site address:** Land at Novedene, Hovefield Avenue, Basildon SS12 9JA

Site description **Site Area (h):** 0.63

Plotland site in Nevendon containing a dwelling and associated grounds, including a number of outbuildings. The site contains a number of substantial trees. The property is at the northern end of Hovefields Avenue, with other residential properties to the south and east, and fields/countryside to the north and west.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement as the site is separated from the main settlement by an A road which is considered to be a significant barrier. The site is not considered to be suitable.

Availability Summary

This site was submitted through the Call For Sites process by the landowner.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is separated from the main settlement by an A road which is considered to be a significant barrier. As such the site is not adjacent to or within an existing employment area or town centre and it is outside the proximity of a settlement. The site is not considered to be suitable for employment use at this time.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0439 **Site address:** Land West of Hannikins Farm, Billericay CM12 0SY

Site description **Site Area (h):** 2.36

Located adjacent to Queens Park to the north west of Billericay settlement, the site is a rectangular shaped area of land. There are trees to the southern and northern boundary and a hedgerow forms the eastern boundary. There is also dense woodland to the south east of the site. The site previously comprised a small farmhouse, garages, pond and garden but was destroyed by fire in January 2000.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is the only parcel of land promoted in this area and it is located adjacent to a country park and designated open space. It is therefore unlikely that further land would come forward to allow for a comprehensive development in this location which would mean the site alone would be separated from the existing settlement. It is therefore unsuitable.

Availability Summary

The site was put forward as part of the Call for Sites process. Following receipt of the site, the landownership details could be established.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is the only parcel of land promoted in this area and it is located adjacent to a country park and designated open space. It is therefore unlikely that further land would come forward to allow for a comprehensive development in this location which would mean the site alone would be separated from the existing settlement. It is therefore unsuitable.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0440 **Site address:** Land at Perceverance, Osborne Road, Bowers Gifford, Basildon

Site description **Site Area (h):** 0.33

A rectangular plot of land with a residential property and gardens, predominantly laid to grass with associated outbuildings and landscaping. Mature trees run alongside the boundaries and within the site, with one particularly impressive specimen within the site. The land is flat. The site is at the southern extent of the plotland area, which contains a variety of housing and small businesses in a semi-rural setting. To the south of the site are open fields.

Housing Development Potential

Suitable: No **Available:** No **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

There has been no contact with the landowner in the last 5 years therefore the site is not available.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is not within an existing employment area or town centre and is not within the suitable proximity of a settlement. The site is not considered to be suitable for employment use at this time.

Availability Summary

There has been no contact with the landowner in the last 5 years therefore the site is not available.

Site ref: SS0441 **Site address:** Ellesmere, Acacia Road, Bowers Gifford, Basildon

Site description **Site Area (h):** 0.43

A rectangular plot of land containing a residential property, garage with extensions and associated grounds. The land is flat. The scale of the existing property and its outbuildings would probably preclude a second dwelling without replacing part or all of Ellesmere. The surrounding area contains semi-rural residential properties, a number of business uses and arable land.

Housing Development Potential

Suitable: No **Available:** No **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

There has been no contact with the landowner in the last 5 years therefore the site is not available.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is not within an existing employment area or town centre and is not within the suitable proximity of a settlement. The site is not considered to be suitable for employment use at this time.

Availability Summary

There has been no contact with the landowner in the last 5 years therefore the site is not available.

Site ref: SS0442 **Site address:** Land opposite Chez Nous, Thomas Road, Basildon

Site description **Site Area (h):** 0.13

A small plot, overgrown grassland, with trees bordering the south and west side of the site. There are a number of trees through the middle of the site. The surrounding area contains rural residential plotland dwellings and arable land.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

The site has been submitted by or on behalf of the landowner and has access.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is not within an existing employment area or town centre and is not within the suitable proximity of a settlement. The site is not considered to be suitable for employment use at this time.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0443 **Site address:** Land at Tumblemead, Rectory Road, Little Burstead

Site description **Site Area (h):** 0.21

Thin strip of land which fronts Rectory Road. The site forms part of the curtilage of Tumblemead and is surrounded by fields to the west and east and sproadic residential properties to the north and south.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

Site submitted by landowner for HELAA.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is not within an existing employment area or town centre and is not within the suitable proximity of a settlement. The site is not considered to be suitable for employment use at this time.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0444 **Site address:** Land at Windsor Lodge, Windsor Road, Basildon

Site description **Site Area (h):** 0.21

Rectangular shaped site located on the north side of Windsor Road, North Benfleet and also backing onto Grange Road. The site is currently vacant with a number of trees/shrubs. The site lies within an area of sporadic residential development interspersed with vacant plots. This particular site is vacant and is composed of grassland with some boundary hedges.

Housing Development Potential

Suitable: No **Available:** No **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

Landowner unknown therefore site is unavailable.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is not within an existing employment area or town centre and is not within the suitable proximity of a settlement. The site is not considered to be suitable for employment use at this time.

Availability Summary

Landowner unknown therefore site is unavailable.

Site ref: SS0445 **Site address:** Land at junction of Pound Lane and Clarence Road, Basildon

Site description **Site Area (h):** 0.52

Garden centre site to the east of the Pound Lane and to the south of Clarence Road on the junction between the two. The site comprises of a number of sales and storage buildings, The Greedy Chef café, garden centre and koi carp sales. A large area of hard surfacing exists on the west of the site to provide car parking. To the immediate north and south, there are some residential properties, and to the east of the site is a caravan storage facility. Open farmland lies opposite the site to the west. The site has been separated into two sites SS0445 and SS0526 as there is more than one landowner and as such the site area of this site has been reduced from 0.85ha to 0.53ha.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

This site was submitted through the Call For Sites process by the landowner.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Whilst not within an existing employment area or town centre the site is within suitable proximity of a settlement and could be suitable for B1 uses. However the site is close to residential properties and therefore other employment uses would not be suitable.

Availability Summary

Landowner is known and they do not want the site considered for employment uses

Site ref: SS0446 **Site address:** Land West of the Bayou, Windsor Road, Basildon SS13 2LH

Site description **Site Area (h):** 0.05

Located off Windsor Road, the site is a narrow strip of land filled with trees and hedgerows to the west of the residential property, 'The Bayou'. To the immediate west, south and north are residential properties and beyond the residential property to the west, there is a large area of open countryside.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

This site was submitted through the Call For Sites process by the landowner.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is less than 0.25ha in size and it is not within an existing employment area or town centre. The site is not considered to be suitable.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0447 **Site address:** Land at corner of Windsor Road and Pound Lane, Basildon

Site description **Site Area (h):** 0.21

Located on the junction of Windsor Road and Pound Lane, the site is a rectangular shaped piece of land comprising of a residential property and associated gardens. The front portion of the site is overgrown. To the immediate east is a large area of open countryside and to the west, south and north are residential properties

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** No

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time. Based on the size and location of the site it is considered the site could be redeveloped to provide 2 additional dwellings.

Availability Summary

This site was submitted through the Call For Sites process by the landowner.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is within a suitable proximity of a settlement, however the site is not larger than 0.25ha and the access is not suitable for employment use.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0448 **Site address:** Land east of Brackendale Avenue, Pitsea, South of the A13, north of railway line

Site description **Site Area (h):** 12.75

The site is a large parcel of land which consists of a series of fields. The western boundary of the site is adjacent to the urban area. It is bounded by the A13 to the north, the railway line to the south and open fields to the east. There is no clear access onto the site.

Housing Development Potential

Suitable: Yes **Available:** No **Achievable:** NA

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

Whilst this site was put forward the Call for Sites process, it was not by or on behalf of the landowner.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

Whilst not within an existing employment area or town centre the site is adjacent to the settlement. However it is considered to be unsuitable for employment use due to highways access.

Availability Summary

Whilst this site was put forward the Call for Sites process, it was not by or on behalf of the landowner.

Site ref: SS0452 **Site address:** Land west of Elm Farm, London Road, Crays Hill

Site description **Site Area (h):** 0.36

Rectangular parcel of land adjacent to London Road. The site comprises of scrubland and a hedgerow forms the boundary fronting London Road. Elm Farm is situated to the east of the site, dwelling houses to the west and farmland to the north.

Housing Development Potential

Suitable: Yes **Available:** No **Achievable:** NA

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

Landowner unknown, therefore site unavailable.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Whilst not within an existing employment area or town centre the site is within suitable proximity of a settlement and could be suitable for B1 uses. However the site is close to residential properties and therefore other employment uses would not be suitable.

Landowner unknown, therefore site unavailable.

Site ref: SS0453 **Site address:** Land at Church Road, Ramsden Bellhouse

Site description **Site Area (h):** 0.64

The site is a rectangular shaped piece of land situated adjacent to the railway line running along the north of the Borough. The site sits on the northern boundary of the Borough and is separated from Ramsden Bellhouse by the railway line as it once acted as a siding. Directly north of the site is sporadic development.

Housing Development Potential

Suitable: Yes **Available:** No **Achievable:** NA

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time

Availability Summary

Landowner unknown, therefore site unavailable.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Whilst not within an existing employment area or town centre the site is within suitable proximity of a settlement and could be suitable for B1 uses. However the site is close to residential properties and therefore other employment uses would not be suitable.

Availability Summary

Landowner unknown, therefore site unavailable.

Site ref: SS0454 **Site address:** Land between the Elms and Waylets, Basildon

Site description **Site Area (h):** 0.23

A narrow strip of land comprising of commercial uses and storage facilities, former stables. There is a mixture of farmsteads, residential and open countryside in the surrounding vicinity. Further south of the site is the Southend Arterial Road and to the east of the site is Gravelpit wood.

Housing Development Potential

Suitable: No **Available:** No **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

Landowner unknown.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is less than 0.25ha in size and it is not within an existing employment area, town centre or suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0455 **Site address:** Land to the south of Basildon zoo, London Road, Basildon

Site description **Site Area (h):** 2.35

Irregular shaped site comprising of three fields adjacent to a small strip of residential properties to the south of the old Basildon zoo complex and further south of Basildon Golf course. Along the south of the site, there is a further strip of grassland with the A13 run alongside this. Further east of the site is the built up area of Basildon. Reasonably flat site. Noisy due to proximity of A13.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** No

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time. Based on the size and location of the site it is considered the site could be redeveloped to provide 10 dwellings, otherwise it would conflict with local policy and constitute backland development.

Availability Summary

Site submitted by landowner and amended for HELAA 2016.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Whilst not within an existing employment area or town centre the site is within suitable proximity of a settlement and could be suitable for B1 uses. However the site is close to residential properties and therefore other employment uses would not be suitable.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0456 **Site address:** Land at South Lodge, Southlands Road, Crays Hill CM11 2XB

An irregular shaped parcel of land north of Southlands Road. The site comprises a dwellinghouse and associated grounds that appear to be well kept. The northern and eastern boundaries of the site are quite wooded.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

This site was submitted through the Call For Sites process by the landowner.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is not within an existing employment area or town centre and is not within the suitable proximity of a settlement. The site is not considered to be suitable for employment use at this time.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0457 **Site address:** Land south of London Road, Pitsea, Basildon

Site description **Site Area (h):** 0.61

The site is located between the London Road and the A13 on the edge of the urban area of Basildon. There are a few residential properties to the immediate west and opposite the site to the north. The site itself comprises of the Old School House and a residential property (Crofters) and their surrounding grounds of woodland and grassland. The site slopes steeply towards the A13. The north boundary with London Road is a dense hedge.

Housing Development Potential

Suitable: Yes **Available:** No **Achievable:** NA

Suitability Summary

The majority of the site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time

Availability Summary

Landowner unknown, therefore site unavailable.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

The majority of the site is within the Green Belt, however it lies within suitable proximity of a settlement and could be considered for B1, B2 and B8 uses.

Availability Summary

Landowner unknown, therefore site unavailable.

Site ref: SS0459 **Site address:** Infrastructure site at Pitsea landfill site

Site description **Site Area (h):** 14.33

The site forms part of Pitsea landfill. The site is surrounded by the marshes and is accessible by a private track.

Housing Development Potential

Suitable: No **Available:** No **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

Landowner unknown, therefore site unavailable.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is not within an existing employment area or town centre and is not within the suitable proximity of a settlement. The site is not considered to be suitable for employment use at this time.

Availability Summary

Landowner unknown, therefore site unavailable.

Site ref: SS0460 **Site address:** Land between Break Egg Hill and Billericay Railway

Site description **Site Area (h):** 4.66

The sites covers the majority of land within the Break Egg Hill Plotland area. The site consists of small individual plots, some of which included residential dwellings and outbuildings. The site is surrounded by the railway line to the south, Norsey Wood SSSI to the north and west and the Billericay urban area to the east.

Housing Development Potential

Suitable: Yes **Available:** No **Achievable:** NA

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

Landowner unknown, therefore site unavailable.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is not within an existing employment area or town centre and the existing highways access is not considered suitable. The site is not considered to be suitable.

Availability Summary

Landowner unknown, therefore site unavailable.

Site ref: SS0462 **Site address:** Rosedale, Harding's Elms Road, Crays Hill

Site description **Site Area (h):** 0.51

Rectangular shaped site located on the east side of Harding's Elms Road, Crays Hill, in a semi-rural setting. The site comprises a detached house and garage, with the majority of the site laid to lawn. Several large trees exist along the site boundaries. Open countryside lies opposite the site to the west, beyond two drainage ditches, a recreation ground lies to the north and sporadic residential plotlands exist to the south and east.

Housing Development Potential

Suitable: No **Available:** No **Achievable:** NA

Suitability Summary

The site is not within suitable proximity of a settlement, and the majority of the site is situated within flood zone 3b and therefore in accordance with the HELAA methodology, this site is not considered to be suitable.

Availability Summary

Landowner unknown, therefore site unavailable.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is not within suitable proximity of a settlement, and the majority of the site is situated within flood zone 3b. Therefore in accordance with the HELAA methodology, this site is not considered to be suitable.

Availability Summary

Landowner unknown, therefore site unavailable.

Site ref: SS0463 **Site address:** Oakleigh, Hardings Elms Road, Crays Hill

Site description **Site Area (h):** 1.17

Irregular shaped site located on the east side of Harding's Elms Road, Crays Hill, in a semi-rural setting. The site comprises three detached dwellings, a club/pub venue and smallscale commercial buildings. The land lies in an area of sporadic residential plotlands, beyond which is open countryside. A drainage ditch lies opposite the site. Residential plots exist on neighbouring land to the north, west and south. A golf driving range exists on land to the east.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

Landowner known.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is not within an existing employment area or town centre and is not within the suitable proximity of a settlement. The site is not considered to be suitable for employment use at this time.

Availability Summary

Landowner known but only due to application for residential development.

Site ref: SS0464 **Site address:** Westbury, Hardings Elms Road and The Lodge, The Nest and Syndal, Pipp's Hill Road North, Crays Hill

Site description **Site Area (h):** 3.57

Large rectangular shaped site located on the east side of Pipp's Hill Road North, Crays Hill, in a semi-rural setting. The site comprises four detached dwellinghouses fronting the road, each with several outbuildings to the rear. The eastern portion of the land is grassland. The land lies in an area of sporadic residential plotlands, beyond which is open countryside.

Housing Development Potential

Suitable: Yes **Available:** No **Achievable:** NA

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

Landowner unknown, therefore site unavailable.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Whilst not within an existing employment area or town centre the site is within suitable proximity of a settlement and could be suitable for B1 uses. However the site is close to residential properties and doesn't have suitable highways access for other employment uses.

Availability Summary

Landowner unknown, therefore site unavailable.

Site ref: SS0465 **Site address:** Dean Croft, Hardings Elms Road, Crays Hill

Site description **Site Area (h):** 0.11

Rectangular shaped site located on the east side of Harding's Elms Road, Crays Hill, in a semi-rural setting. The site comprises a detached bungalow and garage. The site lies in an area of sporadic residential plotlands, beyond which is open countryside. A drainage ditch lies opposite the site.

Housing Development Potential

Suitable: No **Available:** No **Achievable:** NA

Suitability Summary

The site is not within suitable proximity of a settlement and part of the site is situated within flood zone 3b. Therefore in accordance with the HELAA methodology, this site is not considered to be suitable.

Availability Summary

Landowner unknown, therefore site unavailable.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is less than 0.25ha in size and it is not within an existing employment area, town centre or suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

Landowner unknown, therefore site unavailable.

Site ref: SS0466 **Site address:** Land East of Breconcourt, Branksome Avenue, Wickford

Site description **Site Area (h):** 0.14

It is a narrow rectangular shaped site with several trees located on the corner of Branksome Avenue and Southbourne Grove in a plotland area outside the Wickford settlement. There are some structures on the site.

Housing Development Potential

Suitable: Yes **Available:** No **Achievable:** NA

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

Landowner unknown.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is within a suitable proximity of a settlement, however the site is not larger than 0.25ha and the access is not suitable for employment use.

Availability Summary

Landowner unknown.

Site ref: SS0467 **Site address:** Weir Cottage, Hardings Elms Road, Crays Hill CM11 2UH

Site description **Site Area (h):** 1.31

Largely rectangular shaped site located on the east side of Hardings Elms Road, Crays Hill, in a semi-rural setting. The site comprises a detached bungalow fronting the road, and several outbuildings to the rear around a courtyard used for commercial purposes. The remainder of the site is grassland. The site lies in an area of sporadic residential plotlands, beyond which is open countryside. Woodland and a drainage ditch lie opposite the site. A golf driving range and scrubland exist on the adjacent land to the east of the site.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

This site was submitted through the Call For Sites process by the landowner.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is not within an existing employment area or town centre and is not within the suitable proximity of a settlement. The site is not considered to be suitable for employment use at this time.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0468 **Site address:** Hatfield Cottage, Hardings Elms Road, Crays Hill

Site description **Site Area (h):** 0.16

Rectangular shaped site located on the east side of Harding's Elms Road, Crays Hill, in a semi-rural setting. The site comprises a detached house, garage and outbuildings. The site lies in an area of sporadic residential plotlands, beyond which is open countryside. Woodland and a drainage ditch lie opposite the site. Commercial activity takes place on adjacent site to the south in several industrial type sheds.

Housing Development Potential

Suitable: No **Available:** No **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

Landowner unknown, therefore site unavailable.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is less than 0.25ha in size and it is not within an existing employment area, town centre or suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

Landowner unknown, therefore site unavailable.

Site ref: SS0469 **Site address:** The Elms Nursery and Garden Centre, Hardings Elms Road, Crays Hill

Site description **Site Area (h):** 0.83

Largely rectangular shaped site located on the east side of Harding's Elms Road, Crays Hill, in a semi-rural setting. The site comprises a detached bungalow, garage (nursery shop), large outbuilding and green houses, being run as a garden nursery. Several large trees (mainly oaks) exist on land to the rear. Open countryside lies opposite the site to the west, beyond two drainage ditches, a recreation ground lies to the north beyond an adjacent house and sporadic residential plotlands exist to the south and east.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement and lies partially within flood zone 3b. Therefore the site is not considered to be suitable.

Availability Summary

This site was submitted by the landowner.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is not within an existing employment area or town centre and is not within the suitable proximity of a settlement. The site is not considered to be suitable for employment use at this time.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0470 **Site address:** Greenwood, Potash Road, Billericay CM11 1HG

Site description **Site Area (h):** 1.59

Rectangular shaped site located on the north side of Potash Road. The property lies to the north of the established urban settlement of Billericay in a semi-rural setting. The site comprises a modern detached bungalow and detached garage. Several large trees exist within the site, particularly towards the northern end which is wooded. The site lies in an area comprising a mix of woodland, grassland and isolated dwellinghouses on large plots
Development Plan: Allocated as Green Belt in the Basildon Local Plan 1998.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** No

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time. Based on the size and location of the site it is considered the site could be redeveloped to provide 2 additional dwellings, otherwise it would conflict with local policy and constitute backland development.

Availability Summary

Landowner is known.

Employment Development Potential

Suitable: Yes **Available:** Yes

Suitability Summary

Whilst not within an existing employment area or town centre the site is within suitable proximity of a settlement and could be suitable for B1 uses. However due to highways access and its close proximity to residential properties other employment uses would not be suitable.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0471 **Site address:** Hillview, Potash Road, Billericay

Site description **Site Area (h):** 0.32

Narrow rectangular shaped site located on the north side of Potash Road in a wooded setting. The property lies to the north of the established urban settlement of Billericay in a semi-rural position. The site comprises a detached bungalow set well back from the road on a good sized plot. A further bungalow lies on the adjoining land to the east, whilst woodland and a modern chalet exist on land to the west.

Housing Development Potential

Suitable: Yes **Available:** No **Achievable:** NA

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

There has been no contact with the landowner in the last 5 years therefore the site is not available.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

The site is within suitable proximity of a settlement. It could be suitable for B1 uses, however the site is close to residential properties and therefore other employment uses would not be suitable.

Availability Summary

There has been no contact with the landowner in the last 5 years therefore the site is not available.

Site ref: SS0473 **Site address:** Land adjacent Wayside Cottage and North East of Potash Road, Billericay

Site description **Site Area (h):** 0.81

Large square shaped site located on the north side of Potash Road, comprising mostly woodland. The property lies to the north of the established urban settlement of Billericay in a semi-rural position. The site comprises a detached chalet and garage, sited within a narrow curtilage that runs parallel to the road, with the rest of the land to the rear of this being protected woodland. This area north of the settlement comprises a mix of woodland, open sites and sporadic isolated dwellings, beyond which lies open countryside. As land ownership details for this site are minimal, the area has been amended to reflect recent submissions (SS0549 and SS0580).

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** No

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. Based on the size and location of the site it could be developed to provide 3 dwellings, otherwise it would not be contrary to local policy.

Availability Summary

Landowner known.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. Development on this site would however constitute backland development which would not comply with local policy. The site is therefore unsuitable.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0474 **Site address:** Land between Highfield and Nicklausen, Potash Road, Billericay

Site description **Site Area (h):** 1.26

Rectangular shaped site located on the north side of Potash Road. The property lies to the north of the established urban settlement of Billericay in a semi-rural setting. The site comprises grassland and woodland

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** No

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time. Based on the size and location of the site it is considered the site could be redeveloped to provide 3 additional dwellings, otherwise it would conflict with local policy and constitute backland development.

Availability Summary

Landowner details were submitted in 2015.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

The site is within suitable proximity of a settlement. It could be suitable for B1 uses, however the site is close to residential properties and therefore other employment uses would not be suitable.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0475 **Site address:** Magdalen House, Potash Road, Billericay

Site description **Site Area (h):** 0.17

Irregular shaped site located on the northeast side of Potash Road. The land lies to the north of the established urban settlement of Billericay in a semi-rural setting. The site comprises a large chalet style house, with grass fields either side. This area comprises a mix of sporadic isolated dwellinghouses set amongst woodland and small fields.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. Development on this site would however constitute backland development which would not comply with local policy. The site is therefore unsuitable.

Availability Summary

Landownership details known.

Employment Development Potential

Suitable: No **Available:** Yes

Suitability Summary

Whilst the site is adjacent to the settlement area it is less than 0.25ha in size and therefore the site is not considered to be suitable for employment use.

Availability Summary

Landownership details known.

Site ref: SS0476 **Site address:** 1 and 2 Keeper Cottages, Potash Road, Billericay and adjoining land to north

Site description

Site Area (h): 0.52

Triangular shaped site located on the northeast side of Potash Road at its junction with Goatsmoor Lane. The land lies to the northeast of the established urban settlement of Billericay in a semi-rural setting. The site comprises part of a grassland field, and a pair of former agricultural workers cottages. This area comprises a mix of sporadic isolated dwelling houses set amongst woodland and small fields. A large area of woodland lies to the east.

Housing Development Potential

Suitable: Yes **Available:** No **Achievable:** NA

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

Landowner unknown, therefore site unavailable.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is within a suitable proximity of a settlement, however the site is not larger than 0.25ha and the access is not suitable for employment use.

Availability Summary

Landowner unknown, therefore site unavailable.

Site ref: SS0477 **Site address:** The Oaks, land between Magdalen House and Keeper's Cottages, Potash Road, Billericay

Site description

Site Area (h): 0.80

Irregular shaped field located on the northeast side of Potash Road. The land lies to the northeast of the established urban settlement of Billericay in a semi-rural setting. The site comprises a single grassland field, surrounded by hedges and woodland, with the dwellings Magdalen House to the north and Keepers Cottages to the south. This area comprises a mix of sporadic isolated dwelling houses set amongst woodland and small fields. A large area of woodland lies to the east.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** No

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time. Based on the size and location of the site it is considered the site could be redeveloped to provide 3 additional dwellings, otherwise it would conflict with local policy and constitute backland development.

Availability Summary

Landowner known.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

The site is adjacent to the settlement area and could be considered for B1 uses. The site is not considered to be suitable for other employment uses due to highways access.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0478 **Site address:** Abisca, Southlands Road, Crays Hill CM11 2XB

Site description **Site Area (h):** 0.41

Rectangular parcel of land which consists of a dwellinghouse and associated land. The site is adjacent to Southlands Road and surrounded by residential plots within a semi rural location. To the south of the site is open countryside.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

This site was submitted through the Call For Sites process by the landowner.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is not within an existing employment area or town centre and is not within the suitable proximity of a settlement. The site is not considered to be suitable for employment use at this time.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0479 **Site address:** Land north of Southend Arterial Road, Crays Hill

Site description **Site Area (h):** 15.60

Large tract of land located to the north of the A127 Arterial Road and to the south side of Crays Hill Village. The land has a predominantly open grassland character with sporadic residential woodland, a large gypsy and traveller encampment, public open space and smallscale commercial uses in a semi-rural patchwork fashion. The land is generally flat. There is a small woodland and a large electricity sub-station to the east. Several lakes and ponds also exist within the land.

Housing Development Potential

Suitable: No **Available:** No **Achievable:** NA

Suitability Summary

The site is separated from the main settlement by an A road which is considered to be a significant barrier. Whilst the northern part of the site is within suitable proximity of a settlement it is only a small proportion of the overall site area and therefore would not be considered suitable.

Availability Summary

Identified through the Replacement Local Plan process. No formal submission of the site was received by the landowner, thus unavailable at this time.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is separated from the main settlement by an A road which is considered to be a significant barrier. Whilst the northern part of the site is within suitable proximity of a settlement it is only a small proportion of the overall site area. As such the site is not considered to be suitable for employment use at this time.

Availability Summary

Identified through the Replacement Local Plan process. No formal submission of the site was received by the landowner, thus unavailable at this time.

Site ref: SS0480 **Site address:** Land to the south of South Lodge, Southlands Road, Crays Hill

Site description **Site Area (h):** 0.75

Parcel of land which consists of several plots containing dwellinghouses. The site is adjacent to Southlands Road and within a semi rural location. The site is surrounded by residential plots to the north and west and open countryside and agricultural land to the south and east.

Housing Development Potential

Suitable: No **Available:** No **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

There has been no contact with the landowner in the last 5 years therefore the site is not available.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is not within an existing employment area or town centre and the existing highways access is not considered suitable. The site is not considered to be suitable.

Availability Summary

There has been no contact with the landowner in the last 5 years therefore the site is not available.

Site ref: SS0481 **Site address:** Adjacent Cassetta, Land East of Orchard Avenue, Ramsden Bellhouse CM11 1PH

Site description **Site Area (h):** 0.45

The site is an L-shaped site located close to the Ramsden Bellhouse settlement and is designated as Green Belt. It is currently an open field with trees covered approximately half the site area with residential properties in relatively close proximity to the north, south and east of the site.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** No

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time. As identified in the Serviced Settlement Review, based on the size and location of the site it could be redeveloped to provide 2 additional dwellings.

Availability Summary

Landowners known.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

Whilst the site is within suitable proximity of a settlement it is not within an employment area or a town centre and access is via a private road. It is considered to be unsuitable for employment use due to highways access.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0482 **Site address:** Wood Farm, Orchard Avenue, Ramsden Bellhouse CM11 1PH

Site description **Site Area (h):** 1.15

The site is located on Orchard Avenue and is designated as Green Belt. It is currently an open piece of land used for garden and storage of equipment with residential properties in relatively close proximity to the north, south and west of the site.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

Site submitted by landowner and amended for HELAA 2016.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is not within an existing employment area or town centre and the existing highways access is not considered suitable. The site is not considered to be suitable.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0484 **Site address:** 'Trees', Arterial Road, Laindon

Site description **Site Area (h):** 0.07

Rectangular site located at the northern end of Pound Lane fronting onto the Arterial Road A127 dual carriageway. Site comprise an 'L' shaped dwelling and its rear garden.

Housing Development Potential

Suitable: Yes **Available:** No **Achievable:** NA

Suitability Summary

The site is within an existing settlement area and considered to be suitable.

Availability Summary

Landowner unknown and access to the site is via an A road and direct access would not be possible due to highway safety, therefore the site is not considered as available.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is within a settlement, however the site is not larger than 0.25ha and the access is not suitable for employment use.

Availability Summary

Landowner unknown, therefore site unavailable.

Site ref: SS0485 **Site address:** Barleylands farm, Noak Bridge, Billericay

Site description **Site Area (h):** 79.96

An area of land occupied by Barleylands farm, comprising several large agricultural barns, outbuildings, restaurant and craft village around the farm house, large areas of grassland, large car park and arable farmland. The surrounding area consists of open countryside and a reservoir.

Housing Development Potential

Suitable: No **Available:** No **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. Part of the site is also within flood zone 3B. The site is not considered to be suitable.

Availability Summary

Landowner unknown, therefore site unavailable.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is not within an existing employment area or town centre and is not within the suitable proximity of a settlement. The site is not considered to be suitable for employment use at this time.

Availability Summary

Landowner unknown, therefore site unavailable.

Site ref: SS0487 **Site address:** Land at Daniels Farm, Basildon

Site description **Site Area (h):** 1.43

Rectangular parcel of land associated with Daniels Farm. Site consists of scrubland. Playing pitches are to the north and west of the site, farm buildings to the east and residential properties to the south.

Housing Development Potential

Suitable: Yes **Available:** No **Achievable:** NA

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

Landowner unknown, therefore site unavailable.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

Whilst not within an existing employment area or town centre the site is within suitable proximity of a settlement and could be suitable for B1 uses. However the site is close to residential properties and due to highways access other employment uses would not be suitable.

Availability Summary

Landowner unknown, therefore site unavailable.

Site ref: SS0489 **Site address:** Barleylands Farm, Harding's Elms Road, Crays Hill

Site description **Site Area (h):** 0.62

Rectangular shaped site located on the west side of Harding's Elms Road, Crays Hill, in a semi-rural setting. The site comprises of an area of grazing land bordered by open countryside to the west, beyond two drainage ditches. A recreation ground lies to the north and sporadic residential plotlands exist to the south and east.

Housing Development Potential

Suitable: No **Available:** No **Achievable:** NA

Suitability Summary

The site is not within suitable proximity of a settlement and the site is situated within flood zone 3b. Therefore in accordance with the HELAA methodology, this site is not considered to be suitable.

Availability Summary

Landowner unknown, therefore site unavailable.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is not within an existing employment area or town centre and is not within the suitable proximity of a settlement. The site is also situated within flood zone 3b and therefore not considered suitable.

Availability Summary

Landowner unknown, therefore site unavailable.

Site ref: SS0490 **Site address:** Clyde Lodge, Lower Dunton Road CM13 3SL

Site description **Site Area (h):** 0.70

Largely rectangular shaped site located on the west side of West Mayne, Basildon, adjacent to the Southfields Business Park. The land comprises several detached dwellings on large plots, amongst grazing land in a semi-rural setting. Basildon lies to the east, agricultural fields and residential to the south and countryside to the west. The A127 Arterial Road lies to the north.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

Site submitted by landowner and amended for HELAA 2016.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0491 **Site address:** Land east of Lower Dunton road, Basildon, south of Merrylands Chase, Dunton

Site description **Site Area (h):** 0.61

Irregular shaped site located to the west of West Mayne, Basildon on the east side of Lower Dunton Road. The land comprises six detached dwellings on plots of various sizes. One of these was a former school. The land is situated in a rural setting, opposite two residential dwellings but otherwise surrounded by open farmland and countryside.

Housing Development Potential

Suitable: Yes **Available:** No **Achievable:** NA

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Landowner unknown, therefore site unavailable.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Site is within a settlement and adjacent to an existing employment area and is considered to be suitable for B1, B2 and B8 uses.

Availability Summary

Landowner unknown, therefore site unavailable.

Site ref: SS0496 **Site address:** The Firs, Buckwyns Chase, Billericay

Site description **Site Area (h):** 0.07

The site is to the north of Billericay and to the west of Hillside Farm. It is a small plot of land that is mostly woodland with a small dilapidated outbuilding located in the north west. Buckwyns Chase lies to the south of the site and a few residential properties are scattered throughout the area.

Housing Development Potential

Suitable: No **Available:** No **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

There has been no contact with the landowner in the last 5 years therefore the site is not available.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is less than 0.25ha in size and it is not within an existing employment area, town centre or suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

There has been no contact with the landowner in the last 5 years therefore the site is not available.

Site ref: SS0497 **Site address:** Land at Winifred Cottage and Burwood Works, Windsor Road, North Benfleet

Site description **Site Area (h):** 0.43

Largely rectangular shaped site located on the north side of Windsor Road, North Benfleet and extending back onto Grange Road. The site includes a detached chalet, several outbuildings and a large workshop, used separately to the dwelling. The site lies within an area of sporadic residential development interspersed with vacant plots.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

This site was submitted through the Call For Sites process by the landowner.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is not within an existing employment area or town centre and is not within the suitable proximity of a settlement. The site is not considered to be suitable for employment use at this time.

Availability Summary

Landowner is known and they do not want the site considered for employment uses.

Site ref: SS0499 **Site address:** Land at North East of Magdalen House and East of Greenwood, Potash Road

Site description **Site Area (h):** 2.43

Largely rectangular shaped site located on the northeast side of Potash Road. The land lies to the north of the established urban settlement of Billericay in a semi-rural setting. The site comprises grassland and woodland and is bordered by further woodland, hedgerows and two dwellings on large plots which front Potash Road.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** No

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time. Based on the size and location of the site it is considered the site could be redeveloped to provide 1 dwelling, otherwise it would conflict with local policy and constitute backland development.

Availability Summary

Landowner details known.

Employment Development Potential

Suitable: Yes **Available:** Yes

Suitability Summary

Whilst not within an existing employment area or town centre the site is within suitable proximity of a settlement and could be suitable for B1 uses. However the site is close to residential properties and due to highways access other employment uses would not be suitable.

Availability Summary

Landowner details known

Site ref: SS0500 **Site address:** Land off Honiley Avenue, Wickford

Site description **Site Area (h):** 2.23

Irregular shaped site located across both sides of Honiley Avenue, north side of the A127 Arterial Road, in a semi-rural plotlands setting. The site comprises nine dwellings, a café, haulage yard, parking area and a parcel of scrubland. Although submitted as under the ownership of one individual, there are multiple owners of the site area. The site was previously 2.20ha, however an additional HELAA submission (SS0557) has been submitted in that area and has been deducted from SS0500. The site is essentially flat with a large proportion laid with hardcore. There are electric lines fronting Honiley Avenue. Surrounding sites are mostly open fields / agricultural land.

Housing Development Potential

Suitable: No **Available:** No **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement as the site is separated from the main settlement by an A road which is considered to be a significant barrier. The site is not considered to be suitable.

Availability Summary

There has been no contact with the landowner in the last 5 years therefore the site is not available.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is separated from the main settlement by an A road which is considered to be a significant barrier. As such the site is not adjacent to or within an existing employment area or town centre and it is outside the proximity of a settlement. The site is not considered to be suitable for employment use at this time.

Availability Summary

There has been no contact with the landowner in the last 5 years therefore the site is not available.

Site ref: SS0501 **Site address:** Acacia Lodge, Acacia Road, Bowers Gifford

Site description **Site Area (h):** 0.27

Approximately rectangular site off Acacia Road in Bowers Gifford. The area has a rural character and is predominantly residential. The site comprises of a residential property, some outbuildings and a garden. The garden is laid to grass with a small number of trees along the boundaries and within the site.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

This site was submitted through the Call For Sites process by the landowner.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is not within an existing employment area or town centre and the existing highways access is not considered suitable. The site is not considered to be suitable.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0502 **Site address:** 83 Pound Lane and rear of 85 and 85A Pound Lane, Basildon

Site description **Site Area (h):** 0.26

Site consisting of residential properties. Land to the east and south is residential, whilst land to the west and north is used as public open space. A community pavillion lies to the north of the site whilst a seven dwellinghouse development has been completed on the land to the south, with access via Elverston Close. The site presently comprises one small bungalow on the southern side and a number of mature trees and shrubs on the northern side.

Housing Development Potential

Suitable: Yes **Available:** No **Achievable:** NA

Suitability Summary

The site is within an existing settlement area and is therefore suitable. However the site consists of new dwellings.

Availability Summary

Landowner unknown, therefore site unavailable.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Whilst not within an existing employment area or town centre the site is within the settlement and could be suitable for B1 uses. However the site is close to residential properties and therefore other employment uses would not be suitable.

Availability Summary

Site ref: SS0503 **Site address:** Former Framptons Farm Tree Nursery, r/o 1-45 Fenners Way and adjacent to Frampton's Farm House, Nevendon

Site description **Site Area (h):** 2.25

Largely rectangular site located on the east side of East Mayne. The site is an area of open space and covered with trees and hedgerows, it is also home to a nursery. The A127 arterial road lies to the north of the site, industrial units to the west and residential properties to the south and east.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is located within the cordon sanitaire of a waste water treatment works and therefore in accordance with the HELAA methodology, this site is not considered to be suitable.

Availability Summary

This site was submitted through the Call For Sites process by the landowner.

Employment Development Potential

Suitable: Yes **Available:** Yes

Suitability Summary

The site is largely within an existing employment area and could be considered for B1 and B2 uses. The site is close to the A127 junction and may be potentially suitable for B8 uses.

Availability Summary

This site was submitted through the Call For Sites process by the landowner.

Site ref: SS0504 **Site address:** Land at Bradfields Farm, Burnt Mills Road, North Benfleet SS12 9JX

Site description **Site Area (h):** 34.87

The site consists of a number of agricultural fields including the cluster of farm buildings and farmhouse. To the north of the site lies a gypsy and traveller community along Cranfield Park Avenue whilst to the west of the site the land is occupied by a large number of industrial type buildings. The north east corner of the land is within flood zones 2 and 3a.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within the Green Belt, however a large proportion of it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

The site was submitted by the landowner through the call for sites process.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Whilst not within an existing employment area or town centre the site is within suitable proximity of a settlement and could be suitable for B1 uses. However due to highways access other employment uses would not be suitable.

Availability Summary

Landowner preference for the land does not include residential uses.

Site ref: SS0505 **Site address:** Rear of Barnsfield, Crays Hill, Billericay CM11 2XP

Site description **Site Area (h):** 1.04

The site is a rectangular shaped plot of land situated to the south of Crays Hill and to the north of Barns Road surrounded by residential properties to the north, east and west sides. The site also includes the residential property named Barnsfield for the purposes of accessing the land to the rear. The site is primarily open and used for agricultural purposes.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** No

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. As identified in the Serviced Settlement Review the site could be developed to provide up to 12 dwellings.

Availability Summary

The site was submitted by the landowner through the call for sites process.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Whilst not within an existing employment area or town centre the site is within suitable proximity of a settlement and could be suitable for B1 uses. However the site is close to residential properties and therefore other employment uses would not be suitable.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0506 **Site address:** Ashford, Boscombe Avenue, Wickford SS12 0JW

Site description **Site Area (h):** 0.07

The site lies within a residential plotland enclave within the Green Belt. The site comprises of a single structure (summerhouse) largely surrounded by vegetation.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

The site was submitted by the landowner through the call for sites process.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is less than 0.25ha in size, it is not adjacent to or within an existing employment area or town centre. It is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

The site was submitted by the landowner through the call for sites process.

Site ref: SS0511 **Site address:** Land East of Nevendon Manor, Borwick Lane, Wickford SS12 0QA

Site description **Site Area (h):** 1.05

An irregular parcel of land which is mainly wooded and a pond in the centre. The site is bounded by Borwick Lane to the north and east, Nevendon Road to the south and Nevendon Manor to the west. The site lies within flood zone 3b (functional floodplain)

Housing Development Potential

Suitable: No **Available:** No **Achievable:** NA

Suitability Summary

The site is located within flood zone 3b (functional floodplain) and therefore in accordance with the HELAA methodology it has been found unsuitable for housing development

Availability Summary

There has been no contact with the landowner in the last 5 years therefore the site is not available.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is within a suitable proximity of a settlement, however the site is almost entirely located within flood zone 3b and therefore not suitable for employment use.

Availability Summary

There has been no contact with the landowner in the last 5 years therefore the site is not available.

Site ref: SS0513 **Site address:** Land West of Gardiners Lane South, Basildon

Site description **Site Area (h):** 1.01

The site is a rectangular shaped piece of woodland located to the west of Gardiners Lane South and north of Gardiners close. The site previously formed part of a larger area located west of Gardiners Lane South which was allocated as a comprehensive development area in the BDLP 1998.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** No

Suitability Summary

The site is within an existing settlement area and considered to be suitable.

Availability Summary

Landowner known.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Site is adjacent to an existing employment area within the settlement area and could be considered for B1, B2 and B8 uses.

Availability Summary

The site is within the settlement area however it is currently being developed for residential use by the landowner. Therefore the site is not available for employment use.

Site ref: SS0514 **Site address:** Land South of Gardiners Close, Basildon

Site description **Site Area (h):** 7.18

This site is located north of Cranes Farm Road and south of Gardiners Close and is situated within the urban area. The site previously formed part of a larger area located west of Gardiners Lane South which was allocated as a comprehensive development area in the BDLP 1998. The site comprises of a mixture of residential and leisure uses.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within an existing settlement area and considered to be suitable.

Availability Summary

The site was submitted by the landowner through the call for sites process.

Employment Development Potential

Suitable: Yes **Available:** Yes

Suitability Summary

Site is adjacent to two existing employment areas within the settlement area and could be considered for B1, B2 and B8 uses.

Availability Summary

The site was submitted by the landowner through the call for sites process.

Site ref: SS0515 **Site address:** Land south of Lyndel, Green Lane, Little Burstead

Site description **Site Area (h):** 0.18

The site is a rectangular shaped piece of scrubland situated to the north of The Chase and to the east of Green Lane within a residential plotland enclave of the Green Belt.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement as the site is separated from the main settlement by an A road which is considered to be a significant barrier. The site is not considered to be suitable.

Availability Summary

The site was submitted by the landowner through the call for sites process.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is less than 0.25ha in size, it is not adjacent to or within an existing employment area or town centre. It is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0517 **Site address:** Crayside, Oak Road, Crays Hill, Wickford CM11 2YL

Site description **Site Area (h):** 0.24

The site is a rectangular shaped piece of land which comprises of a single dwellinghouse and sits adjacent boarding kennels/cattery which forms site SS0518. The site sits north of Oak Road and is bordered by hedging.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitable: Yes **Available:** Yes

Suitability Summary

Whilst not within an existing employment area or town centre the site is within suitable proximity of a settlement and could be suitable for B1 uses. However the site is close to residential properties and due to highways access other employment uses would not be suitable.

Availability Summary

The site was submitted through the Call for Sites process.

Site ref: SS0528 **Site address:** Land North of Gardiners Way, Basildon

Site description **Site Area (h):** 3.95

A small rectangular parcel of land sandwiched between Gardiners Way, Gardiners Land South and the Mayflower Retail Park. The land mainly consists of scrubland with a few recreational buildings.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within the settlement boundary and has been considered suitable.

Availability Summary

The site was submitted through the Call for Sites process.

Employment Development Potential

Suitable: Yes **Available:** Yes

Suitability Summary

Site is adjacent to an existing employment area and could be considered for B1 and B2 uses. Access to the site is by an unclassified road which is used by the adjacent industrial estate and leads directly onto A roads. Therefore the site could also be considered for B8 uses.

Availability Summary

The site was submitted through the Call for Sites process.

Site ref: SS0529 **Site address:** Land west of Gardiners Lane South, Basildon

Site description **Site Area (h):** 0.68

A small parcel of land to the south of Gardiners Way and to the west of Gardiners Lane South. The land is currently scrubland with permission for a hardstanding for the use of road worthy mobile homes.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within the settlement boundary and has been considered suitable.

Availability Summary

The site was submitted as part of the call for sites process

Employment Development Potential

Suitable: Yes **Available:** Yes

Suitability Summary

Site is adjacent to an existing employment area and could be considered for B1 and B2 uses. Access to the site is by an unclassified road which is used by the adjacent industrial estate and leads directly onto A roads. Therefore the site could also be considered for B8 uses.

Availability Summary

The site was submitted as part of the call for sites process

Site ref: SS0530 **Site address:** Land between 11 & 15 Church Street, Great Burstead, Billericay CM11 2SY

Site description **Site Area (h):** 0.86

The site is located in Great Burstead with Grange Farm to the east and housing situated in the Billericay defined settlement to the north. The site is currently grassland.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time. The developable area of the site has been reduced to include only the open field adjacent to the existing settlement as the remainder of the site is required for access to other properties and/or would not deliver any additional dwellings. Based on the size and location part of the site could be developed to provide 17 additional dwellings.

Availability Summary

Site submitted through the Call for Sites process.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Whilst not within an existing employment area or town centre the site is within suitable proximity of a settlement, however the site is not considered suitable due to highways access.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0531 **Site address:** Land east of Church Road, Ramsden Bellhouse CM11 1RH

Site description **Site Area (h):** 18.65

The site consists of farm buildings at Alpha Farm and agricultural fields with hedgerows and trees forming the site boundary. The land lies to the north of the River Crouch, west of Newhouse Farm and Castledon Road Plotland and east of Church Road. It is adjacent to linear development within the settlement of Ramsden Bellhouse. The site boundary has been amended to exclude land to the southern part of the site which is within flood zone 3b.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** No

Suitability Summary

The site is within the Green Belt and a large part of the site does not lie within suitable proximity of a settlement. However there are two sections that do have highways access. It is therefore considered suitable at this time. Based on the size and location of the site and informed in part by the Serviced Settlement Review, the site could be redeveloped to provide upto 32 additional dwellings along the road frontage.

Availability Summary

Landowner known.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Whilst not within an existing employment area or town centre part of the site with access is within suitable proximity to a settlement and could be considered for B1 and B2. Highways access is not suitable for B8 uses

Availability Summary

Landowner is known and they do not want the site considered for employment uses

Site ref: SS0532 **Site address:** Land at Kingsmans Farm, Billericay CM12 9PZ

Site description **Site Area (h):** 23.70

The site is a large parcel of land consisting of farm buildings at Kingsmans Farm and agricultural fields. Tye Common Road forms the eastern and southern boundaries of the site, drainage ditches frame the western boundaries, Elmshaws Farm is also at the southern boundary and Blunts Wall Road forms the northern boundary beyond which are sports grounds and recreational facilities. The Settlement of Tye Common is adjacent to the site and agricultural fields lie to the west. There are two drainage ditches traversing the site west - east.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within the Green Belt, however the majority of it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

The site was put forward by an agent working on behalf of the land owner as part of the Call for Sites process

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Whilst not within an existing employment area or town centre the site is within suitable proximity of a settlement and could be suitable for B1 uses. However due to highways access other employment uses would not be suitable.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0533 **Site address:** Larks Wood Park, Tresco Way Wickford SS12 9JF

Site description **Site Area (h):** 87.38

The site is a large parcel of land located to the south east of Tresco Way close to the Wick Country Park. The site surrounds Fanton Hall and consists of a series of agricultural fields and paddock land bounded by hedgerows and trees. There is a wooded area to the north west of the site, tracks traversing the site, and streams framing the east and west boundaries.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within the Green Belt, however part of it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

The site has been submitted through the Call for Sites process on behalf of the land owner.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Whilst not within an existing employment area or town centre the site is within suitable proximity of a settlement and could be suitable for B1 uses. However due to highways access other employment uses would not be suitable.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0534 **Site address:** Land fronting Runwell Rd & roundabout SS11 7HQ

Site description **Site Area (h):** 0.17

The site is within the settlement of Wickford located adjacent to Runwell Road and the roundabout for Runwell Road and A132. The site is bordered by Runwell Road to the west, burial ground to the north, scrubland in other land ownership to the east and the river crouch to the south east. Part of the site has been excluded where it lies within flood zone 3b.

Housing Development Potential

Suitable: Yes **Available:** No **Achievable:** NA

Suitability Summary

The site is within the settlement boundary. As there are no physical constraints, this site is considered to be suitable.

Availability Summary

The site has been submitted through the Call for Sites but the ownership of part of the site is unknown.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

Whilst the site is within the settlement area it is less than 0.25ha in size and it is not adjacent to or within an existing employment area or town centre. Therefore the site is not considered to be suitable for employment use.

Availability Summary

The landowners preference for the land does not include employment uses. The site has been submitted through the Call for Sites but the ownership of part of the site is unknown.

Site ref: SS0535 **Site address:** The Barn (formerly known as Niklausen), Potash Road, Billericay CM11 1HH

Site description **Site Area (h):** 1.64

The site is located to the north east of Billericay and adjacent to the settlement boundary. A residential property is located in the southern corner of the site, there is woodland to the north and the rest of the site is primarily an open field surrounded by trees.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** No

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time. Based on the size and location of the site it is considered the site could be redeveloped to provide 2 additional dwellings, otherwise it would conflict with local policy and constitute backland development.

Availability Summary

The site has been submitted through the Call for Sites.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0536 **Site address:** Land off Gardiners Lane South, Basildon

Site description **Site Area (h):** 37.12

Large rectangular piece of land located to the west of Gardiners Lane South, Basildon. The site is characterised by a mixture of residential properties, outdoor sport/recreation uses, and a number of vacant plots/scrubland.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** No

Suitability Summary

The site is within the settlement boundary with potential access. As there are no physical constraints, this site is considered to be suitable.

Availability Summary

The site has been submitted through the Call for Sites.

Employment Development Potential

Suitable: Yes **Available:** Yes

Suitability Summary

The site is adjacent to two existing employment areas and could be considered suitable for B1, B2 and B8 uses.

Availability Summary

Site submitted by landowner.

Site ref: SS0537 **Site address:** Land adjacent to The Brambles, Canford Avenue, Wickford SS12 0JN

Site description **Site Area (h):** 0.04

Small rectangular parcel of land within Newhouse Farm Plotland area. The site is vacant scrubland which fronts on to Canford Avenue and is adjacent to other plots. The site is bordered by trees.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

The site has been submitted through the Call for Sites by the landowner

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is less than 0.25ha in size and it is not within an existing employment area, town centre or suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0538 **Site address:** Rose Cottage, Coxes Farm Road, Billericay CM11 2UA

Site description **Site Area (h):** 0.96

The site lies to the west of Coxes Farm Road and is bounded by hedgerows. The land consists of a residential property Rose Cottage and scrubland and is surrounded by residential properties to the south and west.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is also within the 400m Sewage Works buffer and therefore unsuitable for housing as recommended by Anglian Water.

Availability Summary

The site has been submitted through the Call for Sites by the landowner

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0539 **Site address:** Land South of Outwood Farm Road junction with Outwood Common Road CM11 2TZ

Site description **Site Area (h):** 2.10

Site lies south of Outwood Farm Road and the junction with Outwood Common Road. The site consists of residential buildings, agricultural land and a pond. It is bounded by trees and hedgerows. To the immediate south and west there are agricultural fields and to the east are residential properties fronting onto Outwood Farm Road.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** No

Suitability Summary

The site is within the Green Belt, however it partially lies within suitable proximity of a settlement. It is therefore considered suitable at this time. Based on the size and location of the site it is considered the site could be redeveloped to provide 3 dwellings, otherwise it would conflict with local policy and constitute backland development.

Availability Summary

The site has been submitted through the Call for Sites on behalf of the landowner

Employment Development Potential

Suitable: Yes **Available:** Yes

Suitability Summary

Whilst not within an existing employment area or town centre the site is partially within suitable proximity of a settlement and could be suitable for B1 uses. However due to highways access other employment uses would not be suitable.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0540 **Site address:** Sunny Villa, Outwood Farm Road CM11 2TZ

Site description **Site Area (h):** 1.54

A rectangular parcel of land situated to the south of Outwood Farm Road comprising of a residential property with a large garden.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** No

Suitability Summary

The site is within the Green Belt, however it partially lies within suitable proximity of a settlement. It is therefore considered suitable at this time. Based on the size and location of the site it is considered the site could be redeveloped to provide 2 dwellings, otherwise it would conflict with local policy and constitute backland development.

Availability Summary

The site has been submitted through the Call for Sites by the landowner

Employment Development Potential

Suitable: Yes **Available:** Yes

Suitability Summary

Whilst not within an existing employment area or town centre the site is within suitable proximity of a settlement and could be suitable for B1 uses. However the site is close to residential properties and due to highways access other employment uses would not be suitable.

Availability Summary

The site has been submitted through the Call for Sites by the landowner

Site ref: SS0541 **Site address:** Greenacres, Outwood Common Farm Road CM11 2TZ

Site description **Site Area (h):** 0.96

A rectangular shaped parcel of land situated south of Outwood Farm Road comprising of a residential property with a large garden and outbuildings.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt and only a small part is located within suitable proximity of a settlement. It is therefore not considered suitable at this time.

Availability Summary

The site has been submitted through the Call for Sites on behalf of the landowner

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is within the Green Belt and only a small part is located within suitable proximity of a settlement. It is therefore not considered suitable for employment use at this time.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0542 **Site address:** Carpenters Farm, Harrow Road, North Benfleet SS12 9JJ

Site description **Site Area (h):** 7.12

An irregular shaped parcel of land situated to the south of the A127 Arterial Road. The site comprises primarily of grazing land and is abutted on the south and eastern sides by agricultural fields.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within a suitable proximity of a settlement. It is therefore not considered suitable at this time.

Availability Summary

The site was submitted through the HELAA process following the consultation of the Core Strategy Revised Preferred Options 2013.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is within the Green Belt and it does not lie within a suitable proximity of a settlement. It is therefore not considered suitable at this time.

Availability Summary

Landowner is known and they do not want the site considered for employment uses

Site ref: SS0543 **Site address:** White Farm, Coxes Farm Road CM11 2UB

Site description **Site Area (h):** 2.72

Rectangular parcel of land situated to the west of Coxes Farm Road, 25% of which comprises of numerous farm buildings, whilst the remainder of the land is grassland.

Housing Development Potential

Suitable: No **Available:** No **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

The site was submitted through the HELAA process in 2014 and amended in 2016 and again in 2019.

Employment Development Potential

Suitable: Yes **Available:** Yes

Suitability Summary

The site is within suitable proximity to a settlement and could be considered for B1, B2 and B8 uses. The site is accessed via an A road.

Availability Summary

The site was submitted through the HELAA process in 2014 and the site area amended in 2016.

Site ref: SS0556 **Site address:** Mascot, Windsor Road, Bowers Gifford SS13 2LH

Site description **Site Area (h):** 0.34

An irregular shaped parcel of land situated within the plotlands. The plot fronts both Windsor Road and Grange Road as it extends over two original style plotland plots. The site has numerous outbuildings spread across the site and is surrounded by similarly built up plots.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

The site was submitted through the HELAA process and updated in 2016.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is not within an existing employment area or town centre and is not within the suitable proximity of a settlement. The site is not considered to be suitable for employment use at this time.

Availability Summary

Landowner is known and they do not want the site considered for employment uses

Site ref: SS0557 **Site address:** Carlton Transport Café, Arterial Road A127, Wickford SS12 9HZ

Site description **Site Area (h):** 0.13

A rectangular shaped parcel of land used as the car park for a restaurant known as 'Carlton Transport Café'. The site is surrounded by numerous industrial and storage uses and is situated north of the A127 Arterial Road within a plotland area in the Green Belt.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement as the site is separated from the main settlement by an A road which is considered to be a significant barrier. The site is not considered to be suitable.

Availability Summary

The site was submitted through the HELAA process in 2014.

Employment Development Potential

Suitable: No **Available:** Yes

Suitability Summary

The site is separated from the main settlement by an A road which is considered to be a significant barrier. As such the site is not adjacent to or within an existing employment area or town centre and it is outside the proximity of a settlement. The site is not considered to be suitable for employment use at this time.

Availability Summary

The site was submitted through the HELAA process in 2014.

Site ref: SS0558 **Site address:** Rear of 201 Pound Lane, Bowers Gifford, Basildon SS13 2JS

Site description **Site Area (h):** 0.32

A rectangular parcel of land situated to the rear of 201 Pound Lane, fronting Thomas Road. The land appears to be used as part of 201 Pound Lane's garden as is situated within the plotland area of Pound Lane. The land adjacent also appears to be used for storage purposes.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** No

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time. Based on the size and location of the site it could be redeveloped to provide 1 additional dwelling.

Availability Summary

The site was submitted through the HELAA process in 2014.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is within a suitable proximity of a settlement boundary, however the access is not suitable for employment use.

Availability Summary

Landowner is known and they do not want the site considered for employment uses

Site ref: SS0560 **Site address:** Land West of Upper Park Road, Wickford SS12 9EN

Site description **Site Area (h):** 1.43

Rectangular shaped parcel of land situated to the west of Upper Park Road and south of Cranfield Park Road round about. The site is made up of grassland and is north of several plots submitted to the Council as part of the HELAA. There are several residential properties to the west of the plot and the site lies just outside of the defined settlement of Wickford.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

The site was submitted through the HELAA process in 2014 and amended in 2016 through the HELAA process.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Whilst not within an existing employment area or town centre the site is within suitable proximity of a settlement and could be suitable for B1 uses. However due to highways access and its close proximity to residential properties other employment uses would not be suitable.

Availability Summary

Landowner is known and they do not want the site considered for employment uses

Site ref: SS0567 **Site address:** Land West of Ramsden View Road, Wickford

Site description **Site Area (h):** 0.19

A small vacant plot of land within the Ramsden View Road Plotland Area. The site is adjacent to residential properties within the Plotland and agricultural fields.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

The site was submitted as part of the HELAA process 2014.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is less than 0.25ha in size and it is not within an existing employment area, town centre or suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0568 **Site address:** The Paddocks, Coxes Farm Road, Billericay CM11 2UB

Site description **Site Area (h):** 0.38

A square shaped parcel of land situated to the north west of Coxes Farm Road. Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

The site was submitted as part of the HELAA process in 2014.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is not within an existing employment area or town centre and is not within the suitable proximity of a settlement. The site is not considered to be suitable for employment use at this time.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0569 **Site address:** Land at Homestead Drive, Langdon Hills, Basildon SS16 5PE

Site description **Site Area (h):** 2.16

An irregular shaped parcel of land situated adjacent the settlement boundary of Langdon Hills, north of Westley Heights Country Park. The land is accessible from Homestead Drive and comprises of grassland/scrubland.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

The site was submitted through the HELAA process.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

Whilst the site is within suitable proximity of a settlement it is not within an employment area or a town centre and access is via a private road. It is considered to be unsuitable for employment use due to highways access.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0570 **Site address:** Wycherton, Broomhills Chase, Little Burstead, Billericay CM12 9TE

Site description **Site Area (h):** 0.17

A rectangular plot situated within the plotlands of Little Burstead. The plot comprises one residential property and associated garden.

Housing Development Potential

Suitable: No **Available:** No **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

There has been no contact with the landowner in the last 5 years therefore the site is not available.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is less than 0.25ha in size and it is not within an existing employment area, town centre or suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0571 **Site address:** Land south of Rosemount, Clarence Road, Bowers Gifford SS13 2JW

Site description **Site Area (h):** 0.62

The square parcel of land is located to the south of Clarence Road plotlands and comprises of mainly scrubland. The site is abutting a wooded area to the south and is also adjacent numerous agricultural fields, located to the east.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** No

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time. Based on the size and location of the site it could developed to provide 3 additional dwellings as frontage development.

Availability Summary

The site was submitted through the HELAA process in 2014.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

Landowner is known and they do not want the site considered for employment uses.

Site ref: SS0572 **Site address:** Land rear of Pickwick, Gardiners Lane North, Crays Hill CM11 2XA

Site description **Site Area (h):** 0.19

A rectangular shaped parcel of land to the north of Southlands Road, to the rear of residential properties along Gardiners Lane North. The site is currently used as a garden for a property on Gardiners Lane North. It is adjacent to the settlement boundary of Crays Hill.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** No

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time. Based on the size and location of the site it is considered the site could be redeveloped to provide 1 dwelling.

Availability Summary

The site was submitted through the HELAA process in 2014.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is less than 0.25ha in size and it is not within an existing employment area or town centre. The site is not considered to be suitable.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0573 **Site address:** Millfields, Broomhills Chase, Little Burstead CM12

Site description **Site Area (h):** 0.31

A rectangular plot situated within the plotlands of Little Burstead. The plot is a mixture of scrubland and storage units located on the south side of Broomhills Chase surrounded by both residential properties and woodland

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

The site was submitted through the HELAA process in 2014.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is less than 0.25ha in size and it is not within an existing employment area, town centre or suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0574 **Site address:** Steeple View Farm, Dunton Road, Laindon SS15 4DB

Site description **Site Area (h):** 5.85

Large rectangular parcel of land situated to the north of the A127 Arterial Road and south of Dunton Road. The parcel is within the Green Belt and is currently used for agricultural purposes.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement as the site is separated from the main settlement by an A road which is considered to be a significant barrier. The site is not considered to be suitable.

Availability Summary

The site was submitted through the HELAA process in 2014.

Employment Development Potential

Suitable: No **Available:** Yes

Suitability Summary

The site is separated from the main settlement by an A road which is considered to be a significant barrier. As such the site is not adjacent to or within an existing employment area or town centre and it is outside the proximity of a settlement. The site is not considered to be suitable for employment use at this time.

Availability Summary

The site was submitted through the HELAA process in 2014.

Site ref: SS0575 **Site address:** Land South of Dunton Road, Laindon

Site description **Site Area (h):** 12.53

Large rectangular parcel of land situated to the north of the A127 Arterial Road and south of Dunton Road. The parcel is within the Green Belt and is currently used for agricultural purposes.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement as the site is separated from the main settlement by an A road which is considered to be a significant barrier. The site is not considered to be suitable.

Availability Summary

The site was submitted through the HELAA process in 2014.

Employment Development Potential

Suitable: No **Available:** Yes

Suitability Summary

The site is separated from the main settlement by an A road which is considered to be a significant barrier. As such the site is not adjacent to or within an existing employment area or town centre and it is outside the proximity of a settlement. The site is not considered to be suitable for employment use at this time.

Availability Summary

The site was submitted through the HELAA process in 2014.

Site ref: SS0576 **Site address:** Fairway, Meadow Way, Wickford SS12 9HA

Site description **Site Area (h):** 0.05

A rectangular shaped parcel of land situated within a plotland area. The site comprises of one residential property and is situated on the north side of Meadow Way.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

The site was submitted through the HELAA process in 2014.

Employment Development Potential

Suitable: No **Available:** Yes

Suitability Summary

The site is less than 0.25ha in size and it is not within an existing employment area or town centre. The site is not considered to be suitable.

Availability Summary

The site was submitted through the HELAA process in 2014.

Site ref: SS0577 **Site address:** Dunroamin / The Bungalow, Gardiners Close, Basildon SS14 3AW

Site description **Site Area (h):** 0.55

Rectangular plot of land situated to the south of Gardiners Lane and north of Cranes Farm Road. The residential/business property is situated within a ribbon of residential properties, whilst the further surrounding areas are used mainly for recreational purposes.

Housing Development Potential

Suitable: Yes **Available:** No **Achievable:** NA

Suitability Summary

The site is within an existing settlement area and considered to be suitable.

Availability Summary

Landowner unknown.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

The site is within the settlement area and could be considered for B1 and B2 uses. The site is not considered to be suitable for B8 uses due to highways access.

Availability Summary

Landowner unknown.

Site ref: SS0578 **Site address:** 81 Castledon Road, Wickford SS12 0EF

Site description **Site Area (h):** 0.37

An irregular shaped parcel of land situated to the west of Castledon Road. The plot comprises of a residential dwelling and associated garden. However the majority of the garden is within the Green Belt whilst the property itself is within the settlement boundary of Wickford.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is partially within the settlement boundary of Wickford and the remainder of the site is within a suitable proximity of the settlement. It is therefore considered suitable at this time. The site could come forward as apart of a comprehensive development with the adjoining site SS0202, therefore the capacity has been identified as an urban extension.

Availability Summary

The site was put forward through the HELAA process 2014.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Whilst not within an existing employment area or town centre the site is partially within the settlement boundary of Wickford and the remainder of the site is within a suitable proximity of the settlement and could be suitable for B1 uses. However the site is close to residential properties and therefore other employment uses would not be suitable.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0579 **Site address:** Basildon Lodge, Gardiners Close, Basildon SS14 3AN

Site description **Site Area (h):** 0.58

Rectangular plot of land situated to the south of Gardiners Lane and north of Cranes Farm Road. The property is situated within a ribbon of residential properties, whilst the further surrounding areas are used mainly for recreational purposes.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within an existing settlement area and considered to be suitable.

Availability Summary

Landowner known

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

The site is within the settlement area and could be considered for B1 and B2 uses. The site is not considered to be suitable for B8 uses due to highways access.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0580 **Site address:** 65 Potash Road, Billericay CM11 1DL

Site description **Site Area (h):** 3.15

The site is an irregular shaped piece of the land set approximately 200m north east of Potash Road with access via Potash Road. There is a residential property situated on the plot with the remainder of the site comprising mostly of grassland/scrubland.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

The site was submitted as a new HELAA site in 2013 following the Revised Preferred Options Consultation 2014. The site was submitted through the Call For Sites process by the landowner. Access would need to be sought from existing access points on Potash road in conjunction with site SS0580.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Whilst not within an existing employment area or town centre the site is within suitable proximity of a settlement and could be suitable for B1 uses. However due to highways access and its close proximity to residential properties other employment uses would not be suitable.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0582 **Site address:** 1 Mount Lodge, Gardiners Close, Basildon SS14 3AW

Site description **Site Area (h):** 0.20

Rectangular plot of land situated to the south of Gardiners Lane and north of Cranes Farm Road. The property is situated within a ribbon of residential properties, whilst the further surrounding areas are used mainly for recreational purposes.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

This site forms part of a larger proposed submission area which is within the urban area and there are no physical constraints, it is therefore considered to be suitable.

Availability Summary

Landowner known.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is less than 0.25ha in size and it is not within an existing employment area or town centre. The site is not considered to be suitable.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0583 **Site address:** Land at Bonvilles Farm, Basildon

Site description **Site Area (h):** 0.44

An irregular shaped parcel of land to the east of Bonvilles Farm within the Green Belt. To the north of the site is the A127, to the east is the A130 and to the south sits the A13 and is therefore potentially a well connected site.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

Landowner known.

Employment Development Potential

Suitable: No **Available:** Yes

Suitability Summary

The site is not adjacent to or within an existing employment area or town centre and is not within the suitable proximity of a settlement. The site is not considered to be suitable for employment use at this time.

Availability Summary

Landowner known.

Site ref: SS0584 **Site address:** Land adjacent Prospect Cottage, Crays Hill Road CM11 2YW

Site description **Site Area (h):** 0.29

Square plot of land within a plotlands situated on Crays Hill Road to the west of Gardiners Lane North. The site is situated within a small ribbon of residential properties and includes caravans on the site.

Housing Development Potential

Suitable: No **Available:** No **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

The site was submitted through the HELAA process in 2014/2015. However no access to site, therefore site is unavailable.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0585 **Site address:** Treehaven, Rectory Road, Little Burstead, Billericay CM12 9TR

Site description **Site Area (h):** 0.09

Corner plot located between Rectory Road and New Road adjacent to property Walnut Tree Lodge. Square shaped vacant land with trees and hedges to boundary. Adjacent to SS0586.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

The site was submitted through the HELAA process in 2014/2015

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is less than 0.25ha in size, it is not adjacent to or within an existing employment area or town centre. It is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0586 **Site address:** Burntwood, New Road, Little Burstead, Billericay CM12 9TS

Site description **Site Area (h):** 0.09

Square plot located on New Road adjacent to property Walnut Tree Lodge / SS0585 and SS0725. Square shaped vacant land with trees and hedges to boundary.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

The site was submitted through the HELAA process in 2014/2015

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is less than 0.25ha in size, it is not adjacent to or within an existing employment area or town centre. It is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0587 **Site address:** Land South of London Road, East of Bell Farm, Wickford SS12 0EU

Site description **Site Area (h):** 0.15

An 'L' shaped plot of vacant land adjacent Bell Farm, south of London Road. Opposite existing settlement and plotlands. The site appears to be grassland/scrubland.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time. The site could form part of an urban extension with other sites in the locality.

Availability Summary

The site was submitted through the HELAA process in 2014/2015.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is within a suitable proximity of a settlement boundary and whilst it does not have any physical constraints that would restrict employment development on the land the site is not larger than 0.25ha. Therefore the site is currently unsuitable.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0588 **Site address:** Land rear of Frensham, Glebe Road, Ramsden Bellhouse, Billericay CM11 1RJ

Site description **Site Area (h):** 0.71

An irregular shaped plot of vacant backland to the rear of Frensham and Beccles. Located in the Greenbelt adjacent the Plotlands. Site edged by trees. Current use is for stabling with vehicle access.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. Development on this site would however constitute backland development which would not comply with policy. The site is therefore unsuitable.

Availability Summary

The site was submitted through the HELAA process in 2014/2015

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

Whilst the site is within suitable proximity of a settlement it is not within an employment area or a town centre and access is via a private road. It is considered to be unsuitable for employment use due to highways access. It would also constitute backland development which would not comply with policy.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0589 **Site address:** Meadway Farm, Rectory Road, Little Burstead, Billericay CM12 9JR

Site description **Site Area (h):** 3.07

Large irregular shaped plot of land located off Rectory Road. Access to the site is via an existing track. The site is part Plotlands, part Green Belt. Trees and hedges are on the boundaries of the site.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

The site was submitted through the HELAA process in 2014/2015

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is not within an existing employment area or town centre and is not within the suitable proximity of a settlement. The site is not considered to be suitable for employment use at this time.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0590 **Site address:** Land at the Woodmans, Oak Road, Crays Hill CM11 2YG

Site description **Site Area (h):** 0.20

Square shaped piece of land adjacent Woodmans located within the Plotlands. Currently used as garden. Fronts Oak Road and bounded by trees and hedges.

Housing Development Potential

Suitable: No **Available:** No **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

There has been no contact with the landowner in the last 5 years therefore the site is not available.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is less than 0.25ha in size and it is not within an existing employment area, town centre or suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0591 **Site address:** Land at 286 London Road, Wickford SS12 0JZ

Site description **Site Area (h):** 1.72

Irregular shaped piece of backland within the Plotlands. Accessed via a track from London Road. Two existing dwellings and disused agricultural land form the site.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. Development on this site would however constitute backland development which would not comply with local policy. The site is therefore unsuitable.

Availability Summary

The site was submitted through the HELAA process.

Employment Development Potential

Suitable: No **Available:** Yes

Suitability Summary

Whilst the site is within suitable proximity of a settlement access is via a private road. It is considered to be unsuitable for employment use due to highways access.

Availability Summary

Landowner known.

Site ref: SS0592 **Site address:** Land at The Elms, Cranfield Park Road, Wickford SS12 9EP

Site description **Site Area (h):** 3.78

Irregular shaped large piece of land within the Plotlands. Site fronts Cranfield Park Road. Currently the land includes an industrial park and open land/garden.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within the Green Belt, however the site partly lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

The site was submitted through the HELAA process in 2014/2015.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Whilst not within an existing employment area or town centre the site is within suitable proximity of a settlement and could be suitable for B1 uses. However due to highways access and its close proximity to residential properties other employment uses would not be suitable.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0593 **Site address:** Land adjacent Ladyspring Wood, Dunton Road, Billericay CM12 9TZ

Site description **Site Area (h):** 8.00

Irregular shaped large piece of land located within the Green Belt. Accessible via Dunton Road. Existing residential property and vacant woodland.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement as the site is separated from the main settlement by an A road which is considered to be a significant barrier. The site is not considered to be suitable.

Availability Summary

The site was submitted through the HELAA process in 2014/2015

Employment Development Potential

Suitable: No **Available:** Yes

Suitability Summary

The site is separated from the main settlement by an A road which is considered to be a significant barrier. As such the site is not adjacent to or within an existing employment area or town centre and it is outside the proximity of a settlement. The site is not considered to be suitable for employment use at this time.

Availability Summary

Landowner known.

Site ref: SS0596 **Site address:** Highview, Buckwyns Chase, Billericay CM12 0TN

Site description **Site Area (h):** 2.88

Irregular shaped plot of land including residential property - Highview. Located within the Green belt. Includes vacant garden backland.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

The site was submitted through the HELAA process in 2014/2015

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is not within an existing employment area or town centre and is not within the suitable proximity of a settlement. The site is not considered to be suitable for employment use at this time.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0597 **Site address:** Little Blunts Farm, Queens Park Avenue, Billericay CM12 0SP

Site description **Site Area (h):** 25.93

Large irregular shaped piece of land located within the Green Belt, including residential property and agricultural uses - Little Blunts Farm. Includes vacant garden backland and woodlands (Country Park).

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt and only the access lies within suitable proximity of a settlement. It is therefore not considered suitable at this time.

Availability Summary

The site was submitted through the HELAA process in 2014/2015

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is within the Green Belt and only the access lies within suitable proximity of a settlement. It is therefore not considered suitable for employment at this time.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0598 **Site address:** Land rear of The Bull Public House, London Road, Pitsea SS13 2DD

Site description **Site Area (h):** 1.06

Lagre irregular shaped plot of land to the rear of The Bull Public House. Located within the Green Belt. Currently used for grazing. Access via Fairleigh Avenue.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

The site was submitted through the HELAA process in 2014/2015

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Whilst not within an existing employment area or town centre the site is within suitable proximity of a settlement and could be suitable for B1 uses. However the site is close to residential properties and therefore other employment uses would not be suitable.

Availability Summary

Landowner is known and they do not want the site considered for employment uses

Site ref: SS0599 **Site address:** Land at Ramsden Park Farm, Ramsden Bellhouse, Billericay CM11 1NR

Site description **Site Area (h):** 0.58

Plot of land to the north of Ramsden Park Farm. Located within the Green Belt. Access via Park Lane. Currently used for grazing.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** No

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time. As identified in the Serviced Settlement Review, based on the size and location of the site it could be redeveloped to provide 3 dwellings.

Availability Summary

The site was submitted through the HELAA process in 2014/2015

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

Whilst the site is within suitable proximity to a settlement area it is unsuitable for employment use due to highways access.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0600 **Site address:** Land at south west of Chase Farm, Little Burstead CM12 9SJ

Site description **Site Area (h):** 43.22

Large irregular shaped piece of land currently used for car boot sales. Located within the Green Belt. Access via Dunton Road.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement as the site is separated from the main settlement by an A road which is considered to be a significant barrier. The site is not considered to be suitable.

Availability Summary

Site submitted by landowner and amended for HELAA 2016.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is separated from the main settlement by an A road which is considered to be a significant barrier. As such the site is not adjacent to or within an existing employment area or town centre and it is outside the proximity of a settlement. The site is not considered to be suitable for employment use at this time.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0601 **Site address:** Land West of Quilters Junior & Infant School, Fairfield Rise, Billericay CM12 9LD

Site description **Site Area (h):** 1.14

Plot of land to the west of Quilters Junior and Infant School. Currently a disused school field. Access via Fair Field Rise (proposed access not through landowner). Located within an urban settlement - greenfield land.

Housing Development Potential

Suitable: Yes **Available:** No **Achievable:** NA

Suitability Summary

The site is within the urban area, it is therefore considered suitable at this time.

Availability Summary

The site was submitted through the HELAA process in 2014/2015. The proposed access is not within the site, therefore access to the development could not be achieved.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The access is not suitable for employment use.

Availability Summary

Landowner preference for the land does not include employment uses, also there is no access to the site.

Site ref: SS0602 **Site address:** Land West of Cassel, Church Road, Ramsden Bellhouse CM11 1RH

Site description **Site Area (h):** 1.56

Large plot of vacant land to the rear of Cassel including part of the residential garden serving Cassel to provide access to the site. The site is in Green Belt and adjoins the settlement boundary via another site. The site shape has been amended as part of the site originally lay within flood zone 3b.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** No

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. Based on the size and location of the site it is considered the site could be developed to provide 1 additional dwelling, otherwise it would conflict with local policy and constitute backland development.

Availability Summary

The site was submitted through the HELAA process in 2014/2015

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Whilst not within an existing employment area or town centre the site is within suitable proximity of a settlement and could be suitable for B1 and B2 uses. The site is not considered to be suitable for B8 uses due to highways access.

Availability Summary

Landowner is known and they do not want the site considered for employment uses

Site ref: SS0603 **Site address:** Lynton, Lower Dunton Road, Brentwood CM13 3SP

Site description **Site Area (h):** 2.66

Large irregular shaped plot of land. Located within the Green Belt and accessed from Lower Dunton Road. Existing kennels on site (business). The site has been extended to include a parcel of land adjacent to the railway.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

Whilst not within an existing employment area or town centre the site is within suitable proximity of a settlement and could be suitable for B1 uses. However due to highways access and its close proximity to residential properties other employment uses would not be suitable.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0639 **Site address:** Avondale, Brackendale Road, Billericay CM11 1EX

Site description **Site Area (h):** 0.05

Residential property on Brackendale Road and associated garden.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time. Based on the size and location of the site it is considered the site could be redeveloped to provide 1 additional dwelling.

Availability Summary

Site submitted by landowner for HELAA 2016.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is less than 0.25ha in size and it is not adjacent to or within a town centre. Therefore the site is not considered to be suitable for employment use.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0640 **Site address:** Land to the rear of Highfields, Potash Road, Billericay CM11 1HH

Site description **Site Area (h):** 1.56

Large site located on the north side of Potash Road. The land is used for garden at the rear of Highfields. The site lies to the north of the established urban settlement of Billericay in a semi-rural setting.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time. Development on this site would however constitute backland development which would not comply with local policy. The site is therefore unsuitable.

Availability Summary

Site submitted by landowner for HELAA 2016.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Whilst not within an existing employment area or town centre the site is within suitable proximity of a settlement and could be suitable for B1 uses. However due to highways access and its close proximity to residential properties other employment uses would not be suitable.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0641 **Site address:** Meadowsweet, Oak Avenue, Crays Hill, Billericay CM11 2YE

Site description **Site Area (h):** 0.20

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

Site submitted by landowner for HELAA 2016.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is less than 0.25ha in size, it is not adjacent to or within an existing employment area or town centre. It is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0642 **Site address:** Land adjoining Rosemere, Crays Hill Road, Billericay CM11 2YR

Site description **Site Area (h):** 0.36

Land is located adjacent settlement on Crays Hill Road. It is currently scrubland.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

Site submitted by landowner for HELAA 2016.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

Whilst not within an existing employment area or town centre the site is within suitable proximity of a settlement. However it is considered to be unsuitable for employment use due to highways access.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0643 **Site address:** Beechcroft, Oak Road, Crays Hill, Billericay CM11 2YQ

Site description **Site Area (h):** 0.27

Land adjacent Beechcroft located within the Plotlands. Currently used as garden with an outbuilding on the site. Fronts Oak Road.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

Site submitted by landowner for HELAA 2016.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is not adjacent to or within an existing employment area or town centre and is not within the suitable proximity of a settlement. The site is not considered to be suitable for employment use at this time.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0644 **Site address:** Willow End Farm, Approach Road, Crays Hill, Billericay CM11 2UT

Site description **Site Area (h):** 0.07

Land adjoining Willow End Farm located within the Plotlands. Currently used as garden.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

Site submitted by landowner for HELAA 2016.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is within a suitable proximity of a settlement, however the site is not larger than 0.25ha and the access is not suitable for employment use.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0645 **Site address:** Alton Lodge, North End, Crays Hill, Billericay CM11 2XD

Site description **Site Area (h):** 0.22

Land is currently agricultural use, located within the Plotlands.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

Site submitted by landowner for HELAA 2016.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is within a suitable proximity of a settlement, however the site is not larger than 0.25ha and the access is not suitable for employment use.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0646 **Site address:** Acketts, Radford Way, Billericay

Site description **Site Area (h):** 0.14

Vacant land situated within Billericay urban area.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the settlement boundary and whilst it does not have any physical constraints that would restrict housing development on the land the site would not be able to accommodate 5 or more dwellings. The site is also located in an existing employment area where it is considered to be unavailable for housing. Therefore in accordance with the HELAA methodology, the site is currently unsuitable.

Availability Summary

Site submitted by landowner for HELAA 2016.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

Whilst the site is within the settlement area it is less than 0.25ha in size and it is not within a town centre. Therefore the site is not considered to be suitable for employment use.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0647 **Site address:** The Paddocks, Lower Dunton Road, Dunton CM13 3SN

Site description **Site Area (h):** 3.81

Large area of land comprising agricultural use and paddocks. Fronts onto Lower Dunton Road.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within the Green Belt, however some of it lies within suitable proximity of a settlement. The site is being promoted as part of a larger group including sites SS0647, SS0664, SS0665, SS0666 and SS0056 and could be considered to form a large urban extension. It is therefore considered suitable at this time.

Availability Summary

Site submitted by landowner for HELAA 2016.

Employment Development Potential

Suitable: Yes **Available:** Yes

Suitability Summary

The site is within the Green Belt, however some of it lies within suitable proximity of a settlement. The site is being promoted as part of a larger group including sites SS0548, SS0664, SS0665, SS0666 and SS0056 and could be considered to form a large urban extension and could incorporate some employment uses. It is therefore considered suitable at this time.

Availability Summary

Landowner known and site is available.

Site ref: SS0648 **Site address:** Land west of Stanford House, Lower Dunton Road, Dunton

Site description **Site Area (h):** 1.98

Large area of land comprising agricultural use and paddocks. Fronts onto Lower Dunton Road.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

Site submitted by landowner for HELAA 2016.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is not adjacent to or within an existing employment area or town centre and it is outside the settlement boundary. The site is not considered to be suitable for employment use at this time.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0649 **Site address:** Land west of Sylvan Rest, Pitsea View Road, Crays Hill, Billericay CM11 2YN

Site description **Site Area (h):** 0.45

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0650 **Site address:** The Stables, Pitsea View Road, Crays Hill, Billericay CM11 2YN

Site description **Site Area (h):** 0.29

Residential property and surrounding garden land, located within the plotlands.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

Site submitted by landowner for HELAA 2016.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0651 **Site address:** Land off Borwick Lane, Wickford

Site description **Site Area (h):** 1.23

Large area of land used for agriculture. Fronts onto Borwick Lane.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

Whilst the site within suitable proximity of a settlement the majority of the site is situated within flood zone 3b and therefore in accordance with the HELAA methodology, this site has been made unsuitable.

Availability Summary

Site submitted by landowner for HELAA 2016.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Whilst not within an existing employment area or town centre the site is adjacent to the settlement and could be suitable for B1 uses. However due to highways access other employment uses would not be suitable.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0652 Site address: Dale Farm, Oak Lane, Cray's Hill CM11 2YJ		
Site description	Site Area (h): 22.94	
Large parcel of land containing mixed uses including authorised gypsy and traveller sites, paddocks, open fields and a previously unauthorised gypsy and traveller site which has since been cleared.		
Housing Development Potential		
Suitable: No	Available: Yes	Achievable: NA
Suitability Summary		
The site is separated from the main settlement by an A road which is considered to be a significant barrier. As such the site is not adjacent to or within an existing employment area or town centre and it is outside the proximity of a settlement.		
Availability Summary		
Site submitted by landowner for HELAA 2016.		
Employment Development Potential		
Suitable: No	Available: No	
Suitability Summary		
The site is not within an existing employment area or town centre and is not within the suitable proximity of a settlement. The site is not considered to be suitable for employment use at this time.		
Availability Summary		
Landowner preference for the land does not include employment uses.		

Site ref: SS0653 Site address: Land adjacent Wayside Cottage, Potash Road, Billericay CM11 1HH		
Site description	Site Area (h): 0.06	
Piece of land facing onto Potash Road.		
Housing Development Potential		
Suitable: No	Available: No	Achievable: NA
Suitability Summary		
The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.		
Availability Summary		
There has been no contact with the landowner in the last 5 years therefore the site is not available.		
Employment Development Potential		
Suitable: No	Available: No	
Suitability Summary		
The site is within a suitable proximity of a settlement, however the site is not larger than 0.25ha and is not suitable for employment use.		
Availability Summary		
Landowner preference for the land does not include employment uses.		

Site ref: SS0654 **Site address:** Land south of Green Loanings, Goatsmoor Lane, Billericay

Site description **Site Area (h):** 1.06

Forms part of larger site where some of the land falls within the Chelmsford City Council area. Land faces onto Goatsmoor Lane.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt, however about half of it lies within suitable proximity of a settlement. The other land promoted within this area is made up by numerous landowners and would be difficult to bring forward as a comprehensive development meaning the site would be separated from the existing settlement. It is therefore unsuitable.

Availability Summary

Site submitted by landowner for HELAA 2016.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

The site is within the Green Belt, however about half of it lies within suitable proximity of a settlement. The other land promoted within this area is made up by numerous landowners and would be difficult to bring forward as a comprehensive development meaning the site would be separated from the existing settlement. It is therefore unsuitable.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0655 **Site address:** Land north of Dry Street, Basildon

Site description **Site Area (h):** 1.54

Parcel of land to the north of Dry Street. Land is former agricultural grassland.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

Located inside the settlement area, there are no physical constraints that prevent this site being suitable for housing.

Availability Summary

Site submitted by landowner for HELAA 2016.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Whilst not within an existing employment area or town centre the site is within the settlement and could be suitable for B1 and B2 uses. Other employment uses would not be suitable due to highways access.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0656 **Site address:** Land at Foot Farm, Billericay

Site description **Site Area (h):** 15.44

Site currently arable and temporary grassland for a hay crop.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

Site submitted by landowner for HELAA 2016.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

The site lies within suitable proximity to a settlement area and adjacent an existing employment site and could be considered for B1 uses. Whilst adjacent to a residential area the size of the site could also allow for B1 uses to act as a buffer between residential properties and B2 and B8 uses. The site is accessed via an A road.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0657 **Site address:** Land at Eversley, Pitsea

Site description **Site Area (h):** 12.73

Large piece of land currently used for variety of purposes including recreation, parks, open space and leisure.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

Site submitted by landowner for HELAA 2016.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Whilst not within an existing employment area or town centre the site is with proximity to a settlement and could be suitable for B1 uses. However due to highways access other employment uses would not be suitable.

Availability Summary

Landowner preference for the land does not include B-Class employment uses.

The site includes allocated as open space and therefore should be subject to an open space assessment. There are no physical problems or constraints that could not be overcome present on the site. It is therefore considered to be suitable at this time.

Availability Summary

Site submitted by landowner for HELAA 2017.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

The site is within the settlement area and could be considered for B1 uses, the site is not considered to be suitable for B2 or B8 uses due to highways access.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0711 **Site address:** Land north of Burnt Mills Road and East of Courtauld Road

Site description **Site Area (h):** 4.04

Agricultural fields, access to the site could be gained from Burnt Mills Road or Courtauld Road.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

Site submitted by landowner for HELAA 2017.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Whilst not within an existing employment area or town centre the site is within suitable proximity of a settlement and could be suitable for B1 uses. However due to highways access other employment uses would not be suitable.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0712 **Site address:** Land south of Dagmar, The Chase, Little Burstead

Site description **Site Area (h):** 0.04

Vacant plot with access from Green Lane or The Chase.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement as the site is separated from the main settlement by an A road which is considered to be a significant barrier. The site is not considered to be suitable.

Availability Summary

Site submitted by landowner for HELAA 2018.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement as the site is separated from the main settlement by an A road which is considered to be a significant barrier. The site is not considered to be suitable.

Availability Summary

Landowner preference for the land does not include employment uses.

Site ref: SS0713 **Site address:** Land to the rear of Barn Farm, Cranfield Park Road, Wickford SS12 9ES

The landowner has not promoted the site as being available, therefore the site is currently unavailable.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

The site is within an existing settlement area and could be considered for B1 use. The site is not considered to be suitable for B2 and B8 uses due to proximity to residential properties.

Availability Summary

The landowner has not promoted the site as being available, therefore the site is currently unavailable.

Site ref: SS0796 **Site address:** Noak Hill Road, Billericay CM12 9UG

Site description **Site Area (h):** 2.70

The site is rectangular parcel of land which is currently in agricultural use. Apart from this ribbon of development the site is surrounded by open fields outside the settlement boundary.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt and does not lie within suitable proximity of a settlement. The site is therefore unsuitable.

Availability Summary

Site submitted on behalf of landowner for HELAA 2020.

Employment Development Potential

Suitable: No **Available:** Yes

Suitability Summary

The site is not within an existing employment area or town centre and is not within the suitable proximity of a settlement. The site is not considered to be suitable for employment use at this time.

Availability Summary

Site submitted on behalf of landowner for HELAA 2020

Site ref: SS0797 **Site address:** Rose Villa, Crays Hill Road, Billericay

Site description **Site Area (h):** 0.12

Square plot of land within a plotlands situated on Crays Hill Road to the west of Gardiners Lane North. The site is situated within a small ribbon of residential properties and includes caravans on the site.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site would not be large enough to accommodate 5 dwellings. (Sites can be found suitable if unable to accommodate 5 dwellings, however they should not be viability tested).

Availability Summary

Site submitted on behalf of landowner for HELAA 2020.

Employment Development Potential

Suitable: No **Available:** Yes

Suitability Summary

The site is below the 0.25ha threshold for employment use.

Availability Summary

Site submitted on behalf of landowner for HELAA 2020.

Site ref: SS0798 **Site address:** Land north of Martindale Avenue, Noak Bridge, Basildon, SS15 4ER

Site description **Site Area (h):** 23.95

This site is irregular in shape and is being put forward alongside SS0372. This is located within the Green Belt on exsiting farmland and further openspace to the North and East of the site.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

Whilst not within an existing employment area or town centre the site is adjacent to the settlement and could be considered for B1, B2 and B8 uses. The site is accessed via an A road.

Availability Summary

Site submitted on behalf of landowner for HELAA.

Employment Development Potential

Suitable: Yes **Available:** Yes

Suitability Summary

•Whilst not within an existing employment area or town centre the site is within suitable proximity of a settlement and could be suitable for B1 uses. However the site is close to residential properties/due to highways access and therefore other employment uses would not be suitable.

Availability Summary

Site submitted on behalf of landowner for HELAA 2020.

Site ref: SS0799 **Site address:** Elm Farm, Burnt Mills Road, North Benfleet

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

Site submitted on behalf of landowner for HELAA.

Site ref: SS0800 **Site address:** Land North of Dry Street, Langdon Hills, Basildon

Site description **Site Area (h):** 2.43

The site rectangular in shape and is currently grassland. The site is opposite Dry Street Farm and has public open space located to the North and West of the site.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

Site submitted on behalf of landowner for HELAA.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

•Whilst not within an existing employment area or town centre the site is within suitable proximity of a settlement and could be suitable for B1 and B2 uses. The site is not considered to be suitable for B8 uses due to highways access.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0801 **Site address:** Castledon Rd, Wickford, SS12 0EF

Site description **Site Area (h):** 1.01

This is a rectangular parcel of land located to the East of Castledon Road.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

Site submitted by landowner for HELAA.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

The site is within suitable proximity to the town centre and could be considered for B1 use. The site is not considered to be suitable for B2 and B8 uses due to highways access.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0802 **Site address:** Land north of Southend Road and east of the railway, Wickford

Site description **Site Area (h):** 16.03

Large area of open rural land located to the northeast of the settlement of Wickford, west of the A130 dual carriageway and near the borough boundary. The site comprises of scrubland/woodland. Electricity cables and pylons transect the site. A sewerage works and the River Crouch lie adjacent to the north and the railway line to the west. The main residential areas lie to the west and southwest. The sites was formally submitted as SS0187.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

Site submitted on behalf of landowner.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

The site is within the settlement area and could be considered for B1 uses. Whilst adjacent to a residential area the size of the site could also allow for B1 uses to act as a buffer between residential properties and B2 and B8 uses.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0803 **Site address:** Kingsmans Farm, Tye Common Road, Billericay CM12 9PZ

Site description **Site Area (h):** 4.12

This is an irregular parcel of land located to the West of Tye Common Road and is located within the Greenbelt. There are no other constraints to development, however an industrial yard sits south of the site boundary. The site has been submitted alongside a larger parcel of land to the South, SS0804.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

Site submitted on behalf of landowner for HELAA.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0804 **Site address:** Kingsmans Farm, Tye Common Road, Billericay CM12 9PZ

Site description **Site Area (h):** 11.43

This is an irregular parcel of land located to the West of Tye Common Road and is located within the Greenbelt. The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0805 **Site address:** Ramsden Lodge, Church Road, Ramsden Bellhouse, CM11 1RT

Site description **Site Area (h):** 1.15

The site is an irregularly shaped parcel of land located to the West of Church Road and is located in the Greenbelt. It is in close proximity to a private open space allocation and two listed buildings, as well as a number of ponds on the Eastern boundary. The site is bounded by open countryside on all other sides. It was listed in the 2017 HELAA under SS0223.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

There is no access to the site therefore it is not considered suitable.

Availability Summary

Site submitted on behalf of landowner for HELAA.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

There is no access to the site therefore it is not considered suitable

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0806 **Site address:** Land East of Outwood Common Road, Billericay, CM11 2TX

Site description **Site Area (h):** 9.80

A large, irregular shaped site located on the west and north sides of Outwood Farm Road, Billericay. The site is bounded by housing to the northwest, but is open to the countryside on all other sides. The land essentially comprises three arable fields separated by a stream and hedgerows and a small copse as well as some residential dwellings to the north east and west of the site. This site was submitted alongside SS0807 and was formally known as SS0238. The land falls gently to the south and east, with the stream running through the centre of the site from NW to SE. Hedgerows, trees, including large standards are likely to be worth retaining. The site south east corner falls within the Sewage Treatment Works buffer as well removing properties within the area that are not in the same ownership as stated by the Land Registry and at the request of the property owners.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is also within the 400m Sewage Works buffer and therefore unsuitable for housing as recommended by Anglian Water.

Availability Summary

Site submitted on behalf of landowner for HELAA.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site must not lie within the 400m buffer zones around wastewater/sewage treatment plants.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0807 **Site address:** Land East of Outwood Common Road, Billericay, CM11 2TX

Site description **Site Area (h):** 9.79

A large, irregular shaped site located on the east of Outwood Common Road, Billericay.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

The site is also within the 400m Sewage Works buffer and therefore unsuitable for housing as recommended by Anglian Water.

Availability Summary

Site submitted on behalf of landowner for HELAA.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The site must not lie within the 400m buffer zones around wastewater/sewage treatment plants.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0808 **Site address:** Land North of Tuscarona, Outwood Farm Road, Billericay

Site description **Site Area (h):** 4.80

Parcel of land that is bounded by the railway line to the north, adjacent to the urban area of Billericay to the west and surrounded by fields and woodland to the south and east. The site is part of a larger field used for agriculture. This is an extension to the site formally known as SS0241

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time

Availability Summary

Site submitted on behalf of landowner for HELAA.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

The site is within the town centre proximity and could be considered for B1 uses. The site is not considered to be suitable for B2 or B8 uses due to highways access and its close proximity to residential properties.

This site has been submitted on behalf of the landowner, the ambitions for this site do not include housing.

Employment Development Potential

Suitable: No **Available:** Yes

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

This site has been submitted on behalf of the landowner for HELAA 2020.

Site ref: SS0819 **Site address:** Land north of Dunton Road, Noak Bridge, Basildon.

Site description **Site Area (h):** 32.02

The site includes two irregular shaped parcels of land and one rectangular shaped parcel of land located north of Dunton Road and within the Greenbelt. All parcels are currently used for agricultural purposes and are surrounded by similar land uses. There are two overhead pylons located within the eastern parcel.

Housing Development Potential

Suitable: No **Available:** Yes **Achievable:** NA

Suitability Summary

Whilst the site is within suitable proximity of a settlement, the majority of the site is situated within flood zone 3b and therefore in accordance with the HELAA methodology, this site is not considered to be suitable.

Availability Summary

This site has been submitted on behalf of the landowner.

Employment Development Potential

Suitable: No **Available:** No

Suitability Summary

The majority of the site is situated within flood zone 3b and therefore in accordance with the HELAA methodology and is found to not be suitable.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0820 **Site address:** Land Adjacent to 403 Mountnessing Road, Billericay, Essex, CM12 0EU

Site description **Site Area (h):** 0.75

At present, the site is vacant land and acting as an extension to the garden of the land owner. The land owner has maintained the land throughout their ownership since 1979. The land itself is generally flat in nature, grassland with hedges to the north, west and south. A public footpath runs around the periphery of the site which has been diverted along the southern boundary of the site. The site was previously submitted as SS0304

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

This site has been submitted by the landowner for inclusion within HELAA.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

The site is within settlement proximity and could be considered for B1 use. The site is not considered to be suitable for B2 and B8 uses due to highways access.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0821 **Site address:** Billericay Health Centre, Stock Road, Billericay, CM12 0BJ

Site description **Site Area (h):** 0.19

This is a rectangular brownfield site that is currently being used as a health centre and is located on St Andrews Drive, Billericay.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within an existing settlement area and considered to be suitable.

Availability Summary

This site has been submitted by the landowner for inclusion within HELAA.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Whilst the site is less than 0.25ha in size it is within the town centre and could be considered for B1 uses. The site is not considered to be suitable for B2 or B8 uses due to highways access and its close proximity to residential properties.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0822 **Site address:** Wickford Health Centre, 2 Market Road, Wickford, SS12 0AG

Site description **Site Area (h):** 0.14

This is a rectangular brownfield site that is currently being used as a health centre and is located on Market Road, Wickford.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within an existing settlement area and considered to be suitable. However it is within the Town Centre where the Masterplan is being reviewed, therefore the delivery of the site may require it to be part of a larger proposal.

Availability Summary

This site has been submitted by the landowner for inclusion within HELAA.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

Whilst the site is less than 0.25ha in size it is within the town centre and could be considered for B1 uses. The site is not considered to be suitable for B2 or B8 uses due to highways access and its close proximity to residential properties.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0823 **Site address:** Gurnards Farm, Granites Chase, Southend Road, Billericay, Essex, CM11 2UQ

Site description **Site Area (h):** 3.90

This is an irregular shaped parcel of land of 3.9ha, located in the Greenbelt and is surrounded by arable land on all sides. The site is currently used for commercial and residential purposes and there is direct access to Granite's Chase from Southend Road. The site is also located within floodzone 1.

Housing Development Potential

Suitable: No **Available:** No **Achievable:** NA

Suitability Summary

This site has been submitted by the landowner for inclusion within HELAA.

Employment Development Potential

Suitable: No **Available:** Yes

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

This site has been submitted on behalf of the landowner for HELAA 2020.

Site ref: SS0825 **Site address:** Fairwinds Farm, Lower Dunton Road, Bulphan, Upminster, Essex

Site description **Site Area (h):** 4.90

An irregular shaped parcel of land to the east of Lower Dunton Road, located within the Green Belt. The north and east of the site are surrounded by public open space and local wildlife sites, whilst the southern site boundary coexists with the Borough boundary. The site is currently used for commercial purposes and there are a number of 'big-box' commercial units present on site.

Housing Development Potential

Suitable: No **Available:** No **Achievable:** NA

Suitability Summary

The site is within the Green Belt and a small proportion of the site does partially lie within suitable proximity of a settlement. However, the vast majority of the site lies outside of suitable proximity. Therefore, the site is not considered to be suitable.

Availability Summary

This site has been submitted by the landowner for inclusion within HELAA, intentions are for economic purposes.

Employment Development Potential

Suitable: No **Available:** Yes

Suitability Summary

The site is within the Green Belt and a small proportion of the site does partially lie within suitable proximity of a settlement. However, the vast majority of the site lies outside of suitable proximity. Therefore, the site is not considered to be suitable.

Availability Summary

This site has been submitted on behalf of the landowner for HELAA 2020.

Site ref: SS0826 **Site address:** Nevendon Road, Wickford, Essex, SS12 0QB

Site description **Site Area (h):** 46.50

The site is a large, flat, irregularly shaped parcel of land located to the west of Nevendon Road (A132) and south of Borwick Lane. It was used for agricultural purposes in the past but now carries out currently agricultural and commercial functions. The site is made up of a number of smaller parcels of land which are arable in nature and separated by hedgerow. Noke Wood, an allocated local wildlife park, exists to the south-west of the site. Part of the site was previously submitted as part of SS0510.

Housing Development Potential

Suitable: No **Available:** No **Achievable:** NA

Suitability Summary

The site is within the Green Belt and the majority of the site does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

This site has been submitted by the landowner for inclusion within HELAA 2020, landowner intends for economic purposes only.

Employment Development Potential

Suitable: No **Available:** Yes

Suitability Summary

The site is within the Green Belt and the majority of the site does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

This site has been submitted on behalf of the landowner for HELAA 2020.

Site ref: SS0827 **Site address:** Mill Road, Great Burstead, Billericay, Essex, CM11 2SD

Site description **Site Area (h):** 8.57

This is a large, flat, irregular shaped site located to the south of Mill Road and west of Southend Road. The site is comprised of two parcels of arable land used for agricultural purposes and is separated by hedgerow. The site is bounded by a stream and some further arable land to the south and west of the site and residential land to the north. A small section of woodland exists on the southern part of the eastern parcel.

Housing Development Potential

Suitable: Yes **Available:** Yes **Achievable:** Yes

Suitability Summary

The site is within the Green Belt, however it lies within suitable proximity of a settlement. It is therefore considered suitable at this time.

Availability Summary

This site has been submitted on behalf of the landowner for inclusion within HELAA.

Employment Development Potential

Suitable: Yes **Available:** No

Suitability Summary

The site is within the settlement area and could be considered for B1 uses. Whilst adjacent to a residential area the size of the site could also allow for B1 uses to act as a buffer between residential properties and B2 and B8 uses.

Availability Summary

The landowners preference for the land does not include employment uses.

Site ref: SS0828 **Site address:** Bowers Gifford and North Benfleet, Basildon, Essex, SS13 2HD

Site description **Site Area (h):** 23.80

This is a large, irregular shaped site to the south of London Road and west of Canvey Way and located in the Greenbelt. It is currently used for agricultural purposes with a small section to the north of the site home to a car boot sale. The site is largely flat and grassland with some streams and light woodland areas running through the site.

Housing Development Potential

Suitable: No **Available:** No **Achievable:** NA

Suitability Summary

The site is within the Green Belt and it does not lie within suitable proximity of a settlement. The site is not considered to be suitable.

Availability Summary

This site has been submitted on behalf of the landowner for inclusion within HELAA 2020. However, the landowner intends economic uses only.
